*Excerpt from the Capital Improvements and Endowment Program approved by the Georgia Baptist Convention beginning 1999, The Executive Committee, Baptist Convention of the State of Georgia, Dr. J. Robert White, Executive Director.*

...funds committed to the Georgia Baptist Foundation as scholarship endowment, in consideration of the consistently rising costs of providing quality education for all Georgia Baptist students who wish to attend our Baptist Colleges, be administered by the Georgia Baptist Foundation to first assist Georgia Baptist students with definite financial needs. Then, as funds are available, offer assistance and encouragement to all Georgia Baptist students. Students will make application to the college attended, the application will be approved by the college president and forwarded to the Foundation for payment of the scholarship grant, and the Foundation will remit the amount available from earnings on the endowment funds held for this purpose. The value of scholarships will be determined annually by the Georgia Baptist Foundation, but scholarship grants will not exceed the amount of tuition charges for one year.
