

BREWTON-PARKER
COLLEGE

ACADEMIC CATALOG
2016-2017

NOTICE

The *Academic Catalog* describes the educational programs of Brewton-Parker College, as well as the academic and administrative policies that govern a student's relationship to the college. In completing curricular and program requirements, students must comply with the provisions of the current catalog in effect at the time of their initial enrollment with the college, or with the provisions of a more recent catalog if their catalog of origin and/or program requirements have changed in any of the ways described in the following paragraph.

Students returning to Brewton-Parker College following an interruption in their enrollment for more than one continuous calendar year from the time of last enrollment will be governed by the *Academic Catalog* in effect at the time of their *re-enrollment*. By submitting the proper form in the Office of the Registrar, students also may declare their intent to be governed by a catalog more recent than the one in effect at the time of their initial enrollment, though *not* by one published earlier. Students who change programs or declare new programs must meet the requirements in effect at the time of the change. In addition, if the catalog governing a student's relationship to the college is more than six years old, the college, in the discretion of the Provost, may change the student's catalog to a more recent one, *provided* the student is given written notice of such change within a reasonable time.

This *Academic Catalog* presents the course offerings, programs, policies, and other requirements in effect at the time of publication; however, catalog provisions are subject to continuous examination and revision, and the college reserves the right to amend any catalog content, at any time, without written or actual notice directed to individual students.

An electronic version of the *Academic Catalog* in PDF format will be published on the college's web site at the start of each academic year and is available to all students, faculty, and staff. The college currently does not publish a print version of the catalog. Any amendments to the catalog approved between dates of publication on the web site will be added to the electronic version throughout the year. Posting of the catalog on the web site (as amended) shall constitute constructive notice to students and others of changes made since the most recent publication date. Any student lacking access through the web site may submit a request to the Office of the Registrar to review a print version of the current catalog maintained in that office.

Statements in the *Academic Catalog* are guidelines presented for informational purposes only and do not form the basis for a contract, express or implied, between a student and Brewton-Parker College. However, upon admission to the college, a student's signature on the application form constitutes acknowledgement that the current catalog and student handbook define that student's relationship to the college. Determining and understanding catalog changes that may affect that relationship is the individual responsibility of every student and *not* of an academic advisor or other member of the faculty or staff. The counsel of advisors and/or staff is offered for the assistance of students in planning their timely completion of academic programs.

Students also should recognize that the college and its officers have full authority to protect the college's students, personnel, property, or other interests, and to prevent disruption of the educational environment. The college or its officers, for good cause, may exercise this authority by requiring a student to withdraw at any time from one or more classes, or from the college, or by imposing probation or suspension. Course instructors, whether full- or part-time, have full authority to exclude any student from the classroom for cause.

A MESSAGE FROM THE PRESIDENT

Dear Students,

We are so grateful that you have chosen to pursue your higher educational goals with Brewton-Parker College. Our institution is the only SACSCOC accredited four-year Christian college from south of Macon, GA to the Florida state line. As a result, BPC has a unique opportunity in the southern region of our state to fulfill its mission of developing “the whole student through the application of biblically-centered truth to a liberal arts curriculum in a community of shared Christian values.”

At Brewton-Parker College you will find professors who are committed to teaching their academic disciplines with excellence but who do so in the context of a biblical worldview. As a Georgia Baptist Convention college, BPC has a vital place as an extension of the local church in equipping and training students for a lifetime of service in their chosen vocations. The goal is to provide every student with an opportunity for an academically and spiritually transformational experience.

BPC offers an extensive campus of 270 acres that is located in a small town that is surrounded by a beautiful rural setting. The city, county, and region offer a welcoming atmosphere that supports the school and its students. Likewise, the smaller classes give students a chance to know their professors in a personal way that is not present at larger schools. At Brewton-Parker College you will be part of a very special community of faculty, staff, students, and constituents that is truly an uplifting experience. We look forward to partnering with you as you work toward completing a degree that will help equip you for your vocational destination.

In His Service,
Steve Echols, Ph.D, D.Min

THE COLLEGE

OUR MISSION

The mission of Brewton-Parker College, a Georgia Baptist college, is to develop the whole student through the application of Biblically-centered truth to a liberal arts curriculum in a community of shared Christian values.

OUR VISION

Brewton-Parker College strives to honor Jesus Christ in every area of the academy.

OUR CORE VALUES

Biblically-Centered Institution

Brewton-Parker College affirms *The Baptist Faith and Message (2000)* statement on biblical authority and adheres to the Bible as the standard and basis for a worldview that undergirds and permeates its academic programs as well as every function of the college.

Spiritual and Academic Transformation

In seeking to develop the whole student, Brewton-Parker College endeavors to provide an opportunity for an academically and spiritually transformational experience that will honor the Lord Jesus Christ.

Practical Application

Brewton-Parker College is committed to preparing graduates for a variety of employment opportunities and for engaging a global context with a biblical worldview as ambassadors for Christ.

Servant Leadership

Brewton-Parker College seeks to inspire and develop servant leaders to follow the example of Jesus in self-sacrifice and service to others.

Characteristic Excellence

Brewton-Parker College desires to honor Christ by striving to do all things with characteristic excellence.

OUR DENOMINATIONAL AFFILIATION

Brewton-Parker College (BPC) focuses its Christian mission on the twin concepts of providing an unapologetically Christian and proudly Baptist tradition of higher education. In matters of theology and doctrine, BPC's administration and trustees endorse the tenets of faith generally accepted by Southern Baptists and specifically expressed in *The Baptist Faith and Message (2000)*, the denomination's doctrinal statement approved by the Southern Baptist Convention.

Furthermore, all employees of BPC are encouraged to interact with students and with one another in a manner that contributes to the development of a strong Christian worldview in every member of the BPC family and within the community in which the College exists.

BPC is a coeducational institution owned by the Executive Committee of the Georgia Baptist Mission Board (GBMB). The GBMB elects a board of 30 trustees, six being chosen each year for a five-year term. The board membership rotates, and members cannot succeed themselves. The Executive Committee of the GBMB empowers the trustees to operate the college.

FUNDING

Income from student fees, endowment gifts (from individuals, churches, foundations, corporations, and the federal government) and appropriations from the Cooperative Program of the GBMB provide financial support for the college.

ACCREDITATION

Accreditation is a voluntary, non-governmental peer review process by the higher education community that aims to assure academic quality and accountability and to encourage improvement.

Brewton-Parker College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees.

Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of Brewton-Parker College.

Brewton-Parker College is a member of the Transnational Association of Christian Colleges and Schools (TRACS), [15935 Forest Road, Forest, GA 24551; Telephone: (434) 525-9539; e-mail:info@tracs.org] having been awarded Candidate Status as a Category II institution by the TRACS Accreditation Commission on October 27, 2015. This status is effective for a period up to five years. TRACS is recognized by the United States Department of Education (USDOE), the Council for Higher Education Accreditation (CHEA) and the International Network for Quality Assurance Agencies in Higher Education (INQAAHE).

In addition to institutional accreditation, the Georgia Professional Standards Commission (GaPSC) certifies the College's Educator Preparation Program (EPP) within the Division of Education and Behavioral Sciences. Approved programs within the EPP are the Bachelor of Science (B.S.) degree programs in Early Childhood Education and also in Middle Grades Education, with concentrations in Language Arts, Mathematics, Science, and Social Studies. Also approved are Certification Only programs in the above-mentioned areas.

HISTORICAL TIMELINE

- 1904: The Reverend John C. Brewton, pastor of the First Baptist Church in McRae, Georgia, and C.B. Parker, a member of Brewton's congregation and a Telfair County business leader, establish Union Baptist Institute (UBI) as a private boarding school. The Daniell and Telfair Baptist associations support UBI.
- 1905: UBI opens September 12, with 160 students and seven teachers. The campus, built on property at the juxtaposition of Mount Vernon and Ailey in Montgomery County, consists of an academic hall, two dormitories, and a dining commons. Dr. Brewton is the first president.
- 1912: Trustees rename the school Brewton-Parker Institute (BPI). William Anderson Mulloy serves as president.
- 1913: Ray E. Robertson is named president.
- 1916: Bunyan B. Smith assumes the school's presidency.
- 1917: Brewton-Parker earns accreditation from the Southern Association of Colleges and Schools (SACS).
- 1918: Dr. Brewton returns as BPI's president.
- 1919: Linton Stephens Barrett becomes president.
- 1922: Barrett proposes making BPI a junior college. Albert Martin Gates succeeds Barrett as president.
- 1923: BPI adds a college freshman class.
- 1927: With the addition of a sophomore class, BPI becomes Brewton-Parker Junior College.
- 1929: Brewton-Parker discontinues its elementary school.
- 1941: Gates resigns; he is followed as president by Robert Lee Robinson.
- 1946: Charles Thomas. Ricks becomes president.
- 1948: Brewton-Parker drops all secondary education from its curriculum. The Georgia Baptist Convention assumes sole ownership of the college upon the offer of southeast Georgia's twenty-one Baptist associations.
- 1949: President Ricks resigns; Melvin Campbell succeeds him.
- 1953: Marion Archie Murray assumes the college's presidency.
- 1957: Brewton-Parker drops all tactical, vocational, and terminal classes, becoming an institution devoted to a liberal arts curriculum. Dr. Theodore (Ted) Phillips becomes president.
- 1962: SACS accredits Brewton-Parker as a junior college.
- 1978: Trustees officially adopt the name Brewton-Parker College (BPC).

- 1979: Dr. Starr Miller assumes the presidency upon Dr. Phillip's retirement.
- 1983: Dr. Miller proposes a Bachelor of Ministry degree program. Dr. Yulssus Lynn Holmes becomes president.
- 1984: SACS grants BPC candidacy status for the baccalaureate degree program.
- 1985: BPC graduates first senior class of twenty-two students.
- 1986: SACS recognizes BPC as a four-year institution December 9.
- 1997: Dr. Holmes resigns; Dr. Miller returns as interim president.
- 1998: Trustees confirm Dr. David Robert Smith as BPC's fourteenth president.
- 2011: Dr. Smith resigns; Dr. Michel Saville Simoneaux is appointed BPC's fifteenth president.
- 2014: Dr Simoneaux retires; Dr. Ergun Michael Caner is appointed BPC's sixteenth president.
- 2015: Dr. Caner resigns; Dr. Steven Franklin Echols is appointed BPC's seventeenth president.
- 2015: Transnational Association of Christian Colleges and Schools (TRACS) grants BPC candidacy status for the baccalaureate degree program.

ADMISSION REQUIREMENTS

You will find a friendly, professional staff of Admissions Counselors at Brewton-Parker College (BPC) who are willing and able to help you. The Admissions Office is located in the Palmer Building and open 8:00 a.m.-5:00 p.m. Monday-Thursday, and 8:00 a.m.-12:00 p.m. on Fridays. Saturday hours are available by appointment with the admissions counselors. Online applications are available at www.bpc.edu.

Contact us by phone at (912) 583-3265, or toll-free at 1-800-342-1087 3265. Applications may be mailed to: The Admissions Office, Brewton-Parker College, Mt. Vernon, Georgia 30445, or faxed to (912) 583-3598. You may also contact us by e-mail at admissions@bpc.edu.

ADMISSION TERMS

Freshman: An applicant who graduated from an accredited high school and has never attended any accredited college or university or who has attended another college or university and who transfers less than thirty semester hours to BPC.

Homeschool Freshman: An applicant who has received all or part of his/her secondary schooling at home and who therefore has not received a traditional college preparatory high school diploma. If the applicant's home school is not accredited, the applicant may gain unconditional admission by submitting a satisfactory SAT/ACT score.

Transfer: An applicant with 30 or more semester hours or transferable college-level credit who wishes to seek a degree from BPC.

International: An applicant who is not a citizen or permanent resident of the United States. Such applicants must demonstrate proficiency in English as a language of instruction and an ability to pay for at least one year of expense. See www.bpc.edu/intl for admission and immigration standards or contact the Office of Admissions for assistance.

Readmission: A student who was absent for one or more semesters or was academically suspended or excluded from BPC.

Transients: Applicants who have a transient letter from their home institution stating that they are in good standing and have permission to enroll in a stated course(s) at BPC.

Second-Degree: An applicant who has a Bachelor's Degree and is seeking a second degree.

Non-Degree: An applicant who is not seeking a degree at any institution.

Teacher Certification: An applicant with a Bachelor's Degree in Education who is seeking teacher certification or alternative certification in a different field.

ADMISSION PROCEDURES

Each applicant must submit the appropriate application form with a \$35 non-refundable fee. Applications are specific for main campus (Mt. Vernon), external campuses, re-admission, international, or concurrent. All required documents must be official, coming directly from the issuing institution. Once the file is completed, it will be reviewed and an admission decision made within approximately two weeks. Applicants who are denied admission may appeal to the Admissions Committee whose decision is final.

Types of Admission

BPC offers three types of admission. All three are full admission to the College, but restrictions apply to all except unconditional admission. Students are encouraged to apply early in order to avoid complications with admission, advising, or financial aid. Applicants applying for financial aid will need to complete their Federal Application for Financial Aid (FAFSA). Contact the Office of Financial Aid for more information.

Unconditional: When an applicant meets all of the stated criteria for admission, he or she is admitted unconditionally. A traditional freshman applicant may be granted unconditional admission pending completion of their final year of high school.

Conditional: An applicant who does not meet all of the stated criteria for unconditional admission may be granted conditional admission. Conditional Admission is full admission to the College. A student who is denied unconditional admission may submit a written request to the Admissions Committee requesting conditional admission. The Admissions Committee will make the final decision on granting or denying admission and may set criteria for continued enrollment. Failure to meet a stated condition(s) will result in denial of the privilege of enrollment unless the Admissions Committee agrees to allow continued enrollment with stated conditions.

Provisional: A student may be admitted for one term of enrollment on a provisional basis if all required credentials have not been received. Provisional Admission is full admission to the College. All required documents must be received by the College by the end of the first term of enrollment at BPC or the privilege of continued enrollment will be denied. If you are provisionally admitted with an incomplete file, you must complete it by the end of that semester. If your file is not completed, you may not register for the following semester, receive grades, or have transcripts issued.

A student who has been granted Provisional Admission may subsequently be granted unconditional or conditional admission or denial of the right to continue to enroll on the basis of submission of all required credentials. Provisional Admission cannot be granted if the applicant failed to graduate from high school or achieve the required score on the GED exam.

Certification Only Program

The Educator Preparation Program (EPP) within the Division of Education and Behavioral Sciences at BPC offers preparation for Certification Only candidates. The program allows people with college degrees to become certified to teach. The Certification Only programs include Middle Grades with concentration in Language Arts, Math, Science, and Social Studies; and Early Childhood Education.

A transcript evaluation, completed by the BPC Certification Officer, determines both specific courses and the number of hours required. This program requires certification candidates to complete a year-long internship (EDU 476 and EDU 477 to be completed consecutively). This internship is a joint effort between a local school partner and BPC and provides the intern with a supportive program designed to improve his or her professional competence. Candidates not employed by a school system may choose to do student teaching instead of the internship.

Entrance Requirements for the Certification Only Program

- An existing 4-year degree from an accredited college, official transcripts required
- GPA of 2.5 or higher as verified on transcript
- A score report reflecting a passing score on PRAXIS I, GACE Basic Skills, SAT of 1000 or above (Verbal or Critical Reading and Math), Advanced Degree, or an ACT score of 43 or above

Internship

To be eligible for the year-long internship the applicant must meet the following requirements:

- Be under contract to a school system in a full-time capacity in the appropriate field
- Have completed any additional course requirements as indicated in transcript evaluation
- Request from local school system that BPC conduct the internship
- Enroll in EDU 476 and EDU 477 consecutively
- Possess an overall minimum GPA of 2.5 and a minimum GPA of 2.5 in major field courses
- Possess a provisional certificate from the Georgia Department of Education in the appropriate field
- Complete the form entitled *Verification of Liability Insurance*
- Provide clear background check
- Provide passing scores on state mandated tests

Due to the specific entrance requirements, no candidates should be admitted into the Certification Only Program without written approval and/or advisement from the Director of Student Teaching/Certification.

Any questions concerning Certification Only can be referred to Barbara Reid at breid@bpc.edu.

Senior Citizens Program

In an effort to strengthen community ties and foster a better quality of life for older residents of the region, BPC works with residents who are 65 years old or older to enroll them at significant discounts in the College's courses and programs. Contact the Office of Admissions for more information on this program.

Veterans Affairs

Veterans or eligible dependents of veterans who wish to attend BPC under any one of the veterans' benefit programs should make application in the usual manner to the Director of Admissions. The Admissions Office advises former service men and women who are eligible for benefits under the G.I. Bill and children of veterans or war orphans who are eligible for VA training allowance benefits. Applications must be made through the Admissions Office upon enrollment at the College.

TUITION AND FEES

Brewton-Parker College (BPC) is a non-profit institution supported by the Georgia Baptist Mission Board, and gifts from churches, individuals, corporations, foundations, and income from endowment funds held in trust by the Georgia Baptist Foundation. Student fees and expenses are held at the lowest possible level consistent with the financial requirements needed to operate an effective institution of higher learning. Consequently, the amount each student is required to pay is considerably less than the average cost per student to the College.

FEES

Application Fee

A non-refundable and non-transferable fee of \$35 must accompany the application for admission.

Residence Hall Room Reservation Fee

A \$200 non-refundable fee is required of each resident student. If there is a break in enrollment as a resident student for any reason, the student will pay the fee again before a room assignment will be made.

Returning students are given preference in room reservation, provided they meet the specified time limit prescribed by the College. Rooms are reserved in the order in which new students are admitted to the College by the Office of Admissions and according to the date of the housing application. All rooms are subject to reassignment at any time, especially at the end of the spring semester. Any room damage charges will be billed to the student's account.

All day students are required to live in College provided housing, space permitting. Exceptions to this policy are stated in the Student Life section.

Board Fee

All dormitory students are required to purchase a full meal plan (19 or 15 meals per week). Commuter students may elect to purchase a five- or ten-meal plan.

Tuition

Tuition for a full-time undergraduate student is \$7,830.00 per semester. This covers 12-18 credit hours inclusive. Credit hours beyond this are charged at a rate of \$435.00 per credit hour. If a student enrolls for less than twelve semester hours, the charge will be at a rate of \$435.00 per credit hour. Other fees will vary according to course selection. Tuition adjustments may be made only until the stated deadlines for dropping and adding classes. **Students will remain financially responsible for tuition for classes dropped after deadline.**

Drop/Add Fee

A non-refundable fee of \$30 for dropping or adding a course or courses after registration day. This fee will be charged each time a schedule is changed at the request of the student or administratively due to non-attendance. It will not apply if the change is made for the convenience of the College.

Matriculation Fee

A fee of \$600 for full-time students and \$300 for part-time students will be charged to provide for network expansions, upgrades, and student life needs each semester.

Late Registration Fee

A non-refundable fee of \$50 for students who register after the stated registration date.

Private Room Fee

A non-refundable fee of \$1,000 each semester for a private room when space is available.

Room Check-Out Fee

\$100 is applied when a student fails to follow appropriate procedures in the checking-out process.

Room Damage Fee

All damages in residence halls are charged to the person(s) responsible. If the person(s) responsible are not identified, damages in bedrooms are assessed to both residents of the room and damages in common areas are assessed on a pro-rated basis to all residents of the area. Damage fees are determined based on the replacement/repair rates.

Room Key Fee

A \$35 fee is charged to replace a lost key. Additionally, a \$35 fee will be charged for not returning a key when required (such as over a semester break). Anytime a request is made to unlock a room due to a lost or misplaced key a \$5 fee will be charged after the first incident.

Student Identification Card

Every student must have a student identification (ID) card. Students who purchase a meal plan will be issued a bar code on the ID card. There is no charge for the first ID card. In the event the card is lost, the student must purchase a duplicate at the cost of \$25.

Testing Fee

This is a non-refundable fee of \$10 per test for students taking the College Placement Exam (CPE).

Withdrawal Fee

A non-refundable fee of \$50 will be charged for the processing of an official, unofficial or administrative withdrawal. Registered students who have not attended class and have not contacted institutional officers will be automatically withdrawn on the published last date for drop/add with a grade of "W" and not charged for any costs except for the withdrawal fee.

Graduation Fee

All degree candidates will pay \$150 to cover expenses related to the commencement exercises. Moreover, students who are candidates for graduation and do not appear for commencement exercises will not be eligible to receive their diplomas until graduation exercises the next year, unless they notify the Registrar's Office in advance of the graduation exercises of their desire to graduate in absentia. Participation in the annual graduation ceremony is not mandatory, but all degree candidates will pay the graduation fee. The fee covers the costs associated with the

ordering of diplomas, correspondence with applicants, provision of a graduation ceremony, cap and gown, and mailing diplomas to non-participants.

There are three graduation opportunities which include December, May and August, with May being the official graduation ceremony. Students who expect to graduate must do the following:

1. Request an audit during the term prior to the last term of attendance.
For example, if a student expects to graduate in May, the audit request must occur in the fall term.
2. Submit an application for graduation. The form is available online from the Registrar's webpage, and the deadline is posted there as well.

The graduation fee will be automatically charged to the student's account when the application is received. The student who does not complete all graduation requirements in the term he/she applies for graduation must re-apply during the term in which the degree will be earned. There will be an additional \$50 charge added to the original graduation fee. Students, who will earn more than one degree in the same term of graduation or in the same academic year, will pay an additional \$30 fee for the second diploma and tassel. Students who get one degree in an academic year and another degree in another academic year will pay the graduation fee for each year.

Applied Music Fee

\$200 per credit hour.

Library Fees

The fine for overdue books is \$.25 per day for regular books and a \$1 per day for reserve books. Students who owe fines to the library or who have overdue books will not be permitted to check out other materials until all charges are cleared. Students who lose books will be expected to pay a replacement fee of \$5 plus the cost of the book. Defacement or mutilation of library materials will result in a fine of \$50 and appropriate disciplinary action.

Collection Cost

If a student goes into default on his/her student account, interest will be added at a rate of 1½ percent per month (annual percentage rate of 18%). The College may disclose that the student has defaulted along with other relevant information to credit reporting agencies. Should it become necessary for BPC to turn the account over to a collection agency, the student will be responsible for all reasonable collection costs, attorney's fees, court costs, and collection agency charges, including contingency fees.

BUSINESS OFFICE POLICIES

Payments

All fees and charges are payable at the time of registration. Checks should be made payable to “Brewton-Parker College” and should be for the exact amount of the account balance. All payments should be remitted to the Cashier’s Office. Payment plans are offered by the College; contact Accounts Receivable for more information.

Bad Checks

Students will be charged a \$35 fee for the first and second returned checks (for any reason, e.g., insufficient funds, stopped payment, closed account, etc.). For all subsequent bad checks students will be assessed a fee of \$35 for each occurrence. If a third check is returned, students will lose their check writing privileges, and all further payments to the College will require cash, a money order, or a cashier’s check.

Unpaid Accounts

Students who have unpaid accounts may be required to withdraw from the College before the end of the semester and will not be eligible to receive transcripts or diplomas. Students with an outstanding balance on the bill from a prior semester will not be allowed to continue enrollment unless the account is paid in full or special payment arrangements have been made with the Business Office.

Refunds

Students who withdraw from College because of illness or other sufficient cause, and whose withdrawals are officially approved, may receive a refund as follows:

- Tuition: 100% will be credited if withdrawal occurs during the first week of classes. 50% will be credited if withdrawal occurs during the second week of classes. Not applicable to second session or summer classes. None will be credited after the second week of classes.
- Room & Board Fee: Room & Board Fee: For students who withdraw before the end of the fifth week of full-semester fall and spring classes, these fees will be refunded at a prorated amount for each remaining full week of the semester. After the fifth week of classes, there will be NO refund of room or board fees. For students withdrawing during the first week from summer sessions or from eight-week sessions within the fall or spring semesters, room and board fees will be refunded at 100%. After the first week of classes, there will be NO refund of room or board fees for summer or eight-week sessions.
- Other Fees: Most other fees are NOT refundable.

Students who receive Title IV funds (PELL, SEOG or Stafford loans) will be subject to a refund calculation as prescribed by the U.S. Department of Education's policy.

Students withdrawing from school must surrender their ID Cards to Accounts Receivable before refunds will be processed. Resident students who withdraw from school must complete a Room Check-Out Form and submit it to the Director of Residence Life before the refund request will be processed.

REFUNDS ARE ISSUED ONLY AS A RESULT OF AN ACCOUNT OVERPAYMENT. NO INSTITUTIONAL GRANTS OR SCHOLARSHIPS WILL BE REFUNDED TO A STUDENT.

Students who are suspended or expelled by the College are not eligible for any refunds. Students who leave the College when disciplinary action is pending or who do not officially withdraw are not eligible for any refunds.

Meal Plans

All resident students are required to purchase a meal plan. Commuter students may elect to purchase a meal plan. (See "Board Fee" under "Tuition and Fees" above.)

Guests

Guests may purchase meals in the college cafeteria at posted prices. Overnight guests in the residence halls pay a fee of \$10 per night to the Student Development Office and provide their own linen and personal care items. Approval of the Director of Residence Life is necessary. Moreover, any person who stays overnight is subject to all requirements relative to living in the dormitories. This includes commuting students.

Motor Vehicles

Every employee and student who brings an automobile or other motorized vehicle to BPC must register the vehicle with the College on the day of registration, and an official parking permit must be properly affixed to the vehicle. Violation of this requirement or traffic regulations will result in fines and the possible forfeiture of the right to drive vehicles on campus.

Other Regulations

All deposits must be paid in advance at the beginning of each semester.

All tuition charges, room and board, or other charges are subject to change at the beginning of any semester without prior notice.

No diplomas or transcripts will be issued until all accounts with the College are settled.

No cash money will be advanced to students and charged to their accounts.

Students who ask to apply Federal Work-Study earnings to their accounts must contact Human Resources to make arraignments.

Registration/Withdrawal

Students are considered registered when they enroll in a regularly scheduled class or classes (on-line or in person, after receiving approval of advisor) and at that time are considered to have created a binding financial obligation to the College. These obligations must be settled with the Business Office at the time of registration or no later than the first day of class. If students completely withdraw by the last day of the stated drop/add period, their charges will be reversed and refunds will be issued in accordance with the stated refund policy. Registered students who have not attended class and have not contacted institutional officers will be automatically withdrawn on the published last date for drop/add with a grade of "W" and not charged for any costs except for the withdrawal fee.

FAILURE TO ATTEND CLASS IS NOT THE EQUIVALENT OF WITHDRAWING. A STUDENT WHO ENROLLS IN CLASS, AND NEVER ATTENDS, AND DOES NOT WITHDRAW WILL BE OBLIGATED TO PAY IN FULL FOR THE CLASS.

Day Student Classification

BPC has two classifications of Mt. Vernon Students: Resident and Commuter. Resident students are those who reside in one of the residence halls on campus, all of whom are expected to take their meals in the Baron's Dining Hall. Commuting students are defined as those whose permanent residence is within daily driving distance of the campus, or who are married and have established a residence in the BPC area.

Health and Accident Insurance

BPC assumes no responsibility for students' medical expenses. It is the students' responsibility to obtain medical coverage.

Collection Costs

All costs not covered by financial aid are the student's responsibility. If the student does not follow the official withdrawal process as described in the BPC catalog and observe all deadline dates he/she will still be responsible for all costs even if the student did not attend classes.

If the student defaults on his/her student account, interest will be added at a rate of 1½ percent per month (annual percentage rate 18%). The College may disclose that the student has defaulted along with other relevant information to credit reporting agencies. Should it become necessary

for BPC to turn the account over to a collection agency, the student will be responsible for all reasonable collection costs, attorney's fees, court costs and collection agency charges, including contingency fees.

Minimum Balance Policy

In accordance with the Minimum Balance Policy Statement of the College, no billing statements or account refunds less than \$10 will be issued.

FINANCIAL AID

The Financial Aid Office assists the college in achieving its mission by helping students obtain funds for their education through promoting grants, scholarships, loans, and employment opportunities for qualified deserving students who would normally be deprived of a postsecondary education because of inadequate financial means. The primary responsibility for meeting college costs lies with the student and his or her family. BPC is committed to the belief that students should not be deprived of the opportunity of an education because of inadequate finances when alternatives are available.

Financial aid is available from three sources: the college, through its own funds and through endowments; the state of Georgia; and the Federal Government. Through a combination of grants, scholarships, loans and work-study opportunities, every effort is made to meet the student's demonstrated needs.

Financial aid awards made to students from funds received from sources outside the college, such as from federal and state funds, may be revised if those funds cannot be obtained from those sources. All financial aid award disbursements are contingent upon the College's receipt of funds.

ELIGIBILITY AND APPLICATION PROCESS

To receive financial assistance, a student must be enrolled in a certificate or degree granting course of study, be in good standing, making satisfactory academic progress (as defined later in this catalog), and not be in default or delinquent on any loan plan with the college, state, or Federal Government. Also, he or she must not owe a refund on grants previously received under the Pell Grant, the Federal Supplemental Educational Opportunity Grant (FSEOG), Georgia Tuition Equalization Grant (GTEG) or HOPE Scholarship. Students must be enrolled in at least twelve credit hours per semester to be considered full-time students and receive full financial aid benefits. Students enrolled part-time may be eligible for a pro-rated portion of their financial aid. All students applying for Direct Stafford Loans must be enrolled in at least six credit hours per semester. All institutional scholarship recipients should be enrolled full-time.

Brewton-Parker College uses the Free Application for Federal Student Aid (FAFSA). This form must be completed online at www.fafsa.ed.gov annually. The FAFSA determines your eligibility for federal aid including the Pell Grant, Stafford Loan and more. Georgia residents should also complete the Georgia Scholarship/Grant Application (GSFAPPS) in order to receive Georgia state funds including the Georgia Tuition Equalization Grant (GTEG), HOPE Scholarship and the Student Access Loan (SAL). This form must be completed online at www.GAfutures.org. Georgia residency documentation must also be provided.

PREFERENCE/DEADLINE DATES

Rather than operating under strict deadlines, the Financial Aid Office makes an effort to provide funds to students as long as funds are available. However, applications for financial aid should be submitted as soon as possible, and, because financial aid is awarded on a first come-first served basis, students are strongly encouraged to complete the application process prior to May. Students whose financial aid file is delayed run an increased risk of receiving a reduced award. A completed financial aid file includes the following:

- A processed Application for Admission (first year only) and granted admission to Brewton-Parker College.
- A valid Free Application for Federal Student Aid (FAFSA).
- Verification of application data (only if required).
- Completed IRS Tax Transcript or use of the IRS Data Retrieval Tool on the FAFSA, additional worksheets, and other relevant information (only if required).

All financial aid (excluding Pell Grants and Direct Stafford Loans) has limited funding. Students are encouraged to submit all application materials as soon as possible.

DETERMINATION OF FINANCIAL AID

After all applications, documents, and other required papers have been turned in to the Financial Aid Office, awards (which might include a combination of grants, scholarships, loans, or work-study) are processed typically in about six weeks beginning early in April. Financial Aid award letters are sent after the processing is completed. The award letter will list all estimated awards based on the available information at the time of the award and on full-time enrolled student status (12 credit hours or more). If additional documentation is required, award amounts may be modified accordingly.

AWARD PROCEDURES

For financial aid programs where need is the factor in determining eligibility the awarding will flow as follows:

- Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Georgia Tuition Equalization Grant (GTEG)
- Hope Scholarship or Zell Miller Scholarship
- Student Access Loan (SAL)
- Federal Work-Study
- Outside Scholarships
- Institutional Scholarships and Grants
- Direct Stafford Loans
- PLUS Loans

CALCULATION OF FINANCIAL NEED

The Financial Aid Office at Brewton-Parker College helps students in obtaining assistance through grants, scholarships, loans and employment opportunities to meet their financial need. Financial need is defined for financial aid purposes as the amount of assistance that will be required to enable students to meet their educationally related expenses. This amount is determined by subtracting from the projected costs the amount of the expected family contribution.

In order to comply with published regulations governing federal aid programs, Brewton-Parker College uses a needs analysis system approved by the U.S. Secretary of Education. The U.S. Department of Education provides the Free Application for Federal Student Aid (FAFSA) form free of charge. The FAFSA is used to determine the Expected Family Contributions from income and from assets with appropriate deductions and allowances to retain reasonable financial resources to sustain families.

The cost of attendance for a student is an estimate of the student's educational expenses for the period of enrollment. Tuition, fees, room and board are established by the institution's Board of Trustees each year. A current fee schedule may be found in the "fees and expenses" section of the catalog. Other expenses, such as personal/miscellaneous and travel, are determined by using the Bureau of Labor Statistics which reflect increases in the Consumer Price Index. Financial Aid awards cannot exceed the student's cost of attendance (budget). Institutional awards and loans may be adjusted.

WITHDRAWAL FROM THE COLLEGE AND RETURN OF TITLE IV FUNDS

Pursuant to the Higher Education Amendment of 1998, Public Law 105-244, funds paid toward a student's education are earned based upon the period of time the student remains enrolled during the semester. Unearned Title IV funds, other than federal work-study, must be returned. Unearned aid is the amount of disbursed Title IV aid that exceeds that amount of the Title IV aid earned prior to withdrawal.

KEEPING THE FINANCIAL AID OFFICE INFORMED

Students who are receiving financial assistance through the Financial Aid Office at Brewton-Parker College and who receive additional outside assistance must report this fact to the Financial Aid Office at once. Address changes and changes in the academic course load must also be reported to the Financial Aid Office.

SATISFACTORY ACADEMIC PROGRESS

Brewton-Parker College (BPC) is required by Federal Regulations to establish minimum standards of satisfactory academic progress (SAP), and the Financial Aid Office is required to review the progress of students in meeting the stated standards. The standards apply to all students who receive federal and state financial aid.

Athletic aid will be based on the requirements of the NAIA as well as the SAP policy.

Satisfactory academic progress is measured by two criteria: **GPA (Grade Point Average)** and **Pace**.

GPA: In order to comply with this component of the policy, students must meet the following requirements:

Minimum SAP Requirements*	
Semester	Minimum Cumulative GPA Required
1 st Semester	1.7
2 nd Semester	1.8
3 rd Semester	1.9
4 th and Following Semesters	2.0

*Credit hours calculated do not include courses numbered under 100.

There are limits on the receipt of state and federal financial aid that apply to students who are enrolled in developmental courses.

Students placed on academic suspension or exclusion will be declared ineligible to receive federal and state financial aid. Students who have aid terminated as a result of this component of the policy may be able to regain eligibility for aid after they are allowed to return to the college.

In order to regain eligibility, students must make a minimum of a 2.5 semester GPA while enrolled at least half time for an individual term. Students must continue to make at least a 2.0 GPA while enrolled at least half time until their cumulative GPA is raised to a 2.0. Failure to do so will result in final termination of eligibility for federal and state financial aid at BPC.

Pace refers to the number of hours earned within specified time periods. There are two measures of pace. First, students are required to earn credit for 70 percent of the hours attempted at the end of each semester. Pace is determined by dividing completed hours by attempted hours.

Second, students may attempt up to 150 percent of the hours required for their majors and degree. Students will be declared ineligible to receive federal and state financial aid once they have earned 150 percent of the number of hours required in their majors. For example:

Degree Requirements*	Maximum Time Frame
123 hours	184.5
136 hours	204
144 hours	216

*Semester hours calculated do not include courses numbered under 100.

There are limits on the receipt of state and federal financial aid which apply to students who are enrolled in developmental courses. However, if a student is in jeopardy of exceeding the maximum number of allowable credit hours because of a change in his/her course of study, a double major, or a second degree, financial aid may be extended upon receipt of proper documentation of said change.

Hours attempted include all hours in which students remain enrolled after the expiration of the drop/add period for any term. Grades of A, B, C, and D count as hours earned. Grades of F, W, WP, WF, I, and Y do not count as hours earned. Courses repeated with a passing grade are counted twice both in determining hours earned and the cumulative GPA. Students who fail to meet the minimum standards will be declared ineligible to receive federal and state financial aid until they meet the indicated standards. Dropped courses count toward the total hours attempted and could possibly jeopardize the receipt of federal and state financial aid.

Only credit taken at BPC or accepted by BPC will be counted in determining compliance with the minimum standards of satisfactory academic progress (SAP). The pace component will be reviewed at the end of each semester. If at that time the student does not meet the minimum 70 percent pace requirement, the student will be placed on Financial Aid Warning.

Satisfactory academic progress (SAP) will be reviewed at the end of each semester. At that time, if the student has not met the minimum requirements for his/her grade level, the student will be placed on Financial Aid Warning. During this semester the student will remain eligible for federal and state financial aid. The student will be informed in writing of the deficiency and encouraged to meet with the Counseling Center to arrange for assistance. The Counseling Center will be given a list of the students who are placed on Financial Aid Warning.

The second consecutive semester a student fails to meet the standards of academic progress, the student will be placed on Financial Aid Suspension/SAP Suspension and will no longer be eligible for federal and state financial aid. Students placed on financial aid suspension may still be eligible to attend BPC.

Any student who loses financial aid eligibility may appeal the decision by following the “SAP Suspension Appeal Process” described below, or by attending school, using his/her own resources, until the 70 percent pace has been achieved.

Students must meet both standards of academic progress, GPA and Pace. Academic progress is checked at the end of each semester. A student may be placed on Warning or Suspension based on GPA, Pace, or a combination of the two.

SAP Suspension Appeal Process

A student may appeal a financial aid suspension by filing an appeal with the Financial Aid Office. This appeal should be based on:

- Injury or illness of the student
- Death of a relative
- Other mitigating circumstances (including but not limited to serious illness and injury which require extended recovery time or significant improvement, the death or serious illness of an immediate family member or significant trauma in the student’s life that impairs the student’s emotional and/or physical health).

Supporting documentation must also be included with the appeal (if applicable), for example, doctor statements, injury reports, death certificate of relative, and any other information that will help explain the reason for the appeal.

Appeals should be sent to the Financial Aid Office, Attention: Financial Aid Appeals Committee. The Director of Financial Aid will coordinate all appeals.

The Financial Aid Appeals Committee will meet on all appeals. The chair of the Financial Aid Committee may appoint a temporary replacement for a permanent member of this committee who is unable to attend a scheduled meeting. The Financial Aid office does not make any decisions on the appeals.

If the appeal is granted, an academic plan will go into effect by which the student will be required to meet and work with the Counseling Center.

Students whose appeals are granted will be placed on probation for a semester, and their academic progress reviewed at the end of the probation period to ensure that they have earned a minimum of a 2.5 semester GPA while enrolled at least half time for an individual term. The students must continue to make a 2.5 GPA while enrolled at least half time until their cumulative GPA is raised to 2.0. Also, such students must continue toward a 70 percent pace achievement rate.

If a student fails to meet the requirements of probation, including but not limited to the elements of the Academic Plan, then his/her probation will be revoked, the student will return to SAP Suspension status, and will no longer be eligible to receive any federal or state aid from Brewton-Parker College.

The Academic Plan

Students must make a 2.5 GPA or higher for the semester placed on probation, all courses must be completed, the student cannot fail or withdraw from a course during probation and the student cannot enroll in more than 12 hours. This is not a complete list of the requirements of the Academic Plan. Each student’s Academic Plan is different and must be followed accordingly to meet the requirements of the Counseling Center and the Financial Aid Office. The student must also be able to graduate within the 150% time frame.

Students may only appeal a SAP Suspension/Financial Aid Suspension twice during their academic lifetime at BPC. Each appeal must be for a completely different mitigating circumstance.

FINANCIAL AID AVAILABLE

Grants are outright gifts of money and are awarded on the basis of financial need. A student's financial aid package may include grant money whenever guidelines and funding levels permit.

Federal Pell Grant

Pell Grants are made available to undergraduate students who do not already have a bachelor's degree. The student's eligibility is determined by a schedule developed by the U.S. Department of Education. Students who are eligible for a Pell Grant must make satisfactory academic progress to receive this award. Students may apply for this grant by using the Free Application for Federal Student Aid (FAFSA). **Applications must be submitted annually.**

Any student who receives a Pell Grant will be asked to certify that he or she will not engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance during the period covered by the Pell Grant.

Brewton-Parker College is in compliance with the standards of the U.S. Department of Education regarding a drug-free workplace.

Federal Supplemental Educational Opportunity Grant (FSEOG)

The FSEOG provides gift aid to undergraduate students who do not have a bachelor's degree. Grants are awarded to needy students who could not attend college without financial assistance. Students may apply for this grant by using the FAFSA application annually. Students who are Pell Grant eligible are automatically eligible for the FSEOG. FSEOG funding is limited and awarded on a first come, first served basis until exhausted.

Federal Work-Study

This program provides part-time employment for U.S. citizens and permanent residents who have demonstrated financial need on the FAFSA. The maximum amount a recipient can earn under this program is determined through an evaluation of the FAFSA. General wage policies are established by the college within the guidelines established by the U.S. Department of Education. Work-study students are paid on an hourly basis and are not eligible for fringe benefits such as holiday, vacation, or sick pay. They are also not eligible for unemployment. The majority of jobs are limited to on-campus positions.

Georgia Tuition Equalization Grant

The State of Georgia provides a grant to Georgia citizens who attend private colleges in Georgia. The amount of the grant is determined by the State Legislature. Eligible students must enroll for a minimum of 12 academic hours. The Georgia Scholarship/Grant Application (GSFAPPS) must be completed online at www.GAfuture.org. Georgia residency documentation must be provided to the Financial Aid Office.

Georgia HOPE Scholarship

The purpose of the Georgia HOPE Scholarship is to encourage and reward academic achievement of legal residents of Georgia at the postsecondary level by providing scholarships to

students who earn and maintain a 3.0 HOPE Grade Point Average (GPA) and are seeking a degree at an eligible Georgia college or university. Developmental Studies courses are no longer paid by the HOPE Scholarship program and do not count either as hours attempted or as a grade for the purpose of determining a student's HOPE GPA. Eligible students must enroll for a minimum of six academic hours. Students must complete the Georgia Scholarship/Grant Application (GSFAPPS) online at www.GAfutures.org. Georgia residency documentation must be provided to the Financial Aid Office. Additional information regarding the HOPE Scholarship may be obtained in the Financial Aid Office or through the Georgia Student Finance Commission in Atlanta.

Zell Miller Scholarship

The Zell Miller Scholarship program is for students who have demonstrated academic achievement and who are seeking a college degree. Generally, to become eligible, a student must graduate from an eligible high school with a 3.70 HOPE GPA and a minimum score of 1200 on the SAT or 26 on the ACT.

Student Access Loan (SAL)

Effective 2016-2017 (FY 2017), Georgia Student Finance Authority offers the Student Access Loan (SAL) Program for eligible students attending an eligible USG (University System of Georgia), Private or TCSG (Technical College System of Georgia) postsecondary institution in Georgia. The SAL is a 1% fixed rate loan, designed to assist undergraduate and technical college students who have a gap in meeting their educational costs. Students must complete the Student Access Loan Application online at www.GAfutures.org.

Applicants must have first applied for and exhausted all other student financial aid options including federal and state student loans, scholarship and grant programs, and Veterans Educational Benefits.

Institutional Scholarships and Grants

Brewton-Parker College makes available a number of institutional scholarships and grants to students of ability and need. Students must attend full time in order to receive these funds. These are not repayable as long as the student fulfills the requirements of each program. First-time students who have never before attended college may be eligible to receive either the Trustees Scholarship or Presidential Scholarship based on their SAT or ACT scores, but a combination of these awards is not allowed. Transfer students may be eligible for the Excellence, Achievement or Merit Scholarships based on their transfer GPAs. A student should contact Admissions or the Financial Aid Office for eligibility details.

General Requirements

- Applicants must be enrolled as a regular student and pursuing a full academic course load (twelve or more credit hours) per semester.
- The Financial Aid Office coordinates all scholarships and grants.
- All scholarship and grant recipients who are U.S. citizens or permanent residents must apply for federal student aid by completing the Free Application for Federal Student Aid (FAFSA) each academic year.

Scope and Purpose

Brewton-Parker College scholarships and grants are designed to help students pay their tuition and fees, on campus room and board charges, and textbook charges. Though students may be allowed to live off-campus, in accordance with college policy, costs of off-campus living and transportation will not be financed, either in part or in full, by institutional financial aid. Broad demand for limited scholarship and grant funds requires the college to limit the total amount of institutional aid (scholarships and grants) awarded to any given student. While a student may be eligible for several types of institutional aid, the combined total of these funds awarded to the student will not exceed established limits.

Although recommendations for scholarships and grants are made by various departments and offices, actual award offers are made only through the Student Aid Award Letter issued by the Financial Aid Office.

Institutional awards cannot create a credit on a student’s account. Brewton-Parker College will apply institutional funds to a student’s account to cover costs. Once these charges have been covered, any Brewton-Parker College funds remaining on a student’s account will be returned to the appropriate college fund. This adjustment will be made at the end of the drop/add period. In a case of disputed charges, the Financial Aid Committee will make the final decision.

Brewton-Parker College reserves the right to change all policies concerning the awarding of financial aid and scholarships without notice due to financial and regulatory considerations and changes.

Federal Direct Stafford Loan Program

These loans are secured through the U.S. Department of Education. To be considered for this loan, a student must file an Application for Federal Student Aid (FAFSA). Direct Stafford Loans require at least half-time enrollment (6 hours).

Both subsidized and unsubsidized loans have the same terms and conditions, except unsubsidized loan borrowers are responsible for interest that accrues during all in-school deferment periods.

Annual and Aggregate Loan Limits

Direct Stafford Loans have an annual academic year maximum and an overall aggregate limit. These limits are based on dependency status as determined by the U.S. Department of Education via the Free Application for Federal Student Aid (FAFSA).

Dependent Status Maximum Federal Stafford Loan

Annual Limits	Subsidized	Total (Subsidized & Unsubsidized)
Year 1 (0-30 credit hrs.)	\$3,500	\$5,500
Year 2 (31-60 credit hrs.)	\$4,500	\$6,500
Years 3, 4, & 5	\$5,500	\$7,500

Independent Status Maximum Federal Stafford Loan

Annual Limits	Subsidized	Total (Subsidized & Unsubsidized)
Year 1 (0-30 credit hrs.)	\$3,500	\$9,500
Year 2 (31-60 credit hrs.)	\$4,500	\$10,500
Years 3, 4, & 5	\$5,500	\$12,500

Aggregate Limits	Subsidized	Total (Subsidized & Unsubsidized)
Dependent Undergraduate	\$23,000	\$31,000
Independent Undergrads & Graduates whose parents can't get PLUS	\$23,000	\$57,500

The interest rate for all borrowers is determined by regulation every July 1st. Contact the Financial Aid Office for current rates. Repayment begins six months after the borrower ceases to be enrolled at least half-time and/or graduates.

PLUS Loan Program

PLUS loans are for parent borrowers and, like the Direct Stafford Loan, are available from the U.S. Department of Education. This loan provides additional funds for education expenses. The PLUS enables parents to borrow up to the full cost of attendance less any other financial aid for each eligible dependent.

Interest rates are set by the U.S. Department of Education on July 1 of each year. Contact the Financial Aid Office for current interest rates. Repayment for a Direct PLUS Loan begins sixty days after the last installment of the loan for that school year. To be considered for the PLUS loan, a student must file the Free Application for Federal Student Aid (FAFSA).

Pickett and Hatcher Educational Fund

The Pickett and Hatcher Educational Fund, Inc. is a nonprofit, noncommercial educational trust fund created to assist full-time undergraduate students in the fields of study other than law, medicine, or the ministry. Low interest loans with deferred payment are made to qualified residents of Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee or Virginia. Visit www.pickettandhatcher.org for more information.

DISBURSEMENT OF FEDERAL GRANTS, LOANS, AND INSTITUTIONAL FUNDS

All loans, grants, and scholarship funds are provided to the student by crediting the student's account. Disbursements of all financial aid, with the exception of Direct Stafford Loans, will not be disbursed to the student until after drop/add ends.

The U.S. Department of Education requires that first installments of a Stafford Loan be held until thirty days after the first day of classes for any undergraduate student who has not successfully completed the first year of the program of education in which the student currently is enrolled.

Brewton-Parker College will withhold and promptly return to the lender any Direct Stafford Loan disbursement not yet delivered to the student which exceeds the amount of assistance for which the student is eligible, taking into account other financial aid obtained by the student.

Instead of returning the entire disbursement, the college may return to the lender only that portion of the disbursement for which the student is ineligible.

STUDENT LIFE

Student services provided by Brewton-Parker College (BPC) are designed to assist students in accepting new responsibilities and in dealing with resulting difficulties. Students are afforded opportunities for leadership and governance through the Student Government and membership on various committees of the College. Students are encouraged to develop and display their energetic, creative interests and abilities through contributions to student publications, participation in musical groups, intramural and varsity athletics, dramatic productions, and variety shows. Group action and activity are further encouraged through the various social, religious, service, musical, athletic, and academically oriented clubs and organizations that are an active part of campus life.

ORIENTATION

An orientation program for freshmen and transfer students is provided to acquaint students as rapidly as possible with the services and opportunities available to them at the college and to involve them immediately in the activities of the College. The program is held immediately prior to registration each semester and all first-time freshmen enrollees are required to participate. New students who plan to enroll any semester should check the calendar in the catalog for dates of orientation activities.

TESTING

All incoming freshmen are required to take the Accuplacer test during orientation, or earlier, unless they are exempted by having earned high scores on the ACT and/or SAT. The purpose of these placement tests is to determine students' preparation for college on a standardized basis. Students who fail to achieve the required minimum score will be required to enroll in developmental courses prior to enrollment in college-level classes. Students who do not take the placement tests will not be allowed to enroll in any courses for which a developmental course may be a prerequisite.

SERVICES

Disability Support Services

The Office of the Provost, located in Gates Hall, works to serve students with disabilities by providing appropriate accommodations for qualified students on an individual basis. Students must provide the Provost approved testing results from a licensed, professional diagnostician. The testing must have occurred **within the last three years**. The test results must include a diagnosis and suggestions for accommodations that are appropriate for a college setting. Students who are eligible for disability support services must meet with the Provost at the beginning of each semester to discuss their needs and determine specific accommodations that will be provided.

Library Support Services

The campus library is open Monday through Thursday 8:00 a.m.-11:00 p.m., Friday 8:00 a.m.-5:00 p.m., and on Sundays from 2:00 p.m.-11:00 p.m. It houses offices, resources, study areas, a coffee bar, historical community archives and a 25-station computer lab. The library staff, full and part time, provides help with interlibrary loan and online databases, which include GALILEO, EBSCO, and ProQuest. Student ID cards serve as the student's library card. It is necessary that the student present this card each time that he or she wishes to check out any

materials or pay overdue fines. All books (except reserve books) may be borrowed for two weeks. A book may be renewed unless another borrower has placed a hold on it. Reserve books are so designated at the request of an instructor who wishes to assign them as supplemental or required reading. These books are located behind the circulation desk. Reserve books are circulated for a length of time set by the instructor.

Technology Support Services

Technology services are continuously being updated. High speed wired and wireless networks extend across the Mt. Vernon and Newnan campuses. MyWeb facilitates student registration, grade access, and faculty input. The College uses the Haiku online learning management system. Online and distance learning are supported with an online helpdesk at techsupport@bpc.edu. Live support is accessible by phone at (912) 583-3119.

Academic Support Services

The College provides supplemental instruction through academic support services at the Learning Center. All students seeking tutoring assistance should make contact with the Director of the Learning Center, located in the Cook Building. There is no charge for academic tutoring services through the campus Learning Center. Group and individual tutoring sessions are arranged through the Director. A designated place for tutoring is determined in order to best meet the needs of the students and the tutors. Tutors are upper-level students selected on the basis of academic achievement.

Counseling Center

BPC partners with *Road-To-Success*, based in the Cadle Building on the Mt. Vernon campus. Staff of *Road-To-Success* hold office hours on the main campus Monday-Friday from 9:00 a.m. until 6:00 p.m. Services are available to all students 24 hours a day/ 7 days a week through on-call arrangements. *Road-To-Success* provide psychological evaluations, psychiatry services, individual/group/family counseling, domestic violence counseling, substance abuse counseling, sexual victim/perpetrator counseling, and crisis intervention. To arrange counseling services, call: (912) 423-0498 or for after hours help: (912) 423-1000. Emails can be sent to roadtosuccess@windstream.net.

Dining Services

On campus dining services are managed through Chartwells. Meals are provided from 7:30 a.m.-7:00 p.m. in Baron's Dining and from 11:00 a.m. -11 p.m. in Lake Side Grill. Baron's Dining offers meal stations which range from hot line offerings, pizza, salad, deli to international cuisine. The Lake Side Grill offers sandwiches and on-the-go options.

Post Office

The campus post office offers a full range of postal services and supplies, as well as personal mailboxes for each student. The office also arranges private shipping services though FedEx and UPS.

Mentor Program

BPC's Campus Pastor and Student Development Team assist with a variety of issues such as roommate negotiations, relationship difficulties, stress management, spiritual needs, and life coaching. BPC's mission is to develop the whole student with the recognition that this happens both inside and outside the classroom.

ORGANIZATIONS AND SOCIETIES

At BPC, Campus Life is more than just attending classes and studying in the library. Our student body is active every week in intramural sports, service clubs, Christian organizations, collegiate athletics, and various other activities. The residence halls at BPC are more than just places to sleep; they can provide many opportunities for residents to become a part of the community and to create and encounter a variety of educational, cultural, and recreational experiences. A variety of staff is available to assist students in creating these experiences in the residence halls.

Student Government Association (SGA) - The SGA acts in the capacity of meeting student needs by working with the administration. It is open to all students who wish to have a voice on the campus of Brewton-Parker College.

Student Activities Council - The Student Activities Council is responsible for planning and coordinating student activities and entertainment for the student body. This group is open to all students who wish to volunteer their services to help in the planning and implementation of campus activities. A chairperson is elected by the student body to lead this organization.

Circle K – The Circle-K organization adheres to the following tenets:

- to emphasize the advantages of the democratic way of life;
- to serve on the campus and in the community;
- to cooperate with the administrative officers of the college;
- to encourage participation in group activities;
- to promote good fellowship and high scholarship;
- to develop aggressive citizenship and the spirit of service for improvement of all human relationships;
- to afford useful training in the social graces and in personality development;
- to give primacy to the human and spiritual rather than to the material values of life;
- to encourage the daily living of the Golden Rule in all human relationships;
- to promote the adoption and the application of high social, business, and professional standards;
- to develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship;
- to provide a practical means to form enduring friendships;
- to render altruistic service and build better communities; and
- to cooperate in creating and maintaining that sound public opinion and high idealism that make possible the increase of righteousness, justice, patriotism, and goodwill.

Orientation Team – Members of the O-Team are selected students who act as peer guides and counselors during orientation each year.

Baptist Collegiate Ministries (BCM) – This is a student led, Christ-centered, and church-related organization. It is sponsored by the Southern Baptist churches, associations, and state conventions. BCM is a fellowship of college students (open to everyone) who are concerned about their own Christian growth as well as the needs and concerns of the world around them. It is a program that provides opportunities for an inward journey of spiritual growth and an outward journey of service to others. BCM is a Christian witness both on and off the campus.

Through the BCM at Brewton-Parker College, students can be involved in Bible studies and discipleship groups, Christian fellowship, prayer partners, revival, creative ministry teams, retreats, annual state and national student conferences, international student ministry, summer missions, annual mission trips, and community ministry projects. The BCM operates through a Campus Minister, a leadership team (composed of 8 to 12 students who are elected annually), and a Baptist Student Ministry Association Committee.

Ministerial Association – MA includes all students preparing for some type of full-time Christian ministry. Meetings, which are usually of a devotional nature, are held weekly.

Fellowship of Christian Athletes – The purpose of this organization is to present to athletes and coaches and all whom they influence the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the Church.

The History Club – The purpose of the History Club is to promote and encourage interest in history among the members of the collegiate community through field trips, discussions, debates, lectures, and other activities.

Music Ensembles – Community Wind Ensemble, Voices of Truth, Concert Choir, and Praise Teams are open to students each fall and spring.

Science Club – The purpose of the Science Club is to undertake and promote activities to advance knowledge, understanding, and appreciation of science.

Student Professional Association of Georgia Educators (SPAGE) – SPAGE consists of Education majors. It helps prepare future educators for their leadership roles of tomorrow.

Glimpses of Truth -“Glimpses of Truth” is a student-lead theater arts ministry operated under the Communication program in cooperation with Baptist Collegiate Ministries. The purpose of “Glimpses” is to provide an opportunity for students to use speaking and drama skills in a performance setting outside of the college classroom experience. “Glimpses of Truth” aims to evangelize, encourage, minister, uplift, and exhort the Body of Christ. Although the programs are designed to entertain, all the messages bring a “glimpse of truth” with a Bible-based Christian purpose.

Intramural Athletics - The intramural program provides opportunities for the BPC family to participate in various sports-related events and games. These activities are organized for campus fun. They are advertised through the Student Services and Athletics offices.

Intercollegiate Athletics - Athletics has full membership in the National Association of Intercollegiate Athletics (NAIA), National Christian College Athletic Association (NCCAA), and the Southern States Athletic Conference (SSAC). We also have Associate membership in the Mid-South Conference (MSC) for wrestling. Members are listed on the NAIA and SSAC web site (www.naia.org & www.ssacsports.org). BPC supports intercollegiate teams for men in baseball, basketball, track and field, cross-country, golf, soccer, tennis and wrestling. The sports for women are basketball, dance, track and field, cross-country, soccer, softball, tennis, wrestling, and volleyball.

Sigma Tau Delta – Members of this club are students who have achieved a high level of scholarship in the area of English.

Beta Psi Phi - This sorority provides female students an opportunity for fellowship while maintaining good morals and a support system for all members. This group seeks to promote understanding and peace among all cultures. The sisters of Beta Psi Phi strive to unite the students, commit to community services, and pledge to be Christian examples to all who come in contact with them. This sorority is open to all females from all cultures.

Pi Gamma Mu - Pi Gamma Mu is an honor society for students who excel in the study of the Social and Behavioral Sciences.

CHAPEL

Chapel is an integral and vital part of the experience of a student at BPC. Consistent with the College's mission, the regularly held Chapel services nurture a Christian environment and provide a corporate time of worship for students, faculty, and staff.

Chapel will be held fourteen (14) times each semester. All full-time Mount Vernon students are required to attend twelve (12) of the fourteen (14) services each semester.

Any student who does not attend the required number of Chapel services in any semester in which they are enrolled full-time must contact the Office of the Campus Pastor to be assigned a make-up activity in order to earn a "Chapel credit." Students who remain enrolled in future semesters can make up chapel absences by attending the twelve (12) mandatory chapels plus additional ones to receive "Chapel credit" for the semester in which the student was delinquent. Since Chapel is a requirement for graduation, diplomas and transcripts of academic credits will be held until attendance/make-up requirements are met.

All offices—including the library, cafeteria, snack bar, and post office—will be closed to students during Chapel. The dates for Chapel services will be chosen by the Chapel Committee in coordination with the Calendar Committee. Enforcement of these guidelines resides with the President and Campus Pastor.

Guidelines For Behavior During Chapel Programs:

When attending chapel programs, please respect others around you by:

- Not talking during chapel
- Not using a cell phone (ringing, vibrating, lighting up, text messaging)
- Not using IPOD/MP3 player, PDA, or any other electronic device
- Not leaving early, sleeping or appearing to be asleep, or doing homework
- Students should be seated at 10:00 a.m.
- No food or drink is permitted in Saliba Chapel
- No hats, visors, or "hoodies" should be worn by males or females in Saliba Chapel
- Pants should be worn above the hips and not sagging below the waist.

Students are encouraged to be attentive and respectful participants during the chapel experience. Failure to comply with these guidelines will result in loss of credit. Repetitive misconduct can result in strong disciplinary action.

STUDENT RIGHTS

Notification of rights under Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act of 1974, as amended, sets forth requirements regarding the privacy of student records.

FERPA governs the release of educational records maintained by an educational institution and affords students certain rights with respect to their educational records as follows:

- The right to inspect and review their educational records within a reasonable amount of time not to exceed 45 days.
- The right to request the amendment of their education records that they believe are inaccurate, misleading, or otherwise in violation of their privacy rights.
- The right to consent to disclosures of personally identifiable information contained in their education records, except to the extent that FERPA authorizes disclosure without consent.
- The right to block release of any or all personally identifiable information as directory information, which is not subject to the above restrictions on disclosure.
- The right to file a complaint with the U.S. Department of Education concerning alleged failure by Brewton-Parker College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is as follows:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, D.C. 20202-4605

Right to Challenge

Students may petition to amend a record or part of a record that they believe is inaccurate. They should specify why it is inaccurate or misleading. A hearing by an impartial review committee will be provided within a reasonable period of time and the decision will be given in writing within 45 days of the request.

Students may not use this hearing process as a means of contesting grades that have been granted, but they do retain the right to challenge whether a grade was correctly recorded. The Academic Complaints process should be followed for grade disputes.

Consent to Release Personally Identifiable Records

Consent must be obtained from students before personally identifiable records are released, with certain noted exceptions. These exceptions include requests from certain government agencies, from organizations conducting specified studies, requests pertaining to financial aid, requests from accrediting organizations, from parents of dependent students (pursuant to the Internal Revenue Code), and release of records required by judicial order.

Consent for the release of records must be in writing and must be signed and dated. Consent must include the names of the persons to whom the records will be sent and the reasons such persons are receiving them.

Civil Rights Compliance

Brewton-Parker College is in compliance with Title VI of the Civil Rights Act of 1964 and does not discriminate on the basis of race, color, biological birth gender, marital status, age, national origin, religion, disability, or status as a disabled veteran.

Brewton-Parker College is committed to maintaining compliance with all applicable federal, state, and local laws. Concerns regarding compliance issues should be directed to the college Compliance Officer (currently Professor Forrest Rich: frich@bpc.edu).

Student Complaint Policy and Procedure

Complaints Under Title VI & Title IX: Student complaints that pertain to discrimination or harassment based on race, color, national origin, or sex under Title VI of the Civil Rights Act of 1964 and/or Title IX of the Education Amendments of 1972 should be submitted to the college's Affirmative Action Officer for resolution in accordance with the college's Grievance Policy and, if necessary, by referral to the standing Grievance Committee. For information about submitting a complaint to the Affirmative Action Officer, please inquire in the Office of Academic Services.

Other Student Complaints: Student complaints pertaining to academic, disciplinary, housing, financial, or any other matters outside the jurisdiction of the Grievance Committee should be resolved in accordance with the following procedure.

1. Students first should relate any concerns or complaints to a staff member in the office or area from which the complaint arises. Complaints must be submitted in writing and signed and dated by complainant. For example, matters pertaining to residential or student life first should be reported to the appropriate Resident Assistant (RA), to the Dean of Students, the Director of Campus Housing, or other appropriate officer, while matters relating to faculty, classes, grades, or other academic matters first should be presented to the appropriate instructor, academic advisor, or division chair. The officer receiving the initial complaint will arrange to meet with the complainant and any alleged offenders in an effort to mediate an amicable and mutually satisfactory resolution to the complaint.
2. Any matter that cannot be resolved through mediation to the satisfaction of the complainant then will be referred by the officer receiving the complaint to the appropriate Vice President, Provost, or other Cabinet-level officer for further consideration, either through discussion or other informal conflict resolution proceedings or, ultimately, by referral to the standing College Appeals Committee for a formal hearing and final resolution. The College Appeals Committee policy and procedure is set forth both in the Student Handbook and in the Academic Catalog published online at the college's web site.

Should any student have a concern, complaint, or other grievance for which the above procedures do not adequately afford a remedy or avenue of expression, then the student may request a conference with the Provost for advice about appropriate redress. If the concern or complaint alleges an offense that involves the Provost or poses a conflict of interest for the Provost, then the student may request review by the President.

STUDENT RESPONSIBILITIES

College values and additional responsibilities are outlined in the Student Handbook. In accepting students for admission, Brewton-Parker College (BPC) makes several assumptions:

1. That all students, by the very fact that they have chosen BPC, thereby accept the standard of personal conduct which the college considers fundamental to group living and the educational process.
2. That all students assume personal responsibility for the honor of the college as an institution and agree to live in accordance with its standards. Disciplinary actions for rule violations are outlined in the Student Handbook. It is the responsibility of all students to become familiar with this information and to conduct themselves in accordance with the standards of BPC.
3. That whenever students demonstrate, in the judgment of the administration or faculty or its properly authorized committees, that they are unwilling or unable to demonstrate and maintain the Biblical standards of the college in academics or citizenship, or whenever students are found to be uncooperative members of the student body, or when the college feels it can do no more for the students, their period of residence at the College and privilege of class instruction may be terminated without specific charges by the Administration. BPC, a private educational institution, retains complete judgment as to students' fitness to continue to share the privileges of registration.
4. The College reserves the right to require withdrawal of students whose scholarship is not satisfactory, and those who are not regularly attending classes for which they are registered, or those who for any other reason are regarded as not conducting themselves in accord with biblical behavioral and relationship standards. Students who withdraw in good standing may return the next semester without formal readmission. Those who leave on probation are readmitted on probation.
5. That students permitted to keep or operate vehicles on the campus are required to register the vehicles with the Student Development Office, drive slowly and carefully, and operate the vehicle in accordance with specific regulations stated in the Student Handbook.

ACADEMIC STANDARDS

ADVISING

All students will be assigned to advisors based on their preferred majors and in accordance with efforts to achieve a balanced advising load among all faculty. Advisors help plan and approve students' programs prior to registration.

REGISTRATION

Students may register on-line or in person. ALL registrations require:

- A Written or Electronic Signature [usage of student ID]
- Approval of the Advisor

Registration is complete and binding once it has been approved by the advisor and entered into the College database. If the student has any bar to registration, the process will not be completed. When the registration is complete, it will display on the student's personal page in MyWeb.

Students may not sit in a class until:

- Their registration displays on MyWeb
- They have been cleared by the Registrar

Registered students who have not attended class and have not contacted institutional officers will be automatically withdrawn on the published last date for drop/add and not charged for tuition and fees except for the withdrawal fee and other expenses as determined by the Business Office.

NOTE: Second session classes can be added or dropped until the published drop/add date for second session. Students must make changes prior the drop/add period to avoid paying the drop/add fee.

Courses are designated by numbers which indicate roughly the year in which they should be taken.

- 100 level are primarily for freshmen
- 200 level are primarily for sophomores
- 300 level are for sophomores and juniors
- 400 level are for juniors and seniors

Two other designations are important to proper registration.

- Section Designation (A,B,C) indicates location, day, and time that the course will be offered in a certain class.
- Session Numbers designate whether a course is offered for the full 16 weeks or is taught in a compressed 8-week session during the first or second half of the semester. The cost and amount of credit earned will be the same; the pace will be faster in the shorter sessions.
 - Session I – First half, 8-week duration
 - Session II – Second half, 8-week duration
 - Session III – Full 16 week class
 - Special Sessions will be indicated in a key on the class schedule.

CHANGES IN REGISTRATION

Dropping or Adding a Class

Schedules may be changed after classes begin each semester during the drop-add period noted on the college academic calendar published both in this *Catalog* and on the college's web site. Generally, the drop-add period expires at 5:00 p.m. one week after the start of classes. To make such schedule changes students either must complete a "Drop-Add Request Form" (available in the Registrar's Office or by downloading it from the Registrar's Page on the web site) or they must complete the drop-add process in MyWeb.

In either case, such schedule changes first must be approved by an academic advisor (or the Registrar) and by the course instructor. The process is complete only upon a student's submission of the completed, approved form to the Registrar's Office, whether online or by hand-delivery to the office. "Drops" and "adds" are changes in a schedule after classes begin that do not involve complete withdrawal from the college. No student shall be permitted to drop or add any class later than the published drop-add date.

Prior to deadlines for completion of registration and payment arrangements published in the academic calendar for new and returning students, respectively, students making changes in their schedules incur no fee. However, after those deadlines, students will be assessed a late registration fee, and during the drop-add period after the first day of classes students also will incur a drop-add fee for each Drop-Add Request Form completed. Each completed form is considered a separate transaction, and previous transactions will have no bearing on the calculation of charges. Students receive no grade for classes dropped during the drop-add period, and upon its expiration students no longer may add classes to their schedule.

Withdrawing From a Class

"Withdrawal" from a class or classes is a change in a student's schedule after expiration of the drop-add period that does not involve complete withdrawal from the college. To withdraw from a class, students either must complete a "Withdrawal From Class Request Form" (available in the Registrar's Office or by downloading it from the Registrar's Page on the web site) or they must complete the withdrawal from class process in MyWeb. In either case, an official withdrawal from class first must be approved by an academic advisor (or the Registrar) and by the course instructor. The process is complete only upon a student's submission of the completed, approved form to the Registrar's Office, whether online or by hand-delivery to the office.

When a student withdraws from a class after the drop-add period but before 5:00 p.m. on the published deadline for withdrawing from classes without grade point penalty, the grade of "W" will be assigned and the student incurs no penalty. Students withdrawing from classes after this deadline will receive the grade "WP" or "WF," as assigned by the instructor. Withdrawal from class during the final two weeks of class meetings during any session is not permitted. Students who stop attending class without officially withdrawing are subject to the penalty of failure for excessive absences.

Withdrawing from the College

After the start of classes students registered for that semester or session may petition the college for a complete withdrawal from all classes (and therefore from the college). To withdraw from

the college, students either must complete a “Withdrawal From the College Request Form” (available in the Registrar’s Office or by downloading it from the Registrar’s Page on the web site) or they must complete the withdrawal from the college process in MyWeb.

In either case, to withdraw from the college the student is responsible not only to complete the information requested on the form, but also for securing approval signatures from each of the offices listed on the form. The process is complete only upon a student’s submission of the completed, approved form to the Registrar’s Office, whether online or by hand-delivery to the office. Failure to complete the withdrawal from college process may result in failing grades and/or ineligibility for full or partial refund of tuition and specified fees. For refund purposes the date of withdrawal is the date the completed, approved form is submitted to the Registrar’s Office.

When a student withdraws from the college after the drop-add period but before 5:00 p.m. on the published deadline for withdrawing from classes without grade point penalty, the grade of “W” will be assigned and the student incurs no penalty. Students withdrawing from college after this deadline will receive the grade “WP” or “WF” in each class, as assigned by the instructor. Students who stop attending classes without officially withdrawing from the college are subject to the penalty of failure for excessive absences.

Changing Registration for Winter, Summer, and Other Short Terms

Drop-add and withdrawal deadlines for Winter Term, Summer Sessions I and II, the Summer Bridge Program, and other short or special terms that may be offered from time to time will be published with the class schedules for these terms, available in the Office of the Registrar or on the college web site.

STUDENT LOAD

Students’ loads are computed on the credit-hour value of the courses in their programs of study, whether taken on campus, off campus, or by distance learning. A normal load in a semester is 12-18 hours.

Under normal circumstances, students are not permitted to receive credit for more than 18 hours per semester, including physical education activity courses. Those desiring to carry academic loads in excess of 18 hours must secure approval from the Provost’s Office.

Students are not permitted to enroll in another institution for resident, correspondence, or extension courses while enrolled at BPC except in extraordinary cases when authorized by the Provost. If students enroll simultaneously at BPC and another institution without written authorization, no transfer or transit credit will be given by BPC for courses taken at the other institution.

GRADING SYSTEM

Letter Grade	Numerical Equivalent	Grade Point
A	90 – 100	4.0
B	80 – 89	3.0
C	70 – 79	2.0
D	60 – 69	1.0
F	59 and Below	0.0
I	Incomplete	
W	Withdrew prior to published deadline for withdrawing without grade point penalty (no impact on GPA)	
WM	Withdrew Military	
WP	Withdrew Passing (no impact on GPA)	
WF	Withdrew Failing (computed as “F” in GPA)	0.0
P	Passing	
EX	Excellent completion of developmental courses (not calculated in cumulative grade point average)	
S	Satisfactory completion of developmental courses (not calculated in cumulative grade point average)	
CP	Signifies continued progress in, but not completion, of developmental courses. A grade of “CP” is not included in calculating a student’s grade point average. Students receiving a “CP” grade in a developmental course must repeat the course in the next ensuing semester until course credit is earned.	
NA	Never Attended	
Y	Signifies that a credit grade (A, B, C, or P) has been deferred for one semester in a college-level course. A grade of “Y” is not included in calculating a student’s grade point average. Students receiving a “Y” grade must repeat the course in the next ensuing semester until course credit is earned.	

Changes in Grades

- The grade of “I” is assigned at the instructor’s discretion when students fail to complete a course as a result of illness or other acceptable reasons. An “I” must be removed within one semester following the close of the semester in which the “I” was earned. Failure to remove the “I” will result in an automatic “F” in the course.
- Requests to change other grades must be made by the instructor on official forms available to the instructor in the Registrar’s office, or the form may be accessed in MyWeb under faculty login. When a form is completed and signed by the instructor giving the reason for making the change, the Registrar will make the necessary correction on the student’s transcript, if approved by the Provost.

Grade Point Average

The grade point average (GPA) is obtained by dividing the total number of grade points earned by the total calculated hours. Grade points earned are as follows: A=4 points per credit hour, B=3 points per credit hour, C= 2 points per credit hour, D= 1 point per credit hour, and F = 0 points. All hours that appear on the BPC transcript are counted in computing the cumulative GPA except as provided in the next section on “repeating courses.”

GPA will be determined at the end of each semester of the students’ academic progress. The GPA is calculated as follows:

- Determine grade points earned by multiplying the grade point equivalent of each letter grade received by the semester hour credit assigned to the course for which the letter grade was earned (students who earn a grade of ”A” in a three-semester hour course would earn twelve grade points)
- Divide the sum of the grade points earned (grade point x semester hours) by the number of total calculated hours

To determine academic probation, only courses taken at BPC are used.

All hours taken at BPC and all hours accepted in transfer are counted for the purpose of determining eligibility for graduation with honors.

Grade Reports

Grades are posted on MyWeb at the end of each term. Grade reports will be mailed only by request. A fee may be assessed.

CLASSIFICATION OF STUDENTS

Freshmen: 0-29 credit hours

Sophomores: 30-59 credit hours

Juniors: 60-89 credit hours

Seniors: 90-plus credit hours

Full-time enrollment is at least 12 semester hours of course work; part-time is fewer than 12 hours.

STUDENT HONORS

Dean’s List

A Dean’s List will be published each semester. To earn this distinction, a student must be registered for a regular academic load of 12 or more hours and earn an overall grade point average of 3.6.

Awards

During the annual Honors Day program, the College awards certificates of recognition and achievement to students in selected areas. To be eligible for these honors, a student must be a graduating sophomore or senior and be recommended by the appropriate academic division or Office of the Registrar.

The Conrad-Shelby Award is made to the graduating senior having the highest scholastic average during six or more semesters at BPC.

The Dean’s Award is made to the student from an external campus that has the highest academic average.

Honors

The college grants the distinction of graduation with honors to those students whose academic work meets the following standards:

- Grade Point Average: 3.50 – 3.69: Cum Laude
- Grade Point Average: 3.70 – 3.89: Magna Cum Laude.
- Grade Point Average: 3.90 – 4.00: Summa Cum Laude.

All courses taken at and accepted in transfer by BPC are counted in determining eligibility for graduation with honors.

ATTENDANCE POLICY

Class attendance is essential to success in the instructional process. It is the responsibility of each instructor to enforce his or her attendance policy and to decide whether to excuse an absence. Faculty members will publish their attendance policy in each course syllabus. However, no individual faculty member may establish an attendance policy that penalizes a student for absences related to college-sponsored events, except in programs in which state licensing agencies or national accreditation standards establish required minimum classroom hours.

The Provost does not certify the legitimacy of any absences. Students who miss a significant amount of class (generally more than one week) and have documentation that helps provide verification of the legitimacy of the absences may provide that documentation to the instructor. If there are compelling privacy concerns, the Provost will review the documentation at the request of the student and/or instructor. If the documentation appears sufficient to establish verification of the legitimacy of the absences, the Provost will send a memo to the student's instructor(s) notifying the instructor(s) that the student has provided sufficient documentation of legitimate reasons for the absence. This memo will inform the instructor's decision regarding whether and/or how to accommodate or excuse any absences. The decision to excuse an absence, allow make-up work, or reschedule or make up an exam is entirely at the discretion of each faculty member or instructor.

Group Absences

Requests for approval of college trips for any group of students must be filed with the Provost's Office at least one week prior to the proposed departure, provided that the Provost in his/her discretion may accept late requests.

When approval of the trip is granted, the Provost will notify all faculty members immediately and request excused absences for the students whose names are submitted by the group's sponsor. All absences for College related activities that are approved by the Office of the Provost will be excused without penalty.

REPEATING COURSES

Only courses in which a "D" or "F" has been earned may be repeated at BPC in hopes of earning a higher grade. When courses in which students have made grades of "D" or "F" are repeated, the last earned grades are the official grades, and only the last earned grades are counted in computing the cumulative grade point average and in determining degree completion. However, the earlier grade(s) will always remain on students' transcripts.

Students planning to transfer should be aware that some institutions include all hours attempted and all grades earned, including courses that are repeated for higher grades, in computing the cumulative average.

ACADEMIC WARNING, PROBATION, SUSPENSION, AND EXCLUSION

Students are required to maintain acceptable minimum grade-point averages in order to remain in good academic standing at BPC. Written of Academic warning, probation, suspension, and/or exclusion will become part of the student's permanent academic record.

Reasonable academic progress is designated as follows:

Credit Hours Calculated*	Minimum Required Cumulative Grade Point Average
0-30 Hours	1.5
31-60 Hours	1.7
61-90 Hours	1.9
91-Above	2.0

* "Credit Hours Calculated" does not include courses numbered under 100.

The following steps are designed to inform students when they are performing unsatisfactorily and may need assistance in assessing their academic goals and progress.

1. A student who fails to make the necessary GPA as indicated in the above table will be placed on Academic Warning.
2. If the student does not make the required GPA the next term, he/she will be placed on Academic Probation for one semester. The student may continue to attend while on Probation.
3. If the necessary GPA is not made that semester, the student will be placed on Academic Suspension and barred from re-enrollment for one semester. After being out one semester, the student may re-enroll. The student may petition the Provost in writing to waive the term of suspension. If the petition is approved, the student must make a 2.0 GPA that term. Failure to do so will result in exclusion for one year as noted below.
4. Upon re-enrollment, the student must make a 2.0 grade point average each semester until the GPA is raised to the required level. Failure to do so will result in further exclusion periods as outlined below.

First failure: exclusion for one calendar year before returning

Second failure: exclusion for two calendar years before returning

Third failure: exclusion for two additional years before returning

All procedures concerning academic probation and exclusion apply equally to full-time, part-time, transfer, and special students. Students taking BPC 98 and 99 are not subject to the academic probation and suspension rules listed above, unless the student is also taking two or more non-developmental courses.

Students on academic probation or suspension are prohibited from representing the College in extracurricular activities or holding office in any extracurricular student organization. The Provost will use the following definition in implementing the policy: an extracurricular activity or organization is one that is not an integral part of a class in which the student in question is enrolled. The Provost will provide any necessary interpretation of the policy.

DIRECTED INDEPENDENT STUDY

Students may earn a limited amount of credit through directed independent study (DIS). A DIS course is permitted only if one of the following two criteria is met: (a) to provide interested students with training in a specialized area not covered in a regularly offered course, or (b) to offer a course required for graduation which is not available to the student in the regular class schedule. The student may take no more than four independent directed studies per academic year (fall, spring, summer) – one per regular semester, and no more than two in the summer. If taken in the summer, students may enroll in only one additional summer class while enrolled in a DIS. Directed independent studies include reading, writing, and research projects done under the direction of a college faculty member. Students desiring a DIS should submit a written request to the professor who will direct the study. The professor will provide the appropriate form to request permission to take the DIS. All proposals must be approved by the professor, the appropriate division chairperson, and the Provost prior to registration. A copy of the proposal will become a part of the student's permanent file.

Students should register for a DIS during the regular registration process. Deadlines will be strictly enforced. Assignments must be completed two weeks before the end of the semester or one week before the end of a summer term.

TRANSIENT CREDIT

Students in good standing at one college or university may take certain courses at another institution based on the home institution's approval. A student in transient status remains connected to his/her own institution, but may take a course elsewhere without having financial aid and transcripts transferred. It is particularly useful for students wanting to take courses near home during the summer or needing to pick up a course they cannot get at their own institution when it is needed.

The following procedures should be followed for ALL courses not taken at the home institution including online and distance courses.

1. Identify the courses you want to take outside your home institution.
2. Submit the name of the institution, the list of courses you want to take, and the term you want to take them to your Registrar.
3. Obtain a letter of good standing from your home institution Registrar listing those courses your school will permit you to take and transfer back to your own degree plan. (BPC students may submit a transient request online from the Registrar's webpage.)
4. Apply to the outside institution for admission as a transient student and submit the permission letter or form with the application. The Registrar's office will also mail the letter upon request.
5. Once you are accepted as a transient student, you may arrange with the outside institution to register for the classes listed on your permission letter.
6. It is your responsibility to follow the outside school's registration procedures and to arrange for the transcript to be sent to your home institution at the end of the term. Contact the Registrar's Office to determine procedures for both actions.
7. A transient student hold (TS) will be placed on your account if the Registrar's Office has not received an official transcript by the following term. A TS hold will prevent financial aid from being disbursed, registration for the next term, and the release of transcripts.
8. BPC students are allowed to take up to 18 hours as a transient per degree.

CREDIT FROM NON-TRADITIONAL SOURCES

Brewton-Parker College (BPC) accepts credits from all non-traditional sources recognized by the American Council on Education [ACE] and follows ACE recommendations in assigning credit hours. Non-traditional credit will not be assigned a grade equivalent and thus will not factor into the GPA. Examples of non-traditional credit accepted under ACE recommendations are AP, CLEP, DSST, military training and experience, and corporate training programs that have been ACE-evaluated. For further information on ACE and specific recommendations, call the Office of the Registrar. BPC accepts IB credit for scores of 4 or higher in the Higher Level Program.

Credit for postsecondary study from a school outside the U.S. is based on an evaluation by either a BPC evaluator or an approved evaluation service from the National Association of Credential Evaluation Services (NACES). For information on approved evaluation services, go to www.naces.org or call the Office of the Registrar.

A maximum of 30 semester hours of credit toward graduation, of which no more than 12 hours can be at the 300 or 400 level, may be earned on the basis of ACE-recommended credit.

Prior Learning

Prior Learning is an opportunity for adult students to receive college credit for personal and professional experiences that have provided learning outside a traditional classroom environment. BPC recognizes that adult students may have acquired learning through a variety of life experiences. The Prior Learning Portfolio provides students with an avenue through which these experiences can be translated into college credit. The evaluation of Prior Learning at BPC concentrates on experiences gleaned from three categories: (a) career or work experiences, (b) training experiences, and (c) life experiences. Contact the Office of the Provost for more information.

Exemption from Foreign Language Requirement

A student whose native language is not English and who provides evidence of completion of high school or college work in a language other than English is not required to take foreign language courses in order to satisfy program requirements. In order to qualify for this exemption, the student must pass English 101 and 102, and provide evidence of education in a language other than English. Students who are exempt from the foreign language requirement are required to make up the 6 hours by taking other courses of their choice.

Auditing Classes

Permission to audit classes may be granted on the following bases:

- The student must meet established admissions requirements of the college.
- The student must have the approval of the instructor and follow regular registration procedures.
- Any change from audit-to-credit or credit-to-audit must be approved by the Provost who will inform the instructor.
- No change can be made from audit-to-credit after the last day for drop/add.

ACADEMIC INTEGRITY

Purpose

As a Christian community of faith and scholarship, we at Brewton-Parker College (BPC) are committed to the principles of truth and honesty in the academic endeavor (2 Timothy 3:16). As faculty and students in this Christian community, we are called to present our academic work as an honest reflection of our abilities; we do not need to defraud members of the community by presenting others' work as our own (Mark 10:17-22). Therefore, academic dishonesty is handled with serious consequences for two fundamental reasons: it is stealing – taking something that is not ours; it is also lying – pretending to be something it is not. In a Christian community, such pretense is not only unnecessary it is also harmful to the individual and community as a whole. Cheating should have no place at a campus where all labors are informed by our faith because God desires us to be truthful with each other concerning our academic abilities. Only with a truthful presentation of our knowledge can there be an honest evaluation of our abilities. To such integrity, we as a Christian academic community are called.

The following acts are those we consider to be dishonest:

Plagiarism

It is presenting as your own work the words, ideas, opinions, theories, or thoughts of another which are not common knowledge. Students who present others' words or ideas as their own without fair attribution [documentation] are guilty of plagiarizing. Unfair attribution includes, but is not limited to, a direct quotation of all or part of another's words without appropriately identifying the source. It is also unfair attribution to have included a source within a citation page without having carefully cited the source within the text of the document.

Plagiarism also includes, but is not limited to, the following acts when performed without fair attribution: directly quoting all or part of another person's words without quotation marks, as appropriate to the discipline; paraphrasing all or part of another person's words without documentation; stating an idea, theory, or formula as your own when it actually originated with another person; and purchasing (or receiving in any other manner) a term paper or other assignment that is the work of another person, and submitting that work as if it were one's own.

Inappropriate Assistance

Giving or receiving assistance that has not been authorized by a faculty member in connection with any exam or academic work is academically dishonest. Students should assume that any assistance on exams, quizzes, lab work, etc., is unauthorized unless the faculty member involved in the exercise has approved it.

Examples of prohibited actions include, but are not limited to, the following: copying or allowing others to copy answers to an exam; transmitting, receiving, or in some form obtaining information during an exam that would offer answers within the framework of the material being tested; giving or receiving answers to an exam scheduled for a later time; students' completing for others or allowing others to complete for them, all or part of an assignment; and submitting as a group assignment work which was prepared by less than all of the members of that group. It is the responsibility of the student to inform an instructor of the lack of participation of one member of a group.

Lying:

Offering false information with regard to your performance in academic work is academically dishonest and in opposition to the Christian life. Such activity includes, but is not limited to, the following: giving false reasons for failure to complete an academic assignment; falsifying the results of laboratory work or other data; altering academic work after it has been submitted; altering grades, lab work, or attendance records; falsely signing another person as present when

he/she is absent in a class; submitting for academic advancement an assignment which has previously been submitted for academic advancement (unless so authorized by the faculty member supervising the work).

Theft:

Stealing or otherwise taking, in an unauthorized manner, information which relates to academic work is academically dishonest.

Procedures:

- *First Offense:* The student must be advised of the penalty within seven days of the discovery of the Academic Integrity infraction. The student will be issued the grade of zero on the assignment and will be required to submit to a mandatory counseling session with the Campus Pastor within a week of notification of the offense. The professor will inform the Office of the Provost of the offense, where it will become a part of the student's permanent record.
- *Second Offense:* The Office of the Provost will be notified of the offense, and the Professor will issue a grade of the zero on the assignment. Upon being informed by the Office of the Provost that this is the second Academic Integrity offense, the student will be dropped from the course and a failing grade will be recorded.
- *Third Offense:* The office of the Provost will be notified of the offense, and the Professor will issue the grade of zero on the assignment. Upon being informed by the Office of the Provost that this is the third Academic Integrity offense, the student will be dropped from the course, a failing grade recorded, and will be expelled from the College for a period of one academic year. Petition for redress should be made to the Appeals Committee.

APPEALS

Appeals of academic, disciplinary, financial, and any other matters designated by the President will be heard by the College Appeals Committee. [Appeals of persons who are denied admission to the college will be dealt with by the Admissions Committee.] The decisions of the Appeals Committee will be given to the Provost, at the discretion of the President, who will take final action in these and all other matters of appeals.

The appeals process will follow the timeline below.

1. Requests for review by the Appeals Committee must be made within seven calendar days of the time the students were notified of the action.
2. The appeals process must be completed within one semester following the original event that is being appealed. The Chairperson will schedule a hearing on the appeal within a reasonable time after receiving the appeal. The Committee will listen to an student only when, in the opinion of the majority of the Committee, the appellant can document in writing a basis for appeal. The basis must be one or more of the following:
 - Evidence that the person who made the original decision refused to hear all witnesses brought forward by the student.
 - Evidence that such person applied regulations not in effect.
 - Evidence that such person did not give due process of being attentive to the student's concern.
 - Evidence that such person rendered a decision contrary to evidence presented.
 - Evidence that the decision rendered was biased.
 - Evidence that the action taken was excessive for the charge made against the student.

3. The Appeals Committee will meet once a month or as needed to consider appeals submitted, unless the nature of the appeal is considered an emergency by the President, Provost, or the Vice President for Student Development. If the appeal is an emergency, the Chair will call a meeting as soon as possible.

If the appeal concerns an academic matter, the committee may consider (among other sanctions) requiring the student to complete an Academic Plan under the supervision of the Campus Counseling Center.

ACADEMIC BANKRUPTCY

Students who have earned very poor grades in one term of attendance due to extreme personal or financial difficulties may petition the College Appeals Committee for Academic Bankruptcy status for that one term. The bankruptcy term will be so designated on students' permanent records. Work attempted during that term will not be considered in calculating grade point averages at BPC, but it will remain on the permanent record. Students are cautioned that many colleges and universities will not honor another institution's bankruptcy policy, nor may certain medical, law, or graduate institutions.

1. At any point in students' college careers while enrolled at BPC students may request Academic Bankruptcy for one term of attendance.
2. The request will be made to the College Appeals Committee.
3. The burden is on the student to demonstrate to the College Appeals Committee that the particular term for which bankruptcy is petitioned was an extraordinary case.
4. If the College Appeals Committee approves the petition for bankruptcy, students forfeit credit for all courses in which they enrolled that term, and grades for that term are not used in computing the grade point averages, although they do remain on the permanent record. The permanent record will indicate clearly that Academic Bankruptcy was granted.
5. If students have been issued notification of academic suspension, Academic Bankruptcy cannot be claimed until fulfillment of the suspension and such students are again enrolled at BPC.
6. Once bankruptcy status has been granted, the action is irreversible.

REQUIREMENTS FOR GRADUATION

In order to receive a degree, a student must apply for graduation when he/she completes degree requirements. BPC confers degrees, grants diplomas, and annotates transcripts to reflect degrees earned at the end of each semester.

One annual graduation ceremony is held at the end of spring semester on the main campus. Participants are those who have or will have completed their degrees during that academic year [fall, spring, winter, and summer]. In order to be eligible to participate, the student must be pre-registered for all remaining classes in the summer semester.

The graduation fee is applied per term. The student who does not complete all graduation requirements in the term indicated on the graduation application must re-apply. Students will incur a graduation fee each time they reapply. Students applying for more than one degree must pay the fee for each application. There will be an additional \$50 charge added to the original graduation fee. Students who will earn more than one degree in the same term or academic year will pay an additional \$30 fee for the second diploma and tassel. Students who get one degree in an academic year and another degree in another academic year will pay the graduation fee for each year. BPC schedules commencement exercises only once per academic year at the end of

the spring semester. Students completing all requirements for graduation in August or December may participate in the next following commencement, but also may request prior to the ceremony a transcript that reflects their degree completion. Students who expect to graduate must do the following:

1. Request an audit during the term prior to the last term of attendance. For example, if a student expects to graduate in May, the audit request must occur in the fall term.
2. Submit an application for graduation. The form is available online from the Registrar's webpage, and the deadline is posted there as well. The graduation fee will be automatically charged to the student's account when the application is received. The student who does not complete in the term he/she applies for graduation must re-apply when the degree has been/will have been earned.

DEGREE PROGRAMS

DEGREES

Associate of Arts

The Associate of Arts degree program offers a two-year degree considered a threshold credential for workforce development in many standard professional settings. It serves not only as a gateway to entry-level employment in many fields, but also as a foundation for one of the following four-year degrees at Brewton-Parker or at any other senior institution.

Bachelor of Arts

The Bachelor of the Arts degree program affords students greater flexibility in exploring diverse subjects comprising the traditional liberal arts and sciences. In addition to a major field of study, students also will complete a breadth of course work in the humanities, the social and natural sciences, and language and fine arts, equipping them not only for productive life and work, but also for graduate and professional studies.

Bachelor of Business Administration

The Bachelor of Business Administration degree combines study of both the liberal and the practical arts in a focused professional degree program designed to equip students for problem solving and strategic planning in the global marketplace of commerce, products, and services. From the rigors of accounting to the creativity of entrepreneurship, students will explore the diverse aspects of effective administration in the fast-paced environment of modern business.

Bachelor of Ministry

The Bachelor of Ministry degree affords students preparing for Christian service in diverse mission fields a solid foundation in biblical, doctrinal, historical, and practical studies. Students will explore the scriptural mandate for meeting people at the point of their need both physically and spiritually by discharging our responsibility as ambassadors for Christ to fulfill the Great Commission.

Bachelor of Science

The Bachelor of Science degree is similar to the Bachelor of Arts degree, but requires a more focused specialization in a major field of study to the greater breadth of a general education. Students typically will explore subject areas more technical or procedural in nature that encourage detailed analysis over the broader critical approach to problem solving preferred in the liberal arts. From ecosystems to educational systems students will learn effective stewardship of both the natural and human resources that are the cornerstones of productive society.

DEGREE REQUIREMENTS

General requirements for Associate and Bachelor degrees are located in the Programs of Study section of this catalog. Requirements specific to each degree and major are recorded under the heading for that major. Applicable degree requirements are those in the Catalog at the time of original enrollment. Students who break their enrollment, other than for a summer or winter term, who then apply for and are granted readmission are subject to the degree requirements in the Catalog under which they are readmitted.

EXPLANATION OF TERMS

Unit of Credit

The College is organized on the semester system, each of the two semesters in the regular academic year covering a period of approximately sixteen weeks. The College offers many courses in 8-week sub-sessions, labeled as Session I and Session II. The full fall and spring semesters are designated as Session III.

The semester hour is the unit of credit in any course. It represents a recitation period of one seventy-five minute period two times a week for a semester. A course meeting two periods a week, or the equivalent, when completed satisfactorily, thus will give credit for three semester hours. Two laboratory or activity periods are the equivalent of one recitation class period.

Institutional credit is given for the successful completion of *Reading and Writing for College* (BPC 98) and *Fundamentals of Algebra* (BPC 99) in the developmental sequence of course work intended to prepare students for college-level work; however, such credit is not applicable toward degree programs at BPC or transferable to other colleges.

Electives

Selection of electives should be considered with the idea of complementing the desired major. Electives may be chosen from any of the course offerings, provided the required prerequisites have been met.

DIVISION OF BUSINESS AND COMMUNICATION

A recent survey of employers across the United States found that good communication skills were rated as the number one most important quality businesses are seeking in potential employees. Students studying for Communication and Business degrees at Brewton-Parker College learn how to communicate effectively both interpersonally and within a business environment. Communication provides the foundation for all other disciplines at the college. Business and Communication students develop analytical and creative media abilities, as well as problem-solving and communication skills that are at the center of a Christian liberal arts education.

In service to all students taking classes at Brewton-Parker College, the Division of Business and Communication seeks to achieve the following objectives:

1. Prepare students to be more effective communicators.
2. Ensure that students develop analytical and creative media abilities, as well as problem-solving and communication skills, which are at the center of a liberal arts education.
3. Assist students to learn about current business practices such as customer service, social media production and use, as well as creative skills in the areas of business management, public relations, and marketing.
4. Encourage students to recognize how to handle issues of cultural diversity, ethical dilemmas, and Christian integrity.
5. Support students in learning professional business practices through classroom experiences and internships for their chosen concentrations.
6. Assist students in finding jobs and participating in community service activities.
7. Foster an attitude of professional excellence in their business and communication practices inside and outside their academic and business careers.
8. Promote learning skills that allow students to feel confident in taking their knowledge of Jesus Christ as their Lord and Savior into the world to share the glorious gospel of salvation.

DIVISION OF CHRISTIAN STUDIES AND HUMANITIES

The Christian Studies and Humanities Division is rooted firmly in a strong Christian and liberal arts tradition committed to the discovery of truth in the world in which we live. Studies in language, history, the creative arts, and human culture will prepare students for a more abundant life through vocational fulfillment and Christian service.

In service to the overall academic program of Brewton-Parker College, and to major students within the Division, Christian Studies and Humanities seeks to achieve the following objectives:

1. Prepare students to explore and implement Christian ministry in their various vocations, and in their families and communities
2. Ensure that students practice excellent academic and professional writing skills, building on a foundation of close reading, clear analysis, and coherent and logical argumentation
3. Provide students with the scriptural, cultural, philosophical, and historical awareness to discern the ethical and moral implications of their professional and personal choices, and to recognize, respect and celebrate diversity of individuals and cultures
4. Encourage students to aspire towards excellence, primarily in understanding Jesus Christ as our model in all things, but also in exploring human achievements in history, the creative arts, and culture, particularly in the ways in which people in different times and places have witnessed to the Good News of Jesus Christ
5. Through our various disciplines and service courses, recognize that we live in a fallen world and provide the means to respond with compassion to human frailty and suffering

GENERAL ELECTIVES 12-15

DIVISION OF EDUCATION AND BEHAVIORAL SCIENCES

The Division of Education and Behavioral Sciences offers an undergraduate education embedded within the College's mission and core beliefs. Through blending liberal arts with the Christian faith, faculty members provide high-quality instruction coupled with a wide range of experiences to guide students in attaining and applying academic knowledge, skills, dispositions, theoretical perspectives, historical trends and current research in their chosen fields.

Education seeks to achieve the following objectives:

1. Assist teacher candidates in learning their subject matter and demonstrating knowledge of the learner.
2. Support teacher candidates in their development of appropriate personal habits and management skills needed to face the challenges of today's classrooms.
3. Encourage teacher candidates to become reflective practitioners who seek to instill in their students a love of lifelong learning experiences.

Behavioral Sciences seeks to achieve the following objectives:

1. Promote critical and creative thinking and investigative behavior.
2. Support student learning through the active internship program that equips all students through a hands-on internship in chosen concentration.
3. Foster a life-long practice of professional and personal service and giving through the student and faculty participation in community service projects that grow out of the Behavioral Sciences program.

DIVISION OF MATHEMATICS AND NATURAL SCIENCES

The purpose of the Division of Mathematics & Natural Sciences is to help students understand the design of God's creation through the study of the natural sciences. The core courses in this division are a part of the general education courses required for all students. The division teaches the contrast between data and opinion, as well as the difference between data and interpretation of data. It also aims to develop the student's analytical thinking skills, focusing on the application of mathematics and natural sciences to practical problems.

In service to the overall academic program of Brewton-Parker College, and to major students within the division, The Division of Mathematics & Natural Sciences seeks to achieve the following objectives:

1. All graduates of the Division of Math & Natural Sciences will receive an education at Brewton-Parker College that makes them competitive with peers with similar degrees from other comparable major programs in mathematics and natural sciences.
2. To provide academic programs that promote the development of professional scientists and provide opportunities for all students to enhance their understanding of the natural sciences and mathematics.
3. To prepare individuals for successful careers in research, technology, industry and teaching, and for graduate studies in science.
4. To serve the general education program through offering courses in astronomy, biology, chemistry, earth science, mathematics and physical science that provide a basic background for a baccalaureate degree, thus equipping these students with the skills to demonstrate mastery in their respective course(s) and intellectual competency required for broad-based effective performance in their chosen majors.

DIVISION OF ONLINE, DEVELOPMENTAL, AND EXTERNAL PROGRAMS

The Division of Online, Developmental, and External Programs, within the liberal arts curriculum, seeks to offer challenging and rewarding learning experiences with a Christian worldview.

The Division seeks to achieve the following objectives:

1. Foster holistic environments that allow students to prosper and thrive.
2. Encourage new avenues of learning for all students.
3. Provide academic and staff support to those who facilitate our learning experiences.

PROGRAMS IN THE DIVISION OF ONLINE, DEVELOPMENTAL, AND EXTERNAL PROGRAMS

ONLINE LEARNING PROGRAM

The Online Learning Program acts as the liaison between the Office of Provost and faculty to determine the programs and courses that are offered online. Our role is to organize, and support the development of our new online and web-supported courses, and online programs to benefit the entire BPC community.

STUDENTS OBTAINING ACADEMIC REWARDS (SOAR) PROGRAM

The purpose of SOAR is to improve student learning and engagement for incoming first-year students. This will be accomplished through the traditional Learning Assistance Program to better meet the needs of students who enter college under-prepared and also to improve the first year experience of all students.

SUMMER BRIDGE PROGRAM

The Summer Bridge Program helps students establish a solid foundation for future college success as they transition from high school to college. This is facilitated through personalized attention as students complete a full semester of college in six weeks.

PRISON PROGRAMS (WHEELER/JOHNSON CO.)

Postsecondary Education Program partnership with the Department of Corrections currently offering Political Science courses to inmates.

MOVE-ON-WHEN-READY (MOWR)

The MOWR program provides opportunities for eligible students in grades 9-12 to enroll part- or full-time in postsecondary institutions and take college courses to earn both high school and college credit.

COURSE DESCRIPTIONS

Art (ART)

ART 101 Drawing I

This course is a basic introduction to drawing materials including pencil, charcoal, crayon, pen and ink concentrating on still life, drawing from nature, and study of basic principles of Art. Weekly labs required.

Credit Hours: 3 **Prerequisite:** None **Availability:** Fall, Spring

ART 102 Drawing II

This course teaches varied approaches to drawing the figure, developing a visual vocabulary, building hand-eye coordination. The same basic materials as in ART 101 plus wash and watercolor. Weekly labs required.

Credit Hours: 3 **Prerequisite:** None **Availability:** Fall, Spring

ART 200 Art Appreciation

3 Hours

Students will gain the critical and analytical skills necessary to understand the importance of the visual arts in the breadth of human experience. Topics will include art history, aesthetics, methods of production, and the elements of art. Students will come to understand the relationship of both artistic skills and knowledge to the successful development of civilization.

Credit Hours: 4 **Prerequisite:** None **Availability:** On demand

ART 208 Ceramics I

This course is an introduction to the manipulation of clay, including hand-building, wheel-throwing, glazing and firing. Weekly labs required.

Credit Hours: 3 **Prerequisite:** None **Availability:** Fall, Spring

ART 209 Ceramics II

This course is a more in-depth exploration of the clay medium, including hand-building, wheel-throwing, and kiln-operation. Students will attempt to create a coherent series of pieces that will be an integral part of the annual exhibit.

Credit Hours: 3 **Prerequisite:** ART 208 or permission of the instructor **Availability:** On demand

Behavioral Science (BHS)

BHS 200 Introduction to Behavioral Science

This course will serve as an overall orientation to the Behavioral Sciences Program and is required for all freshman in the program. It will examine the stages of the helping process; it will focus on struggles and anxiety of becoming a helping professional; and it will explore careers within the Behavioral Sciences.

Credit Hours: 3 **Prerequisite:** None **Availability:** Fall

Biology (BIO)

BIO 101 General Biology I

This course is the first part of a two-semester course sequence that covers an introduction to the general concepts that form our current understanding of the molecular and cellular basis of life. Emphasis will be given to chemical concepts and to structure and function of the cell, its metabolism, its DNA and chromosome structure, and of the mechanism of heredity, basic recombinant DNA technology, gene regulation, molecular genetics, transcription, and translation.

Note: Students failing to earn course credit for the lecture, must retake that course in the next semester or term for which the student registers until course credit is earned.

Credit Hours: 3 **Prerequisite:** None

Availability: Fall

BIO 101 General Biology I-Lab

This course is a laboratory course, with emphasis placed on basic biological chemistry, cell structure and function, metabolism, energy transformation, genetics and include microscope techniques.

Note: Students failing to earn course credit for the lecture, must retake that course in the next semester or term for which the student registers until course credit is earned.

Credit Hours: 1 **Prerequisite:** None

Availability: Fall

BIO 102 General Biology II

This course is the second part of a two-semester course sequence in biology. Diversity of life, plant and animal form and structure, animal systems, and ecology.

Note: Students failing to earn course credit for the lecture, must retake that course in the next semester or term for which the student registers until course credit is earned.

Credit Hours: 3 **Prerequisite:** BIO 101, or instructor consent

Availability: Spring

BIO 102 General Biology II-Lab

This course is a laboratory course with emphasis placed on organisms, biodiversity, plant and animal systems, ecology, and include microscope observations and dissections.

Note: Students failing to earn course credit for the lecture, must retake that course in the next semester or term for which the student registers until course credit is earned.

Credit Hours: 3 **Prerequisite:** BIO 101L, or instructor consent

Availability: Spring

BIO 150 Environment Science

This course is a presentation of the diverse issues related to the environment. Mechanisms of ecosystems, food production, natural resources, air and water quality, waste disposal and management, and other topics are discussed. The social, political and economic aspects of man's interaction with the natural environment are considered. This course may be taken as a Core Curriculum lab science. It may NOT be taken for credit as a Biology Major requirement. (Lecture 3 hours; laboratory 2 hours per week.)

Credit Hours: 4 **Prerequisite:** None

Availability: On demand

BIO 200 Scientific Research Methods and Techniques

This course covers the proper design and analysis of results derived from scientific experiments. The course will also include extensive discussions of each component of a scientific research paper including the presentation and interpretation of research results in graphs, charts and figures. Current research techniques will also be discussed.

Credit Hours: 3 **Prerequisite:** None

Availability: On demand

BIO 202 Human Anatomy and Physiology I

This course is an introduction to biological processes and terminology, followed by an integrated study of the structure and function of the human body including tissues, integumentary skeletal, muscular, and somatic nervous systems. This course cannot be taken for credit in Biology degree programs. (Lecture 3 hours; laboratory 2 hours per week.)

Credit Hours: 4 **Prerequisite:** BIO 101

Availability: On demand

BIO 203 Human Anatomy and Physiology II

This course is a continuation of the study of the anatomy and physiology of the organs and systems of the human body including autonomic nervous, endocrine, circulatory, digestive, urinary, reproductive, and respiratory systems. This course cannot be taken for credit in Biology degree programs. (Lecture 3 hours; laboratory 2 hours per week.)

Credit Hours: 4 **Prerequisite:** BIO 202 or consent of the instructor **Availability:** On demand

BIO 205 Invertebrate Zoology

This course is a study of the classification, morphology, physiology, and natural history of the invertebrate phyla. (Lecture 3 hours; laboratory 2 hours per week.)

Credit Hours: 4 **Prerequisite:** BIO 101 and 102 **Availability:** On demand

BIO 206 Vertebrate Zoology

This course is a study of the structure, functions, interrelations, and natural history of the vertebrate animals. (Lecture 3 hours; laboratory 2 hours per week.)

Credit Hours: 4 **Prerequisite:** BIO 101 and 102 **Availability:** On demand

BIO 230 Medical Terminology

This course is an introduction to biomedical terminology through the study of prefixes, suffixes and root words.

Credit Hours: 3 **Prerequisite:** None **Availability:** On demand

BIO 250 Introduction to Microbiology

This is a course in general microbiology including study of fungi, algae, protozoa, viruses, but with special emphasis on bacteria. Students wishing to enter one of the various health care professions are encouraged to take this course in order to meet entrance requirements. (Lecture 3 hours; laboratory 2 hours per week.)

Credit Hours: 4 **Prerequisite:** BIO 101 and 102 **Availability:** On demand

BIO 300 Cell Biology

This course is a study of origin, structure, chemical composition and functions of cells and their components and organelles. Studies of major physiological processes and cellular differentiation will also be included. (Lecture 3 hours; laboratory 2 hours per week.)

Credit Hours: 4 **Prerequisite:** BIO 200 or permission of the instructor **Availability:** On demand

BIO 310 Embryology

This course is a study of the processes of development in multicellular organisms with particular emphasis on the vertebrate animals. (Lecture 3 hours; laboratory 2 hours per week.)

Credit Hours: 4 **Prerequisite:** BIO 200 or permission of the instructor **Availability:** On demand

BIO 320 Comparative Vertebrate Anatomy

This course examines the vertebrate structure with detailed laboratory dissection, of representative forms. (Lecture 3 hours; laboratory 3 hours per week.)

Credit Hours: 4 **Prerequisite:** BIO 101 and BIO 102 **Availability:** On demand

BIO/CHM 338 Biochemistry

This course introduces molecules of biological importance. Topics include the chemistry of carbohydrates, lipids, proteins, nucleic acids, and enzymes and their role in metabolism. This course may count as both a biology elective and as hours toward the chemistry minor.

Credit Hours: 3 **Prerequisite:** BIO 200 and CHM 335 or permission of the instructor
Availability: On demand

BIO 400 Ecology

This course is a study of the interrelationships between organisms and their environment. Emphasis will be on general principles, populations, interactions and representative ecosystems. Field trips/field studies are part of the course. (Lecture 3 hours; laboratory 3 hours per week.)

Credit Hours: 4 **Prerequisite:** BIO 200 or permission of the instructor **Availability:** On demand

BIO 410 Genetics

This course is a study of the principles of genetics or heredity, including classical and molecular genetics. (Lecture 3 hours; laboratory 3 hours per week.)

Credit Hours: 4 **Prerequisite:** BIO 200 or permission of the instructor **Availability:** On demand

BIO 425 Topics in Biology

This course is a study of selected topics in biology. The topic will vary from year to year. Laboratory work and/or field trips may be required.

Credit Hours: 3-4 **Prerequisite:** BIO 200 or permission of the instructor **Availability:** On demand

BIO 430 Studies in Biology I

This course gives instruction in scientific writing and literature search. The student will choose a topic and write a proposal for an independent study that may include laboratory work and/or a field project.

Credit Hours: 2 **Prerequisite:** BIO 200 or permission of the instructor **Availability:** On demand

BIO 431 Studies in Biology II

This course is instruction in the use of computer software for statistical analysis and presentation of research results will be given. The student will conduct the independent study proposed in BIO 430. Written and oral presentations will be made of the study.

Credit Hours: 2 **Prerequisite:** BIO 430 **Availability:** On demand

Library Orientation (LIB)

LIB 000 Library and Information Resource Tutorial

This course is a tutorial that acquaints students with the basics of gathering information from the library in both print and electronic forms. Topics include an introduction to the Library of Congress Classification System, tips for finding items using the online catalog, and the use of full-text online databases. This tutorial carries no academic credit but is required for all transfer students admitted to a program of study at the college as a prerequisite for graduation. Students who successfully complete the tutorial during a registration period will receive a "P" grade, denoting fulfillment of this prerequisite. Students not completing the tutorial successfully will receive a "Y" grade. The grade "Y" carries no grade point penalty and denotes that a "P" grade has been deferred for one semester; students receiving a "Y" grade must repeat the tutorial in the next ensuing semester until the requirement is met.)

Credit Hours: 0 **Prerequisite:** Transfer Student

Availability: On demand

Mathematics (MTH)

MTH 98 Basic Mathematics

This course covers topics that include basic ideas of numbers, operations, and procedures to solve problems; representations of quantitative information; measurement and informal geometry; and the basics of logic. This course is required for Education candidates failing GACE Basic Skills - Mathematics. (Institutional Credit only – May not be used to fill any degree requirement and is not transferable)

Credit Hours: 2 **Prerequisite:** None

Availability: On demand

MTH 101 Using and Understanding Mathematics

This course covers topics that include principles of reasoning, problem solving using percentages, personal finance, probability, descriptive statistics, basic ideas of algebra, measurement and geometry, and mathematics as it applies to the arts.

Credit Hours: 3 **Prerequisite:** Two years of high school mathematics and a minimum SAT score of 430 on the Math portion of the SAT or a minimum score of 480 on the Math portion of the SAT or successful completion of BPC 99 **Availability:** On demand

MTH 102 College Algebra

Topics include solving equations, inequalities, and systems of equations; exponents; radicals; polynomial, inverse and rational functions and their graphs.

Credit Hours: 3 **Prerequisite:** Two years of high school mathematics and a minimum SAT score of 430 on the Math portion of the SAT or a minimum score of 480 on the Math portion of the SAT or successful completion of BPC 99 **Availability:** On demand

MTH 104 Elementary Statistics

This course includes descriptive statistics, an introduction to probability, confidence intervals, hypothesis testing, correlation and regression.

Credit Hours: 3 **Prerequisite:** MTH 101 or MTH 102 **Availability:** On demand

MTH 111 Precalculus

This course includes fundamental concepts of algebra, exponential, logarithmic, and trigonometric functions; analytic trigonometry; applications of trigonometry; vectors; and complex numbers.

Credit Hours: 3 **Prerequisite:** MTH 102 or approval of the Math division **Availability:** On demand

MTH 202 Foundations in Math for K-8 Teachers

This course is for elementary and middle grades education majors designed to help them connect mathematics and its application. Topics include problem solving, sets, whole numbers, integers number theory, rational numbers, real numbers, ratio, proportion, and percent.

Credit Hours: 3 **Prerequisite:** MTH 102 or another math course beyond that level **Availability:** On demand

MTH 203 Concepts in Math for K-8 Teachers

This course is for elementary and middle grades education majors designed to help them connect mathematics and its application. Topics include algebra, probability, data analysis, statistics, geometry, congruence, similarity, linear measure, area, and volume.

Credit Hours: 3 **Prerequisite:** MTH 151 or another math course beyond that level **Availability:** On demand

MTH 204 Calculus I

This course is a study of differential and integral calculus.

Credit Hours: 4 **Prerequisite:** MTH 111, or permission of instructor **Availability:** On demand

MTH 205 Calculus II

This course is a study of integral calculus, applications and infinite series.

Credit Hours: 4 **Prerequisite:** MTH 204

Availability: On demand

MTH 301 Foundations of Geometry

This course is a study of measurement, plane and space figures, and other geometric concepts.

Credit Hours: 3 **Prerequisite:** MTH 101 or 102

Availability: On demand

MTH 330 Mathematical Statistics I

This course is an introduction to probability, distribution functions and moment generating functions.

Credit Hours: 3 **Prerequisite:** MTH 205

Availability: On demand

MTH 331 Mathematical Statistics II

This course includes random sampling, presentation of data, confidence intervals, and tests of hypothesis.

Credit Hours: 3 **Prerequisite:** MTH 330

Availability: On demand

MTH 415 Modern Algebra

This course is an introduction to the study of the fundamental structure of algebra – sets, groups, rings and fields.

Credit Hours: 3 **Prerequisite:** MTH 205

Availability: On demand

Modern Languages (ML)

ML/SP 101 Elementary Spanish I

This course is an introduction to the basic elements of the Spanish language, including reading, speaking and writing, and an introduction to Hispanic culture.

PE 207 Sports Officiating

This course includes the techniques, rules, and roles of officiating sports.

Credit Hours: 3 **Prerequisite:** None

Availability: On demand

PE 208 Team Sports

This course acquaints the student with the basic methods of coaching team sports. Special consideration is given to training procedures, rules, philosophy, sport psychology, and sport pedagogy.

Credit Hours: 3 **Prerequisite:** None

Availability: On demand

PE 209 Individual/Dual Sports

This course acquaints the student with skill development, theory and coaching skills for a variety of individual and dual sports.

Credit Hours: 3 **Prerequisite:** None

Availability: On demand

PE 309 Prevention and Care of Exercise Related Injuries

This course is designed to provide sport and fitness studies majors with the basic knowledge, skills, and abilities necessary for the prevention, treatment, and rehabilitation of injuries related to physical activity.

Credit Hours: 3 **Prerequisite:** PE 206 or permission of instructor

Availability: On demand

PE 310 Fitness Research and Testing

This course is a survey, evaluation, and application of health-related fitness and physical education tests. Administration and critique of appropriate measures of content and skill performance, and software for administrative and instructional programs are included.

Credit Hours: 3 **Prerequisite:** PE 206

Availability: On demand

PE 315 Wellness and Healthy Lifestyles

Developing healthy lifestyles through health appraisal, fitness evaluation and individualized exercise prescriptions.

Credit Hours: 3 **Prerequisite:** PE 206

Availability: On demand

PE 325 Sport and Fitness Management

Theories and practices related to the management of sport and exercise programs in community and corporate settings

Credit Hours: 3 **Prerequisite:** PE 315

Availability: On demand

PE 410 Techniques of Coaching

This course includes the philosophies of coaching, leadership, teaching techniques, team organization, sports strategies, preparation for events, and prevention and care of athletic injuries.

Credit Hours: 3 **Prerequisite:** PE 206

Availability: On demand

This course includes the methods and procedures for analyzing human motion and the fundamentals of mechanical principles as they apply to motor skills.

Credit Hours: 3 **Prerequisite:** BIO 203

Availability: On demand

PE 427 Motor Learning

This course studies the current theories and principles explaining motor behavior and the psychological factors related to and affecting motor skill acquisition and performance. Topics include learning theories, information processing, motor control, state of the learner, nature of skills, and instructional considerations.

Credit Hours: 3 **Prerequisite:** PE 206

Availability: On demand

PE 450 Internship

This course is a supervised work experience designed to provide students practical learning experiences in fitness and wellness settings or in a coaching experience.

Credit Hours: 3 **Prerequisite:** None

Availability: On demand

Physical Science (PHY/SCI)

PHY/SCI 101 Introduction to the Physical Sciences

This course is a survey, by lecture/discussion, of topics in Chemistry and Physics. Lecture three hours, laboratory two hours per week.

Credit Hours: 4 **Prerequisite:** None

Availability: On demand

PHY/SCI 102 Introduction to Astronomy, Meteorology, & Geology

This course is an exploration, by lecture/discussion/experimentation, of the major concepts of Astronomy, Geology, and Meteorology. Wherever possible the material will be applied to Georgia. Lecture three hours, laboratory three hours per week; with field trips.

Credit Hours: 3 **Prerequisite:** None

Availability: On demand

PHY/SCI 111 Astronomy

This course is a study of the structure and organization of the universe, including a consideration of the motions of its components, stellar evolution and the instrumentation used by astronomers. Some labs will meet at night. Lecture three hours, laboratory three hours per week.

Credit Hours: 4 **Prerequisite:** MTH 101 or higher

Availability: On demand

PHY/SCI 121 Meteorology

4 Hours

This course is an introduction to the study of the atmosphere, weather and climate. Environmental concerns such as acid rain, climatic effects of carbon dioxide level, stratospheric ozone shield, will be discussed. Lecture three hours, laboratory three hours per week.

Credit Hours: 4 **Prerequisite:** MTH 101 or higher

Availability: On demand

Physics (PHY)

PHY 201 Classical Mechanics

This course is a study of the principles of mechanics, heat and sound. Lecture three hours, laboratory three hours, and one hour of recitation per week.

Credit Hours: 4 **Prerequisite:** MTH 111

Availability: On demand

PHY 203 Electricity, Magnetism, and Modern Physics

This course includes the study of light, electricity, magnetism, and nuclear physics. Lecture three hours, laboratory three hours, and one hour of recitation per week.

Credit Hours: 4 **Prerequisite:** PHY 201

Availability: On demand

PHY 221 Classical Mechanics

This course is a study of the principles of mechanics, heat and sound. Lecture three hours, laboratory three hours, and one hour of recitation per week.

Credit Hours: 4 **Prerequisite:** MTH 204

Availability: On demand

PHY 223 Electricity, Magnetism, and Modern Physics

This course is a study of light, electricity, magnetism, and nuclear physics. Lecture three hours, laboratory three hours, and one hour of recitation per week.

Credit Hours: 4 **Prerequisite:** PHY 221

Availability: On demand

PHY 260 The Physics of Music

This course is a physics course in which the principles of mechanics and wave motion are used to study the production of musical sounds and instruments which produce them. Lecture three hours, laboratory three hours of recitation per week.

Credit Hours: 4 **Prerequisite:** MTH 101 or MTH 102

Availability: On demand

Political Science (POL)

LOCATION INFORMATION

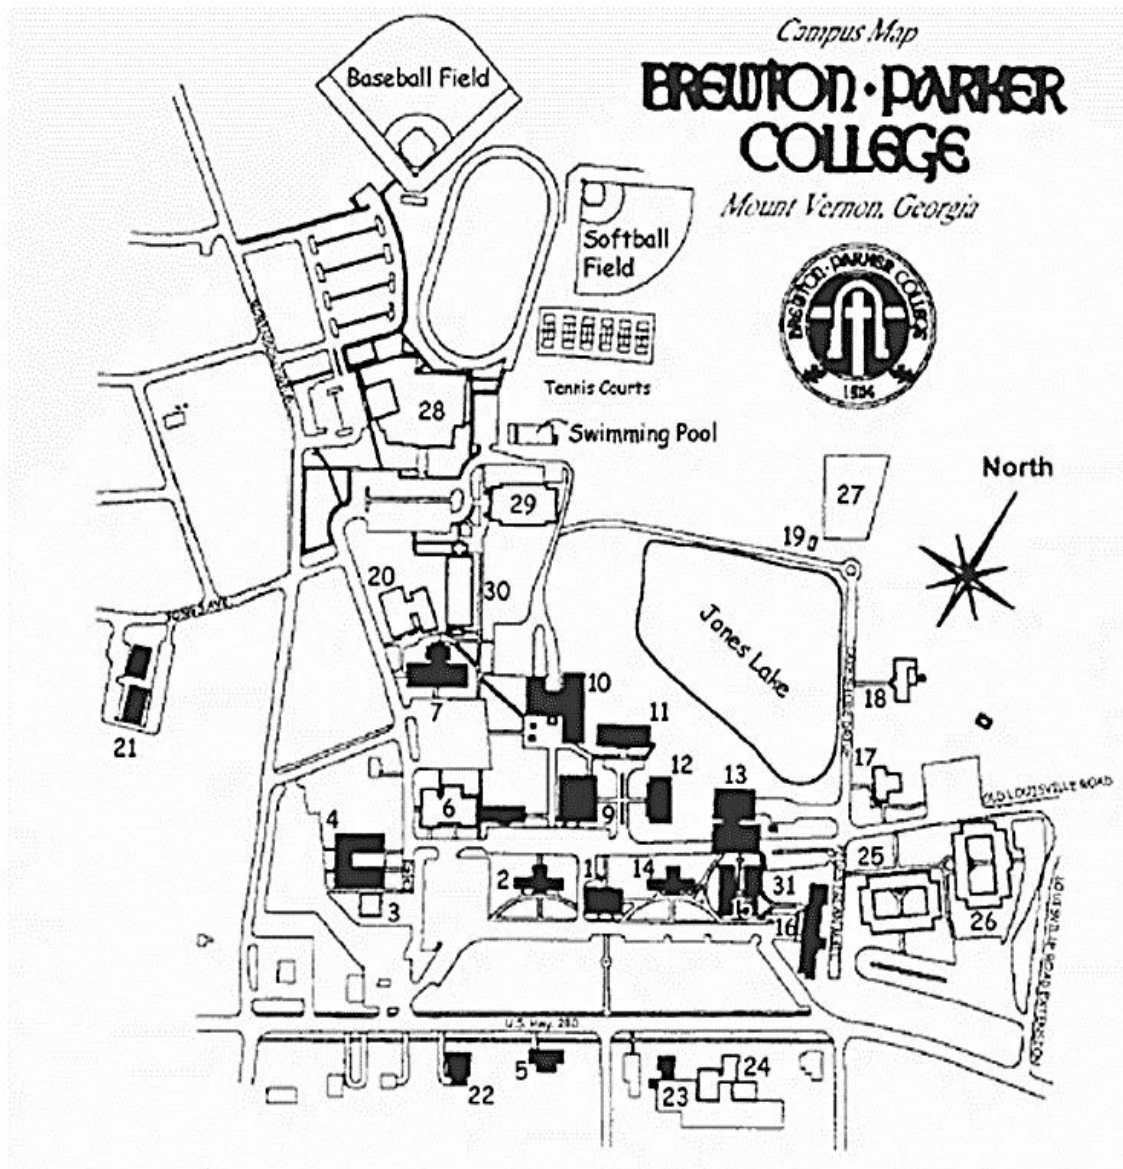

Brewton-Parker College (BPC)'s main campus is ideally located on Highway 280 in the adjoining towns of Mt. Vernon and Ailey, Georgia, about halfway between Macon and Savannah. The scenic 270-acre campus houses thirty-six buildings, outdoor athletic properties, and a five-acre lake situated within this tranquil rural setting. Mild winters and abundant rainfall provide a pleasant climate.

BPC's Newnan site is conveniently located at Unity Baptist Church, 311 Smokey Road, Newnan, Georgia. A friendly learning environment with individual attention from an excellent group of faculty work together to bring a Christ-centered education to a student body comprised of traditional and non-tradition students alike.

Baron Ridge

An upperclassman male dorm that sleeps 44 students in its double occupancy floor plan; received renovation in the summer of 2016 by volunteers from the Stone Mountain Baptist Association and the Southside Network through coordination with the Georgia Baptist and North American Mission Boards.

Briscoe Center

BPC purchased the Hughes house and property in 1990. In 1992 after renovations to the house and the addition of a 2,000 square foot wing, the building re-opened as home to the Baptist Collegiate Ministries program and was named Briscoe Religious Activity Center in honor of the late D. Eugene Briscoe, Director of the Georgia Baptist Department of Student Work.

Cadle Building

BPC purchased the Cadle house and property in 1958. In 1996, thanks to donations from Dr. Leonard Durrance and in partnership with Meadows Regional Medical Center in Vidalia, the Cadle house was transformed into the John W. McArthur Health Center, featuring the Durrance Clinic, which provided health services to the college and surrounding community. Today the McArthur Health Center serves as our Counseling Center.

Cook Building

In May 1962 dedication services opened the then Cook Science Hall, made possible by a substantial gift from the estate of Maria W. Cook of Hawkinsville. It was reported to be the largest gift that BPC had received to date at the time.

Dowling Hall

In 1996 BPC broke ground on Dowling Hall, thanks to contributions from Mr. and Mrs. Ed Dowling in honor of Mr. Dowling's parents, Wiley L. and Cordelia Thomas Dowling. In the summer of 2016, thanks to a donation from Mr. Ken Dowling, son of Mr. and Mrs. Ed Dowling, Dowling Hall was renovated and rededicated in memory of his parents W. Edwin Dowling and Primrose Palmer Dowling.

Fountain-New Library

In 1986 Brewton-Parker Professor Janie Fountain New and her husband, W. LaFayette New, of Elberton, Georgia, donated almost half of the needed funds for the new library. Construction began shortly thereafter and the picturesque, lakeside building was dedicated for the 1988-1989 Academic year in honor of both their parents as the Fountain-New Library.

Gates Hall

The main school building was erected in 1904. It was named in honor of Albert Martin Gates, President of Brewton-Parker from 1922-1941 and is the only surviving original building on campus. Renovations to the President's Suite were made in April 2002 by the generosity of Mr. and Mrs. Art Hall and Mr. and Mrs. William Brunson.

Jordon Business Building

Ground breaking ceremonies on the Jordan Building were held on January 10, 1987. Funding for the construction had come from the sale of First Union stock donated to the school by Dr. C.M. Jordan, Jr. The building was named for Mr. Jordan's father, Mr. C.M. Jordan, Sr., a prominent businessman in Wheeler County.

LeRoy Hall

This suite-style, double-occupancy male dormitory houses 106 young men. Originally named West Hall in 1967 for its location at the west end of the campus and in honor of the builder, Mr. Jay West. In 1994, BPC deemed it proper to rename the facility in honor of Mr. Jack LeRoy, active trustee since 1957 and an alumnus, class of 1938. LeRoy received updates and renovations in the summer of 2015 thanks to a generous gift by Chartwells Food Services.

McAllister Hall

McAllister Hall is the oldest women's residence hall on the Mount Vernon campus. The Hall received a \$1.5 million renovation in 2009 which was the first comprehensive overhaul of this building since it was completed in 1947.

Miller, Gilder, Stanley Music Annex

In January 1984 the College held dedication ceremonies for the Gilder Recital Hall and Miller Music buildings, the construction of the buildings were made possible through the funding of the “Make a Dream Come True” campaign. The building’s 24 rooms were all memorialized to individuals, families, businessmen, and foundations who helped fund the project. The Miller Building was wholly named in honor of Dr. W. Starr Miller and his late wife Sara Fallin Miller. Mr. R.T. Gilder Jr. and family gave a generous donation to the building of the college’s recital hall which was named in the family’s honor. In 2006 a \$1.1 million music center, an annex to the Miller Music Building, broke ground. Named the Hildegard Stanley Music Annex in honor of Hildegard Stanley whose influence has long been a cornerstone of Brewton-Parker College’s music education offerings since her hire in 1966.

Morgan-Moses Math and Science Center

Completed in 1995, the building was named in honor of two trustees who had been primary benefactors to the project: Mrs. Jean Morgan and Mrs. Margueritte Moses and became the thirteenth new building on the campus in the last twelve years.

Newton Building

Originally the Brewton-Parker Dining Hall erected in 1933; Newton became an administrative building in 1977 and was then renamed in dedication of Mrs. Ona Mae “Susie” Newton who bequeathed a large sum of money “to be used in the education of worthy young men and women in the pursuit of higher education”.

Palmer Building

Erected in 1933, originally the Terry Parker Library was remodeled and then renamed in 1987 to honor Dr. J.W. Palmer. Dr. Palmer, a physician who opened his medical practice in Ailey during the fall of 1899, was one of Brewton-Parker’s oldest and most dedicated friends. He served as the secretary of the Board of trustees from 1907-1955.

Parker Building

An alumnus of the class of 1911, H. Terry Parker funded the construction of what then was named the H. Terry Parker Library in 1961. In 1989 after completion of the Fountain-New Library, the Parker Building was renovated and transformed into classroom and office space.

Phillips Student Center

Built in 1966 and named after the eleventh president of Brewton-Parker, Dr. J. Theodore Phillips, the Phillips Student Center was thought to be large enough to accommodate the needs of student body growth well into the next century. The College, unprepared for the astronomical growth experienced in the following 25 years, expanded the building by 7,000 square feet in 1991.

Snooks Student Activities Center

Home to the Brewton-Parker Barons since 2004; the Bartow and Jean Snooks Student Activities Center was named to honor the longtime support to the College by the family of Bartow Snooks of Ailey, who graduated from the Brewton-Parker Institute's high school in 1935. The Hon. Jim L. Gillis, Jr. of Soperton and his brother, longtime state Senator Hugh M. Gillis, were honored with the official naming of the Snooks Student Activities Center's gymnasium in recognition of their significant gifts toward the center's completion.

Thompson Hall

The two floor, 100 bed, male dormitory, completed in 1984, was originally named East Hall, denoting its location on the east end of the campus. In 1991 the dormitory was renamed Thomson Hall in honor of significant contributions of two Ailey families: Herschel Van Buren and Edna Watkins Thompson and Thomas Glenn and Helen Thompson. Thompson received updates and renovations in the summer of 2015 thanks to a generous gift by Chartwells Food Services.
