

Dear Parent,

When I first arrived at Brewton-Parker College, I remember feeling a little overwhelmed and excited at the same time. I was beginning my transition into a new environment with people from diverse backgrounds and felt mixed emotions. Thankfully, I had my mom there helping me move and checking to make sure everything went well. I thought I could do it by myself and did not appreciate having family there on the first day. However, I now realize it was a life-changing moment for both of us. As a current senior, you can take it from me that coming with your child will make a big difference in their transition.

Orientation is the first real taste of being a Baron, and while it is geared mainly for new students, we encourage parents to join us on Wednesday, August 17th for information and a Family Welcome Celebration starting at 1:30p.m. We expect that you are proud (as you deserve to be), as well as a little nervous, to be sending your child off to college. We want to alleviate your fears and make you feel a part of our family.

Your child's transition from high school or another college will be memorable for your entire family. We are hopeful you will be a part of the first day (even if your child doesn't appreciate it now). See you in August!

Brewton-Parker College is a small Christian environment and our goal is to put students and their families first. If you have any questions, comments, or concerns please do not hesitate to contact us.

In Christ,
