FEDERAL WORK STUDY 2003-04

Dear Student:

Federal work-study provides jobs for students with financial need, allowing them to earn money to help pay education expenses. **Federal work-study is not a grant, it must be earned.**

The majority of work-study jobs are located on the Mt. Vernon campus. A few positions are available at Brewton-Parker sites in Liberty County and Glennville. Contact the site coordinators at Liberty County and Glennville for work-study jobs at those locations. If you are an External student, work-study will reduce your eligibility for the External Grant and the Institutional Equalization Grant. If you have no interest in a work-study job, please complete the bottom of this form and return it to the Financial Aid Office immediately.

If you wish to decline Federal Work-Study complete and return the bottom section of this letter.
