

STRATEGIC PLAN 2017-2018 GOALS

President's Office

1. Ensure that the college proceeds with a biblical worldview in all facets of operation.
2. Enact biblical stewardship by using the utmost integrity and prudence relative to the use of the college's resources and funds to establish a culture of accountability and continuous improvement.

Plant Operations

1. Develop and implement a systematic plan for facility enhancement.

Advancement

1. Enhance fundraising efforts.
2. Increase engagement both on campus and within our community.

Academic Services

1. Permeate the curriculum with a biblical worldview.
2. Enhance student success through academics and career development.

Athletics

1. Encourage and support high academic standards for athletes.
2. Encourage the development of club sports to involve faculty, staff, and students in interactive team building events.

Student Development

1. Connect with the community to provide Christian service and outreach that is beneficial to both the members of the community and to BPC.
2. Support the faith development of students and the integration of their faith in Christ into all aspects of their lives.

Enrollment Services

1. Meet new student enrollment goals for Mt. Vernon, dual enrollment, and distance education.
2. Have no findings or material weaknesses noted in the college's yearly A-133 audit or other audits conducted by external organizations.

Fiscal Services

1. Conduct all financial business with a biblical worldview, utilizing integrity, prudence, and accountability for all financial decisions.
2. Review and revise college policies and procedures for resource management.

Technology Services

1. Develop a systematic plan for institutional technology advancement.
2. Maintain an innovative and relevant academic delivery system, as well as other academic tools and software to enhance student learning.
