INTRODUCTION

Brewton-Parker College (BPC) is committed to a policy of equal education and employment opportunities for all persons regardless of race, color, gender, age, national origin, religion, marital status, citizenship status, genetic information, veteran’s status or disability.

This edition of the Student Handbook supersedes all previous editions. Students are responsible for becoming fully acquainted with the BPC College Catalog, Student Handbook and other published policies and procedures and are responsible for reading the chosen modes of communication of the college. The college reserves the right to amend, modify, clarify, or add to these documents or the rules, regulations, policies, or procedures applicable to students, and to respond to, as well as, impose sanctions based on specific situations in a matter that the administration deems appropriate under the circumstances.

Brewton-Parker College desires to honor Christ by striving to do all things with characteristic excellence.

Brewton-Parker College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools, 1866 Southern Lane, Decatur, Georgia, 30033-4097 [(404) 6794501] as a four-year institution to award the Associates, Bachelor of Arts and Bachelor of Science degrees. Brewton-Parker College is a coeducational institution owned by the Executive Committee of the Georgia Baptist Mission Board (GBMB). The GBMB elects a board of 30 trustees, six chosen each year for a five-year term.

The Student Handbook outlines responsibilities of students enrolled at the college. The goals of this publication are to make students aware of general policies and procedures of the College and to assist in their academic, spiritual, personal and social development. Within the student handbook, you will find guidelines and standards of personal conduct, violations, and related penalties.

Brewton-Parker College does not tolerate any known incident(s) which may produce any psychological or physical stress to any of the residents, administrators, faculty, staff, or persons affiliated with the College. BPC does not participate or tolerate any lewd sexual behavior on the college campus, which may include but is not limited to verbal, sexual, physical, or psychological harassment. While individual religion preferences and freedoms are allowed and respected, practices that ignore basic ethical principles and Standards of Conduct (defined hereafter) will not be tolerated. Any harassment based on race, color, gender, age, national origin, religion, marital status, citizenship status, genetic information, veteran’s status, disability, or any other class protected under federal or state laws and regulations (“Protected Class”) will not be tolerated. We ask that you please be mindful that you chose to attend a Christian College and thus our student body should adhere to Christian values. This conduct is expected on or off campus or when engaged in off-campus activities.

It is the desire of the college’s administration that each student has an awesome and memorable collegiate and spiritual experience at BPC. The handbook serves as your guidebook to assist in this awesome collegiate and spiritual journey during your college career.

It is our expectation that students will adhere to our five Values:

Value 1: Respect for the Worth of the Individual
Value 2: Practice of Self-Discipline
Value 3: Practice of Academic Integrity
Value 4: Respect for Property and the Environment
Value 5: Respect for Community Authority

The college values are defined further in the handbook. The Division of Student Development & Success is responsible for maintaining the Student Handbook and ensuring that the information is current.
A Word from the President

The Brewton-Parker College Campus is a place where we attempt to live our Christian values in a community setting. The enclosed information is designed to provide the information students need to know for all available campus services. As a college campus, there are a number of laws and regulations that we want students to be aware of and to understand our commitment to fully comply with them. These are noted in our handbook for your convenience.

In keeping with our commitment to exemplify Christ in all that we do, we have listed our standards and the resulting consequences for various violations. Our motives are always redemptive, but actions that violate BPC values must be addressed. This handbook cannot account for the uniqueness of every situation. Students often do not have full information about why certain actions receive certain penalties. In other words, there is more to the story than they may know, and privacy requirements prevent administration from commenting on particular cases. It is important for all the BPC family to trust the process and know that there is every attempt to deal with each case according to its own merits. While we can never account for every act and every circumstance, it is hoped this handbook will add clarity to the expectations for students, staff, and faculty as we seek to exemplify Christ in every aspect of the academy.

As always, we exist to enable our students to have a transformational experience at BPC both academically and spiritually for the glory of God. Please know that faculty, staff, and administration are fully committed to this purpose and stand ready to do everything we can to assist our students and prepare them for the vocational and leadership opportunities that await them.

In His Service,

Steven F. Echols, President

Federal Laws
Brewton-Parker College
March 8, 2021

Policies and Procedures for Student Claims of Disability and Requests for Accommodation / Grievance
Procedures for Complaints of Denied Requests

Civil Rights Compliance Policy
Brewton-Parker College complies with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794) and is committed not to discriminate on the basis of disability in any of its policies, practices, procedures, programs, or activities.

Section 504 Accommodation Policy
Brewton-Parker College provides reasonable accommodations to qualified students with learning, physical, or other disabilities and impairments, whether chronic or temporary, under Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794), its implementing regulations at 34 C.F.R. Part 104, and other applicable state and federal laws. Pursuant to these standards the College will make such modifications to its academic and other requirements as are necessary to ensure that such requirements do not discriminate, or have the effect of discriminating, against qualified students on the basis of their claimed and documented disabilities.

However, notwithstanding the above policy, the College may decline a requested modification to any instructional (or directly related licensing) requirement that the College can demonstrate is essential to a student's degree program and would result in a fundamental alteration of that requirement. Declining to approve such a fundamental alteration will not be regarded as discriminatory within the meaning of Section 504 and its implementing regulations. In this case, the College will offer alternate modifications/academic adjustments that would not result in a fundamental alteration of the program, service or activity.

The following procedures describe the process the College uses in determining whether students with disabilities are entitled to auxiliary aids, academic adjustments, or other aids or services needed to provide them an equal opportunity to participate in the College’s programs and activities.

The Initial Conference
Disability support services are provided through the Office of the Provost and Senior Vice President (also serving as the Office of Disability Services), located on the first floor of Gates Hall at 201 David-Eliza Fountain Circle at the front of campus. Requests for accommodation should be directed to the Provost and Senior Vice President via email at <rbrian@bpc.edu> or by arranging an appointment either in person or by telephone at 912-583-3108. With this initial conference, the College will conduct an interactive process with the student, including requests for documentation supporting a claim of disability and consideration of prior evaluations, diagnoses, accommodations, academic plans, and other documents that promote informed decisions and optimal support for the student.

Documentation of Disabilities
In order to qualify for accommodation, students are responsible to provide, as necessary, current, diagnostic documentation of their disability or impairment from a licensed professional care provider qualified in the field relevant to a claimed disability or impairment. Examples of such care providers include physicians, clinical psychologists, athletic trainers, and others qualified to evaluate and diagnose specific conditions that impair learning, mobility, vision, hearing, and other major life functions.

In the case of chronic learning, psychological, or other disorders that may change over time, documentation must be current within three years. Note that “Individualized Education Programs” (IEPs) and “Section 504 Accommodation Plans” from high schools or transfer institutions of higher education, while they provide valuable background information, are not diagnostic documents and do not suffice as documentation of claimed disabilities.

Letter of Accommodation

Upon documentation of a qualifying condition, the Office of Disability Services will certify the student as a person with a disability entitled to accommodation and will provide a letter or memorandum detailing approved accommodations to course instructors, residence life and athletics staff, and other service providers on campus. Accommodations will be provided on an individual basis upon re-evaluation each semester or, in the case of temporary disability, for a shorter period to be determined based on the diagnosis. Auxiliary aids, academic adjustments or modifications, and other aids or services include but are not limited to the following:

- extended-time testing
- testing in an isolated or small-group environment
- dual-modality testing (including readers)
- large-print testing
- use of assistive technology in classroom
- use of note-takers
- one-on-one or small-group tutoring
- use of service animals
- extended time permitted for degree completion
- substitution of specific courses required for completion of degree requirements
- adaptation of the manner in which specific courses are conducted
- taped texts, interpreters, or other effective methods of making orally delivered materials available to students with hearing impairments
- readers in libraries for students with visual impairments

Accommodation Timeline

| Initial Conference | within five (5) calendar days of student's claim of disability and/or request for accommodation |
| Memorandum/Letter of Accommodation | within five (5) calendar days of initial conference or of the College's receipt of documentation of claimed disability or when class rosters are finalized at the end of the "Drop/Add" period |
Students granted accommodations will receive a copy of the letter or memorandum detailing approved accommodations. Likewise, any students who are denied requested accommodations will receive a copy of the decision in writing explaining the reasons for denial and the procedures available for appealing such decisions.

Grievance and Appeal Procedures for Complaints Arising Under Section 504

Student complaints that pertain to discrimination or harassment based on disability should be submitted to the College’s “Section 504 & Civil Rights Compliance Officer” for resolution in accordance with the College’s Grievance Procedures and, if necessary, by referral to the standing Grievance Committee. The College designates Ms. E. Lynn Addison, Associate Provost for External Programs, as an alternate to receive complaints filed pursuant to Section 504 if the Provost is the subject of the complaint.

In compliance with applicable law, Brewton-Parker College has developed the following procedures. The President periodically appoints the Compliance Officer, who receives complaints, helps mediate disputes, and facilitates forwarding of the complaints to the standing Grievance Committee when necessary. The College’s Grievance Committee has responsibility for hearing and making decisions on matters that cannot be resolved by informal mediation. Procedures are as follows:

1. All complaints must be written, dated, signed by complainant, and filed with the “Section 504 & Civil Rights Compliance Officer” of the College.

2. Initially upon receipt of a complaint the officer will conduct a preliminary investigation to gather and preserve available evidence, including relevant party and witness statements, photographs, videos, emails, texts, social media artifacts, and other documents or things.

3. The officer also will conduct informal efforts to resolve the complaint through interactive conversation with the complainant, defendant, witnesses, or others, or through informal mediation.

4. If the complaint cannot be resolved informally within five (5) calendar days, then the officer will schedule a meeting of the standing Grievance Committee to hear and decide the matter no later than ten (10) calendar days from the date the officer received the complaint.
5. All parties will be notified in writing of the date, time, and place of the meeting.

6. Complainant will be invited to state the nature of the alleged discrimination before the Grievance Committee and answer any questions the members may want to ask.

7. Any party to the proceeding has the right to present direct testimony through witnesses and/or any other relevant evidence in support of the party’s allegations or defense.

8. All parties will be given written notice of the Grievance Committee’s decision within five (5) calendar days following the meeting, including the basis for the decision.

9. Within seven (7) days of Complainant’s receipt of written notice of an adverse decision by the Grievance Committee, the parties may file an appeal with the standing College Appeals Committee. Like the original complaint, the parties should submit an appeal to the Provost and Senior Vice President or the alternate if the Provost and Senior Vice President is the subject of the complaint. See procedures for non-academic appeals to the College Appeals Committee at pages 67-68 of the Academic Catalog, published at [http://www.bpc.edu > Home > Registrar > 2020-2021 Catalog].

10. The officer will schedule a meeting for the College Appeals Committee to hear and decide the appeal no later than five (5) calendar days from the date the officer received the appeal.

11. All parties will be notified in writing of the date, time, and place of the appeal hearing before the College Appeals Committee.

12. In an appeal before the College Appeals Committee, each party will be accorded the same rights (described in Procedures 5-8 above) as were available when appearing before the Grievance Committee.

13. All parties will be given written notice of the College Appeals Committee’s decision within five (5) calendar days following its decision, including the basis for the decision.

14. Except upon presentation of new evidence unavailable at the time of the appeal, the decision of the College Appeals Committee will be final and not subject to review by college officials.

15. The College will take steps to prevent recurrence of any discrimination and to correct discriminatory effects on the complainant and others, if appropriate.

16. Publication of the above procedures will be made to all students and employees of Brewton-Parker College.

Statement of Integrity

Brewton-Parker College seeks to support and promote qualities of personal integrity. The college believes that all members of the community have the responsibility to participate in learning with honesty and integrity. Fundamentally, this principle asserts that faculty, staff, students, and administrators must fulfill the commitments we make as we enter our academic endeavors, and we must respect the learning process.

This respect includes, but is not limited to the following:

- A commitment to working hard at learning, both in class and out of class;
- A sense of the value that all members of the learning community can bring;
- BPC students have the right to request that the college correct records which they believe to be inaccurate or misleading. If BPC decides not to amend the record, the student has the right to a formal hearing. After the hearing, if the college still decides not to amend the record, the student has the right to place a statement with the record setting forth his or her view about the contested information.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify students annually of their rights under FERPA. The actual means of notification is left to the discretion of each school. The publication of this notice in this Student Handbook serves as the required disclosure to students. In the event students do not wish to have their directory information shared, students must provide written notice to the Office of the Registrar no later than the 1st day of classes.

College Non-Discriminatory Policy

Pursuant to Title IX, Part 86, Title VII, and Section 504 of the Rehabilitation Act of 1973, no person in the United States shall, on the basis of race, sex, color, religion, national origin, age, disability, or veteran status, be denied the benefits of, or be otherwise subjected to discrimination under any education program or activity administered by Brewton- Parker College; or in any term, condition, or privilege of employment. BPC does not discriminate against, or otherwise harass, qualified persons on the basis of Protected Class in its recruitment, admission, employment, facility, and accessibility or service. Furthermore, it is a violation of BPC policy for any employee or student, to harass another employee or student by making sexual advances, requests for sexual favors, and/or other physical or expressive behavior that may constitute a hostile environment. Harassment of any form is not tolerated. Students who think that they have been discriminated against, harassed, or otherwise had their rights violated shall make a formal, written complaint to the Office of Student Development and Success. The complaint should contain at a minimum the date and place of the alleged incident as well as names, addresses, and telephone numbers of all witnesses. The facts and context of the complaint should be documented.

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

Originally known as the Campus Security Act, the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998, commonly known as the “Clery Act,” is a federal law that requires colleges and universities
to collect information on campus crime and to publish and distribute such data along with designated institutional policy statements on safety and security to all current students and employees and to any applicant for admissions or employment, to meet the requirements of the legislation. The College publishes an annual report of campus crime statistics as well as periodic crime alert notices and reports. Copies of the report can be obtained from Campus Security located in the Newton Building or by visiting the Brewton-Parker College website at http://www.bpc.edu/administration/institutionalresearch/studentrighttoknow.htm.

Campus Sexual Violence Elimination Act
The Campus Sexual Violence Elimination Act, or Campus SaVE Act (SaVE), is a 2013 amendment to the federal Jeanne Clery Act. SaVE was designed by advocates along with victims/survivors of sexual violence and championed by a bipartisan coalition in Congress as a companion to Title IX that will help bolster the response to and prevention of sexual violence in higher education.

SaVE requires colleges and universities, both public and private, participating in federal student aid programs (covering virtually every campus in the United States) to increase transparency about the scope of sexual violence on campus, guarantee victims enhanced rights, provide for standards in institutional conduct proceedings, and provide campus community wide prevention educational programming. Incidents that affect the health, welfare and security of the college will lead to immediate expulsion. Any public display of affection will not be tolerated. The Board of Trustees and the College President have the authority to enforce College regulations. The Associate Vice President for Student Development and Success is responsible for enforcing college regulations as they apply to the student body.

Students, faculty, and staff are responsible for reporting cases of misconduct promptly to the Student Development and Success Office. In all cases, the Associate Vice President for Student Development and Success or designee has the authority to decide on any appropriate disciplinary measures as outlined in the Student Handbook, unless action warrants an administrative decision.

Brewton-Parker College Student Financial Responsibility Agreement
Payment of Fees/Promise to Pay
I understand that when I register for any class at Brewton-Parker College or receive any service from Brewton-Parker College I accept full responsibility to pay all tuition, fees and other associated costs assessed as a result of my registration and/or receipt of services. I further understand and agree that my registration and acceptance of these terms constitutes a promissory note agreement (i.e., a financial obligation in the form of an educational loan as defined by the U.S. Bankruptcy Code at 11 U.S.C. §523(a)(8)) in which Brewton-Parker College is providing me educational services, deferring some or all of my payment obligation for those services, and I promise to pay for all assessed tuition, fees and other associated costs by the published or assigned due date. I understand and agree that if I drop or withdraw from some or all of the classes for which I register, I will be responsible for paying all or a portion of tuition and fees in accordance with the published tuition refund schedule on the Brewton-Parker calendar. I have read the terms and conditions of the published tuition refund schedule and understand those terms are incorporated herein by reference. I further understand that my failure to attend class or receive a bill does not absolve me of my financial responsibility as described above.

All students should be in good standing with the financial aid and business office by the first day of class.
- Your student account is considered in good standing if, your room, board, tuition, and fees are paid in full; you have a pre-approved payment arrangement (approved by the Business Office) that has been paid up-to-date; or you have financial aid (already approved) sufficient to cover your account balance.
- Both international students and those whose Satisfactory Academic Progress (SAP) appeal is denied must pay in full by the first day of class or registration will be purged.

For students with an unpaid balance at the end of the fifth week of classes may result in:
- Cancellation of enrollment
- Denial of registration for future classes
- Denial of occupancy in a residence hall room
- Denial of the use of the college dining room, library, and all other college facilities
- No participation in playing or practicing with athletic teams.
The following is a copy of the collection agreement:

**Delinquent Account/Collection**

**Financial Hold:** I understand and agree that if I fail to pay my student account bill or any monies due and owing Brewton-Parker College by the scheduled due date, Brewton-Parker College will place a financial hold on my student account, preventing me from registering for future classes, requesting transcripts, or receiving my diploma.

**Late Payment Charge:** I understand and agree that if I fail to pay my student account bill or any monies due and owing Brewton-Parker College by the scheduled due date, Brewton-Parker College will assess late payment and/or finance charges at the rate of 1.5% compounded monthly, or $25 fee, whichever is greater, per month on the past due portion of my student account until my past due account is paid in full.

**Collection Agency Fees:** I understand and accept that if I fail to pay my student account bill or any monies due and owing Brewton-Parker College by the scheduled due date, and fail to make acceptable payment arrangements to bring my account current, Brewton-Parker College may refer my delinquent account to a collection agency. I further understand that if Brewton-Parker College refers my delinquent student account balance to a third party for collection, a collection fee will be assessed and will be due in full at the time of the referral to the third party. The collection fee will be calculated at the maximum amount permitted by applicable law, but not to exceed 15 percent of the amount outstanding. For purposes of this provision, the third party may be a debt collection company or an attorney. If a lawsuit is filed to recover an outstanding balance, I shall also be responsible for any costs associated with the lawsuit such as court costs or other applicable costs. Finally, I understand that my delinquent account may be reported to one or more of the national credit bureaus.

**Communication**

Method of Communication: I understand and agree that Brewton-Parker College uses e-mail as an official method of communication with me, and that therefore I am responsible for reading the e-mails I receive from Brewton-Parker College on a timely basis.

**Contact:** I authorize Brewton-Parker College and its agents and contractors to contact me at my current and any future cellular phone number(s), email address(es) or wireless device(s) regarding my delinquent student account(s)/loan(s), any other debt I owe to Brewton-Parker College, or to receive general information from Brewton-Parker College. I authorize Brewton-Parker College and its agents and contractors to use automated telephone dialing equipment, artificial or pre-recorded voice or text messages, and personal calls and emails, in their efforts to contact me. Furthermore, I understand that I may withdraw my consent to call my cellular telephone using automated telephone dialing equipment by submitting my request in writing to the Director of Accounting or in writing to the applicable contractor or agent contacting me on behalf of Brewton-Parker College.

**Updating Contact Information:** I understand and agree that I am responsible for keeping Brewton-Parker College records up to date with my current physical addresses, email addresses, and phone numbers by contacting the Registrar. Upon leaving Brewton-Parker College for any reason, it is my responsibility to provide Brewton-Parker College with updated contact information for purposes of continued communication regarding any amounts that remain due and owing to Brewton-Parker College.

**Entire Agreement**

This agreement supersedes all prior understandings, representations, negotiations and correspondence between the student and Brewton-Parker College, constitutes the entire agreement between the parties with respect to the matters described, and shall not be modified or affected by any course of dealing or course of performance. This agreement may be modified by Brewton-Parker College if the modification is signed by me. Any modification is specifically limited to those policies and/or terms addressed in the modification.

**Financial Aid**

I understand that aid described as “estimated” on my Financial Aid Award does not represent actual or guaranteed payment, but is an estimate of the aid I may receive if I meet all requirements stipulated by that aid program.
I understand that my Financial Aid Award is contingent upon my continued enrollment and attendance in each class upon which my financial aid eligibility was calculated. If I drop any class before completion, I understand that my financial aid eligibility may decrease and some or all of the financial aid awarded to me may be revoked.

If some or all of my financial aid is revoked because I dropped or failed to attend class, I agree to repay all revoked aid that was disbursed to my account and resulted in a credit balance that was refunded to me.

I agree to allow financial aid I receive to pay any and all charges assessed to my account at Brewton-Parker College such as tuition, fees, campus housing and meal plans, parking permits, service fees, fines, bookstore charges, or any other amount, in accordance with the terms of the aid.

Federal Aid: I understand that any federal Title IV financial aid that I receive, except for Federal Work Study wages, will first be applied to any outstanding balance on my account for tuition, fees, room and board. Title IV financial aid includes aid from the Pell Grant, Supplemental Educational Opportunity Grant (SEOG), Direct Loan, PLUS Loan programs. I authorize Brewton-Parker College to apply my Title IV financial aid to other charges assessed to my student account such as bookstore charges, service fees and fines, and any other education related charges. I further understand that this authorization will remain in effect until I rescind it or the end of enrollment and that I may withdraw it at any time by completing the BPC Loan Change Form found in the Forms section of My Financial Aid in MyWeb.

Prizes, Awards, Scholarships, Grants: I understand that all prizes, awards, scholarships, and grants awarded to me by Brewton-Parker College will be credited to my student account and applied toward any outstanding balance. I further understand that my receipt of a prize, award, scholarship, or grant is considered a financial resource according to federal Title IV financial aid regulations, and may therefore reduce my eligibility for other federal and/or state financial aid (i.e., loans, grants, Federal Work Study) which, if already disbursed to my student account, must be reversed and returned to the aid source.

Method of Billing
I understand that Brewton-Parker College uses electronic billing (e-bill) as its official billing method, and therefore I am responsible for viewing and paying my student account e-bill by the scheduled due date. I further understand that failure to review my e-bill does not constitute a valid reason for not paying my bill on time. Student account information is available at myweb.bpc.edu.

If you believe your bill is incorrect, or if you would like more information about a transaction on your bill, contact accountsreceivable@bpc.edu.

We must hear from you within 60 days of the bill that the item of concern first appeared. Please include in your email:

- Your name, the student's name and student ID #
- The dollar amount of the suspected error
- A description of the error and an explanation, if possible, of why you believe the error occurred.

You do not have to pay the amount in question while we investigate, but you are obligated to pay the portion of your bill that is not in question.

Billing Errors
I understand that administrative, clerical or technical billing errors do not absolve me of my financial responsibility to pay the correct amount of tuition, fees and other associated financial obligations assessed as a result of my registration at Brewton-Parker College.

Minimum Balance Policy
In accordance with the Minimum Balance Policy Statement of the College, no billing statements or account refunds less than $1 will be issued.

Returned Payments/Failed Payment Agreement
If a payment made to my student account is returned by the bank for any reason, I agree to repay the original amount of the payment plus a returned payment fee of $35. I understand that multiple returned payments and/or failure to comply with the terms of any payment plan or agreement I sign with Brewton-Parker College may result in cancellation of my classes and/or suspension of my eligibility to register for future classes at Brewton-Parker College.

Withdrawal
If I decide to completely withdraw from Brewton-Parker College, I will follow the instructions at http://bpc.edu/academics/registrar which I understand and agree are incorporated herein by Reference.

2. Posting misleading or fake photographs or digital video footage of a student on websites or creating fake websites or social networking profiles in the guise of posing as the target;

3. Impersonating or representing another student through use of that other student’s electronic device or account;

4. Sending e-mail, text messages, IM, or leaving voice mail messages that are mean or threatening;

“Retaliation” means an act against a student for reporting or alleging an act of bullying has occurred.

Domestic Violence
Domestic Violence is when one person uses physical, sexual, and/or emotional abuse to control another in a relationship. Examples of domestic violence include sexual assault, dating violence, and stalking. A student who engages in any type of sexual activity that forces a person to join in unwanted sex is guilty of sexual assault. A student who exhibits a pattern of controlling, coercion, and assaulting behavior against his/her intimate partner is guilty of dating violence. A student who willfully, maliciously and repeatedly follows or harasses another, or who makes a credible threat, with the intent to place in reasonable harm is guilty of stalking. The sanction for physical abuse is suspension or expulsion. The Associate Vice President of Student Development & Success will determine all other offenses not involving physical contact and make recommendations to the administration.

Students should be aware that the above-noted penalties are for violation of this Student Handbook only. Sanctions do not include those that could be imposed by law. Domestic violence is a criminal offense that may be punishable by the state by a fine, imprisonment, or both.

Sexual Harassment
Brewton-Parker College is committed to maintaining an environment free of discrimination or harassment that unreasonably interferes with the security, well-being, or academic integrity of others. Discrimination, harassment, sexual harassment, and quid pro quo harassment (collectively “harassment”) is prohibited. This policy applies to any College student, employee, faculty, staff member, contractor, visitor, or volunteer who engages in conduct that constitutes harassment. All of the foregoing are expected to abide by this policy. This policy applies to harassment that:

1. Takes place at the College or on College grounds, meaning: a College building; property on which a College building or facility is located; and property that is owned, leased or used by College for a College-sponsored activity, function, program, instruction, or training. “College grounds” also includes college-related transportation vehicles;

2. Takes place while students are being transported to or from College grounds or College sponsored events;

3. Takes place at any College-sponsored event, activity, function, program, instruction, or training; or,

4. Takes place elsewhere or through use of technology, including, but not limited to College IT Systems.

To assist in better understanding the constraints of the bullying and harassment policy, the following definitions are accepted by the College in implementation of sanctions:

“Discrimination” occurs when an individual is treated adversely based on a Protected Class.

“Harassment” means unwelcome conduct based on an individual’s membership in a Protected Class that unreasonably interferes with the individual’s work or educational environment. It includes verbal, visual, or physical conduct where the conduct may have the purpose or effect of unreasonably interfering with an individual’s work or educational performance or creating an intimidating, hostile or offensive working or educational environment.
Examples of harassing behavior include, but are not limited to:

- Joking or teasing;
- Verbal abuse;
- Notes, letters, or other forms of harassing communication;
- Derogatory or degrading comments; or
- Display of derogatory or degrading objects or pictures.

“Sexual Harassment” refers to unwelcome sexual or gender-based conduct. When sexual harassment becomes as severe or pervasive as to interfere with an individual’s ability to work, learn, or participate in College’s programs, it is called a sexual or gender-based “hostile environment.”

Examples of prohibited sexually harassing behavior include, but are not limited to:

- Unwelcome sexual advances or propositions;
- Requests or demands for sexual favors;
- Sexually oriented joking or teasing;
- Continued or repeated verbal abuse of a sexual nature;
- Graphic or degrading comments about an individual or his or her appearance;
- The display of sexually suggestive objects or pictures;
- Pressure for sexual activity;
- Unwelcome physical contact such as patting, hugging, pinching or touching another person’s body or
- Other verbal or physical conduct of a sexual nature.

A determination as to whether a hostile environment has been created is based on the totality of the circumstances, taking into account factors, including, but not limited to the following:

- Severity of the particular incident;
- Context in which behavior occurred;
- Whether the conduct was repeated;
- Whether the conduct was verbal or physical; or
- Whether the conduct caused intimidation or was threatening.

“Quid pro quo” (this for that) harassment is also prohibited. Quid pro quo harassment occurs when a person in position of authority confers employment benefits to obtain sexual favors and threatens some job detriment if the person does not comply. Quid pro quo harassment can be expressly stated, but it also can be implied.

**BREWTON-PARKER COLLEGE ACCEPTABLE USE POLICY**

**User Accounts**

Many technology resources at Brewton-Parker College are accessed through user accounts. No user accounts should be used to execute computer software or programs or attempt to gain access to resources other than software, programs or resources specifically granted and offered for use by Brewton- Parker College. All users are responsible for both the protection of their account passwords and the data stored in their user accounts. The sharing of network accounts is not allowed. Users are never to give out their password and should take measures to ensure that their password remains secure. A few steps that can be taken to keep others from using your password are:

- If you feel you must write down your password, keep it secure. Don’t tape it to the bottom of your keyboard, post it on your monitor or keep it in your desk drawer.
With the implementation of Single-sign-on (SSO), it is vital that you do not share passwords as your SSO password provides access to all systems.

Secure passwords are from 8 to 16 characters long and include a mixture of upper case and lower-case letters, numbers, and special characters. As part a standard policy, your SSO password requires you to have a password length of 8-characters, and a combination of upper-case, lower-case, number, or special character, and it cannot contain any part of your name.

Users should change their password periodically to help prevent unauthorized access of their user account. Any suspected unauthorized access of a user account should be reported immediately to the Director of Information Technology (techsupport@bpc.edu) or another BPC authority. Your SSO password is set to expire every six months.

After graduation, students are allowed to retain their account for a maximum of one year. After one year, all account information is set to be deleted.

E-mail
The college provides email accounts for students. Students may view their e-mail user name and password as well as change their password by logging in to Single-Sign On and clicking the “Gmail” application link.

In order for you to use your BPC email account you will need to be connected to the Internet and have a valid BPC account. For Web mail access you need a compatible Internet browser such as Google Chrome, Mozilla Firefox, or Safari.

Web mail users will need to hover over the link “insideBPC” from the Brewton-Parker College home page (www.bpc.edu) and then click the “My BPC (SSO)” button.

Student e-mail accounts are REQUIRED at Brewton-Parker College. All course information and other official college communication will only be sent to campus email addresses. College-related communication will not be relayed to personal email addresses.

After graduation (or when the student leaves the college for another reason), students are allowed to retain their account for a maximum of one year. After one year, all account information is set to be deleted.

All student e-mail accounts have a 30 GB storage limit. If you reach 30 GB, your account will automatically lock and you will receive notification that you have reached your storage limit. You will not be able to send or receive any e-mail until you delete some of your stored e-mail.

A student’s email account will be active as long as they are a student at Brewton-Parker College.

E-mail must not be used for purposes inconsistent with the mission of the college.

Transmission of chain letters, unrestricted bulk e-mail, junk e-mail, abusive, obscene, or libelous electronic messages is not permitted.

Users may not conceal, mask or misrepresent their identity when sending e-mail or other electronic messages.

Deliberate transmission or propagation of malicious programs such as viruses, worms, Trojan Horses or participation in denial of service attacks are subject to disciplinary and possible criminal action.

Campus Computer Labs
Computer labs on the Brewton-Parker College campus are available for general use by students, faculty and staff except during the periods when the rooms have been reserved for teaching purposes. Lab computers are a shared resource. Labs are located in Jordan rooms 101 and 109, in the library, and in the Math and Science Building room 101. In all computer labs, priority is given to students working on class work. Students playing games or browsing the Internet will be asked to give up their computer if students are waiting to use a computer. Under no circumstances should any software be installed on a BPC owned computer without prior approval from Technology Services. This includes but is not limited to games, chat programs, etc. The only authorized programs on any campus computer are those installed by the Technology Services department. Rights to access information do not include rights to use the college network to store and/or transmit information, visuals, or sound that is offensive, unlawful, or unrelated to education. Any student who violates this policy may be denied access to the network.

It is the responsibility of every user to use these facilities in a responsible manner. Accidental damage or damage caused by other parties should be reported as soon as possible so that corrective action can be taken. Corrective action can include but are not limited to (depending on the gravity of the damage) replacement cost fines.
**Student Computer Configurations**

Wi-Fi access to the Internet is available in-residence hall rooms (free of charge) for students who bring any device that connects to the internet. By accessing the college networks, students agree to abide by this usage policy. Students must not change network configurations. Students are responsible for all network traffic originating from their network access. Due to the destructive nature of modern computer viruses, all computers that access the Brewton-Parker College network must have an up-to-date anti-virus program installed. Technology Services does not perform any other repair work or computer maintenance on student-owned computers. A Technology Services staff member will, however, be glad to take a look at your system if you are having problems and either tell you how to fix the problem or recommend a local computer repair shop.

**Brewton-Parker College Campus Network**

The college provides network access in classrooms, laboratories, the library, offices and student residence hall rooms. While the college is committed to free speech and open access to information and communication, these must be tempered by the need to respect others’ rights to speech, access and communication. Each user is expected to balance their needs with the needs and expectations of the college community as a whole. The college reserves the rights to limit bandwidth to users and access to non-academic, resource intensive applications if they threaten to interfere with academic uses of the campus network.

Users on the network must not attempt to conceal, mask or misrepresent their identity or the identity of computers when using the network. Users shall not employ software or hardware that interferes with the operation or security of the network. Users shall not interfere with the administration of the campus network nor shall they attempt to breach any network or resource security system. In administering the network, network activities of users may be monitored as to type and quantity. Users are responsible for all network activities originating from resources provided them by the college.

**Security (technology)**

Under no circumstances will any software, commercial or homemade, designed for the purpose of gaining unauthorized access to a computer system, network or electronically stored information, be introduced to the BPC network. This includes computers in computer labs, library, faculty, and staff computer systems. If software on a student’s personal computer violates the security of the college network, the student will be immediately suspended from access to the network until the software in question is removed from that student’s personal computer.

Under no circumstances should you use another individual’s username and password. If your login information is not working, you need to contact Technology Services for assistance by emailing techsupport@bpc.edu using your BPC email.

**P2P, Bit Torrent, and other file-sharing services/software**

File-sharing services have in recent semesters caused some significant problems for the BPC network. While some information concerning the topic has already been included within this document, additional details will hopefully eliminate some confusion.

File-sharing services that use P2P, Bit Torrent, etc. technologies are network-based software programs that create several problems:

1. File-sharing software allows you to search the Internet for media files and download them onto your computer. The majority of these downloaded media files are COPYRIGHTED. By downloading them, you are breaking Federal and International copyright laws and Brewton-Parker College’s Copyrighted Material Policy. (Refer to Policy on the Use of Copyrighted Material on Brewton-Parker College’s Computer systems and Networks)

2. The software also allows you to share your media files with everyone else on the Internet. This causes a massive amount of traffic on the college network, absorbing valuable bandwidth needed by faculty, staff, and students for legitimate academic needs.

3. Once installed, file-sharing software, you open your computer to significant security risks from viruses and hackers by allowing them access to your personal files.
IMPORTANT: All file sharing software must be disabled and not be used when your computer is connected to the Brewton-Parker College network. Assistance in disabling the software on your computer can be done from Technology Services.

Results of Misuse
A breach of appropriate use, as defined in this policy, will result in immediate termination of that student’s network access from the residence hall room. Once a student’s network jack is deactivated, no access to any Brewton-Parker College network resources or the Internet will be possible from the student’s computer. Access to the network from the labs and the library will still be available for academic purposes. For the first offense, student network access will be terminated in the residence hall for one month. If there is a second offense student access will be terminated for the entire semester (or the duration of the next semester if the offense takes place at the end of a semester). For the third offense, the case will be sent to the Student Development Department.

Campus Life

Chapel Service and Participation
Consistent with the mission of the college, Chapel will be held multiple times each semester. All full-time students attending classes at the Mt. Vernon campus are allowed to miss two chapel services each semester. Chapel is also a requirement for graduation. Graduation, diplomas and transcripts will be withheld until attendance requirements are met. To monitor your Chapel attendance, you can check with the Campus Pastor who if deemed appropriate will assign a make-up day for you. Students must earn the required “chapel credits.”

All offices, including the Library, food services, bookstore, and Post office will be closed to students during chapel. All residence halls will be closed. Regular times for Chapel are at 10:00 AM each Tuesday unless notified by the Provost/Sr. Vice President, in which in most cases a revised schedule is noticed to all students, faculty and staff.

Behavior during Chapel Services
All students should be attentive during Chapel and respectful toward participants and the Chapel speaker. Students who do not comply with Chapel guidelines may lose Chapel credit. If a student repeatedly violates chapel guidelines they may face disciplinary actions.

and lead students to Christ. Students may consult with the Campus Pastor on how to cope with daily and life issues, collegiate concerns and spiritual and morale decisions. The Campus Leadership class is often a disciplinary sanction.

**Baptist Campus Ministries (BCM)**

BCM is a student-led and campus Pastor directed Christ-centered, and church related organization, sponsored by the Southern Baptist Association and state conventions. BCM is a fellowship of college students striving toward Christian growth. Students are involved in evangelism, weekly worship services, Bible Study, and opportunities to fellowship. The BCM also works with local churches and provides opportunities for students to connect with a church while away from home.

**Dress Code**

In keeping with its commitment to Christian principles and values, morals, and ethical behavior, the college administration expects staff, faculty and students to uphold specific standards both on and off campus. Anyone who deliberately dresses inconsistent with the stated policy will be subject to disciplinary actions. All students should come to the dining area, class and Chapel dressed appropriately. This means the following:
- Please do not wear pajamas and sloppy clothing (pajamas should not be worn on campus, in class, Chapel or at college functions)
- Please do not wear T-shirts that are open on the sides
- Please wear shirts and shoes…this is required
- Please do not wear sports bras that are not covered

No room changes should occur until after the first two FULL weeks after the semester begins unless, there are extenuating circumstances. If you believe you have a legitimate reason/circumstance you must speak to your RA (Resident Assistant) who will then contact the Coordinator for Campus Housing on your behalf.

Students without a roommate will be charged the $1000 private room fee, if a roommate is not found and/or requested after the first two weeks of the semester.

*Private rooms are available for an additional $1000 per semester. Private rooms will be granted as space allows.

Residence Hall Check-In/Check-out

Residents must check in with their RA prior to moving in. New students will receive a room key and sign a room inventory sheet. Students will be notified in writing of the actual date and time to check in. If a resident has not checked in by 5:00pm of the first day of classes and has not notified the Coordinator for Campus Housing, the room may be cancelled.

Residents must check out with their RA when vacating a dorm room, whether a student withdraws, is suspended, is expelled, leaves prior to withdrawing, or upon semester-end residence hall closing. Room Conditions

Residence halls are inventoried and checked for damage immediately before school begins. Each room must always contain the furniture on inventory in that room. During periodical room checks, if furniture has been moved, the furniture will be returned to its original position and sanctions may be issued. This policy may be updated by maintenance as needed throughout the year. This includes lobby furniture.

If a machine is not working properly, notify your RA.

Non-Discrimination

Residence hall regulations for all residents apply to all students regardless of age, biological birth gender, race, or disability.
College Values

We, as the Brewton-Parker College community, affirm the value of a peaceful and purposeful community, founded on biblical morals and ethical integrity of students and faculty. We commit ourselves to the following Christian values on which Brewton-Parker College was founded. We expect that our commitment to mutual responsibility and a spirit of cooperation will create a community that is orderly, caring, and just.

Value 1. Respect for the Worth of the Individual

We value the intrinsic worth of every individual in the community. Our respect for individuals includes an appreciation of cultural backgrounds different from our own, an understanding of different attitudes and opinions, and an awareness of the consequences of our actions on the broader community. These values can be violated by behaviors such as harassment, hazing, lewd and indecent conduct, or inappropriate sexual conduct or communication.

Value 2: Practice of Self-Discipline

We value personal responsibility and recognize the individual’s need for physical, intellectual, spiritual, social and emotional wholeness. We value the full development of every student in terms of a confident and constructive self-image, of a commitment to self-discipline, and of a responsible self-expression. Disorderly conduct, possessing, consuming, or distributing alcohol, or drugs are examples of behavior, which violate the value of self-discipline.

Value 3: Practice of Academic integrity

We value a campus community that encourages personal growth and academic development in an atmosphere of positive Christian influence. We affirm the necessity of academic standards of conduct to allow students and faculty to live and study together. We value the fair and efficient administration of these standards of conduct. These values can be violated by academic dishonesty and fraud.

Value 4: Respect for Property and the environment

We value the rights and privileges of owning and using property, both personal and college property, and the benefits of preservation and maintenance of property, and of our natural resources. In our stewardship of property, we recognize the accountability of our actions to the future of the college community. Stealing and being in possession of stolen or lost property, vandalism, setting a fire and arson, tampering with fire and safety equipment, possessing firearms or weapons on campus, possessing or using fireworks on campus, and unauthorized entry, unauthorized guests, pets, or the possession of any property used to intimidate others are all examples of behavior which violate this value.

Value 5: Respect for Community Authority

We value our privilege and responsibility as members of the college community and as citizens of the community beyond the campus. We value the community standards of conduct expressed in our system of laws and value the fair administration of those laws, including BPC, municipal, state or federal laws. These values are violated by possessing, consuming, or distribution of alcoholic beverages; intoxication; possessing, using or distribution of illegal drugs, sexual misconduct, aiding, abetting or conspiring to engage in value violations; violating residence hall visitation guidelines; reckless behavior; lewd and indecent conduct; insubordination, unauthorized or unruly demonstrations; driving while impaired, habitually offending motor vehicle rules and regulations; creating a nuisance by talking, yelling, singing, playing a musical instrument, electronic device, and so forth, loudly enough to disturb members of the college community; and committing a city, state, or federal crime.
Explanation of Sanctions

The Associate Vice President for Student Development & Success and Student Development Hearing Committee may impose and/or recommend sanctions, including, but not limited to:

1. **Reprimand** - A written notification that the student’s conduct is in violation of College’s rules and regulations.

2. **Conduct Probation** - A period of observation during which the student must comply with College rules and regulations and any other restrictions imposed by the Student Development Disciplinary Committee, or be subject to additional sanctions.

3. **Removal from Residence Hall** - A student is removed from the residence hall for a specified period.

4. **Suspension** – A student is withdrawn from the College and all coursework for a specified period. While under suspension, a student may not reside in College-owned facilities; attend College-sponsored functions both on and off campus, participate in student organizations, represent the College in any capacity, or visit campus facilities and unless approved by the administration cannot take college classes.

5. **Expulsion/Indefinite Suspension** - A student is withdrawn from the College for an indefinite or unspecified period. Reinstatement may be requested by completion of an application for admission and a case review by the College Appeals Committee and approval by the college administration. While under expulsion, a student may not reside in College-owned housing facilities, attend College sponsored functions both on and off-campus, participate in student organizations, represent the College in any capacity, or visit any campus facility and cannot attend/take college classes unless approved by college administration.

6. **Fines** – All fines are to be paid. These fines are to be paid to the student accounts office located in the Newton Building. All persons who refuse to pay fines will have fines posted to their student accounts.

7. **Education Sanctions** - A student will be required to attend session with the College Counselor, attend an educational program/session, participate in a community service project, or engage in other appropriate activities.

8. **Loss of privilege** – Loss of privilege prohibits a student from engaging in or attendance at any public event or in any capacity as a representative of Brewton-Parker College. This includes athletics, pageants, musical or drama performances, student government and student organizations, etc.

9. **Restitution** – A student may need to compensate another for damage to or loss of property or damage to one’s personal well-being resulting from student misconduct.

10. **Disciplinary Probation/Behavioral contracts** – A student may receive a formal written warning that his/her conduct is in violation of BPC policies and that student status is in jeopardy. Further, continuous enrollment of the student depends on satisfactory citizenship during the period of probation or behavioral contract.

11. **Disciplinary records** – A student found guilty of inappropriate behavior will have the information placed in a disciplinary record for the duration of enrollment at BPC.

12. **Interim suspension** – A student may be placed on Interim suspension if there is evidence to support the belief that a student’s behavior on or off campus is a clear and present threat to the health, safety or welfare of faculty, students, staff or guests. The student may be placed on interim suspension until the Office of Student Development & Success can convene to discuss the situation/incident. If placed on interim suspension, the student may be restricted from campus or from a particular program, activity or building.

**Disciplinary Process**

Brewton-Parker College is an institution of higher education affiliated with Georgia Baptists. As such, the college community provides an accepting, caring Christian atmosphere in which spiritual formation, personal development, vocational preparation, and a sound, academic liberating education enhance the growth of individuals.

Any student, faculty member, or staff member must present a written report of the facts regarding the alleged violation before the disciplinary process can formally begin. Written reports are sent to the office of Student Development Department. A meeting will be arranged with the student and the Student Development Department (or designee). If the student admits to a violation of the value, the student will receive a sanction, guidance, and counseling.
Complaint, Appeal, Grievance, and Amnesty

If a student disagrees with a violation, complaint procedures follow:

Fairness Rights:
A student who has been charged with a value violation and thus alleged to be involved in an inappropriate behavior will be granted these rights in order to assure fundamental fairness in the judicial process:

1. Notice – to be informed in writing or by email of the inappropriate behavior in which the student is suspected of involvement.
2. Meeting – to have an opportunity to be heard.
3. Evidence – to know the nature of the evidence.
4. Written Response – to have a written response reporting the results of the meeting.

A. Student Complaint Policy and Procedure
Complaints Under Title VI & Title IX: Student complaints that pertain to discrimination or harassment based on race, color, national origin, or sex under the Title VI of the Civil Rights Act of 1964 and/or Title IX of the Education Amendments of 1972 should be submitted to the college’s Affirmative Action Officer for resolution in accordance with the college’s Grievance Policy and, if necessary, by referral to the standing Grievance Committee. For information about submitting a complaint to the Affirmative Action Officer, please inquire in the Office of Academic Services.

Other Student Complaints: Student complaints pertaining to academic, disciplinary, housing, financial, or any other matters outside the jurisdiction of the Grievance Committee should be resolved in accordance with the following procedure:

1. Students first should relate any concerns to a staff member in the office or area from which the complaint arises. Complaints must be submitted in writing and signed and dated by complainant. For example, matters pertaining to residential or student life first should be reported to the appropriate Resident Assistant (RA), to the Student Development Department, the Director of Campus Housing, or other appropriate officer, while matters relating to faculty, classes, grades, or other academic matters first should be presented to the appropriate instructor, academic advisor, or division chair. The officer receiving the initial complaint will arrange to meet with the complainant and any alleged offenders in an effort to mediate an amicable and mutually satisfactory resolution to the complaint.

2. Any matter that cannot be resolved through mediation to the satisfaction of the complainant then will be referred by the officer receiving the complaint to the appropriate Vice President, Provost, or other Cabinet-level officer for further consideration, either through discussion or other informal conflict resolution proceedings or, ultimately, by referral to the standing College Appeals Committee for a formal hearing and final resolution. The College Appeals Committee policy and procedure is set forth both in the Student Handbook and in the Academic Catalog published online at the college’s website.

Should any student have a concern, complaint, or other grievance for which the above procedures do not adequately afford a remedy or avenue of expression, then the student may request a conference with the Provost for advice about appropriate redress. If the concern or complaint alleges an offense that involves the Provost or poses a conflict of interest for the Provost, then the student may request review by the President.

B. Procedure for filing an Appeal:
The College Appeals Committee will hear appeals of academic, disciplinary, financial, and any other matters designated by the President. The Appeals Committee will not deal with appeals of persons who are denied admission to the college. The Admissions Committee will deal with such matters. The decisions of the Appeals Committee will be given to the President who will take final action in these and all other matters of appeals.
Appeals of those matters, which are dealt with by the Appeals Committee, must be made within seven calendar days of the time student was notified of the action. The appeals process must be completed within one semester following the original event that is being appealed. The Chairman will schedule a hearing on the appeal within three academic days of receipt of the appeal. The Committee will listen to an appeal only, when in the opinion of the majority of the Committee, the appellant can document in writing a basis for appeal. The basis must be one or more of the following:

1. Evidence that the lower agent (the person who made the original decision) refused to hear all witnesses brought forward by the appellant.
2. Evidence that the lower agent applied regulations not in effect.
3. Evidence that the lower agent did not give fair play in being attentive to the appellant’s report.
4. Evidence that the lower agent rendered a decision contrary to the evidence presented.
5. Evidence that the decision rendered was biased.
6. Evidence that the action taken was excessive for the charge made against the student.

In the case of suspension or expulsion of a student due to violation of the student handbook (such as use, possession, distribution of illegal drugs, etc., as outlined in the student handbook) the staff of the Student Development Department (VP of Student Development, VP’s, etc.) will consult with the President before the final decision is made. In such cases, the decision of the President and Student Services staff is final.

C. Procedure for filing TITLE VI and IX GRIEVANCE:

In compliance with the applicable law, Brewton-Parker College has developed the following procedures. The College’s Grievance Committee has responsibility for hearing and making decisions on matters that cannot be resolved at a lower level. The President annually appoints a College Affirmative Action Officer who receives complaints, helps mediate disputes, and facilitates forwarding of the complaints to the Grievance Committee when necessary. Forrest Rich is the BPC Affirmative Action Officer.

1. All complaints are to be written and filed with the Office of the Affirmative Action Officer of the college.
2. Upon receipt of said complaint the officer will set up a meeting of the Grievance Committee within 30 days to hear the complainant.
3. Complainant will be notified in writing of the date, time, and place of meeting.
4. Complainant will be invited to state the nature of the alleged discrimination before the Grievance Committee.
5. Complainant and/or college officials desiring legal counsel may obtain such representation provided notification is given in advance by both parties.
6. Complainant will be given written notice of the Grievance Committee’s decision within seven days following the meeting.
7. Complainant may appeal the Grievance Committee’s decision to an Ad Hoc Committee composed of the Executive Committee of the BPC Board of Trustees and two peers of the complainant appointed by the President of BPC.
D. Requesting Amnesty Policy

Students who struggle with issues that violate the Student Conduct Code are encouraged to seek support and help. Examples include (but are not limited to) alcohol, drugs, and sexual relationships. Knowing that many students who struggle with these issues may fear asking for help because of the potential consequences, Brewton-Parker College has started an amnesty policy. This policy allows students who want to receive help and support to receive support, encouragement, and counseling without initial disciplinary processes. Students who seek help from the Student Services office will receive appropriate assistance. Students requesting help are asked to abstain from the behavior and may be asked to sign a behavioral contract, receive a referral for counseling, or be asked to receive professional help elsewhere.

Students must request amnesty from the Student Services staff before any report of the behavior is made or any disciplinary confrontation addressing the specific inappropriate behavior(s) occurs. Resident assistants, campus security, a representative of the Student Development Department, or any other member of the BPC faculty or staff could carry out disciplinary confrontations. Students must be honest, cooperative, and compliant. They must demonstrate a true desire to change. Students may contact the Student Development Department to request amnesty or learn more about the policy.

Requests for amnesty that involve illegal activity, or activity that otherwise endangers people or property, may be reported to local authorities as necessary. When students request amnesty, they will not be disciplined for behaviors they have engaged in prior to their confession, as long as those behaviors have not been public and are not determined to have significantly harmed other members of the campus community. However, depending on the extent of the behavior, students may still be removed from campus organizations as deemed by college officials. The behavior in question will have to ultimately change for the student to remain at Brewton-Parker College. There may be circumstances when a student may be required to withdraw for reasons of safety, or in order to get added help before returning to campus as a student.
