

## Dress for Commencement Ceremony

**MEN:** Dress slacks, dress shirts with a collar, and dress shoes; coats and ties are optional.

**WOMEN:** A dress or skirt is allowed as long as the fit is not too tight or revealing and the length comes to the knees. Dress pants are also acceptable with a dressy blouse. **Please wear shoes of reasonable height.** High heels are not recommended due to safety reasons. The overall look should be professional.

**CAP AND GOWN:** The only adornment you may add to your commencement attire is to the top of your cap, and it cannot be distracting or inappropriate. You may not add or attach anything to your gown, nor may you wear any cords, stoles, or sashes that were not given to you by an entity of Brewton-Parker College. These items are reserved for honors bestowed upon a graduate by the college or a collegiate organization.
