

A young woman with long blonde hair and glasses is sitting at a desk, looking intently at a laptop screen. She is wearing a dark jacket. The background is a blurred classroom or lecture hall with other people seated at desks. The overall lighting is warm and slightly dim, creating a focused and studious atmosphere.

The Student Handbook outlines responsibilities of students enrolled at the college. The goals of this publication are to make students aware of general policies and procedures of the College and to assist in their academic, spiritual, personal and social development. Within the student handbook, you will find guidelines and standards of personal conduct, violations, and related penalties.

Brewton-Parker College does not tolerate any known incident(s) which may produce any psychological or physical stress to any of the residents, administrators, faculty, staff, or persons affiliated with the College. Brewton-Parker College does not participate or tolerate any lewd sexual behavior on the college campus, which may include but is not limited to verbal, sexual, physical, or psychological harassment. While individual religion preferences and freedoms are allowed and respected, practices that ignore basic ethical principles and Standards of Conduct (defined hereafter) will not be tolerated. Any harassment based on race, color, gender, age, national origin, religion, marital status, citizenship status, genetic information, veteran's status, disability, or any other class protected under federal or state laws and regulations ("Protected Class") will not be tolerated. We ask that you please be mindful that you chose to attend a Christian College and thus our student body should adhere to Christian values. This conduct is expected on or off campus or when engaged in off-campus activities.

## Brewton-Parker College

### Office of the President

#### A Word from the President

The Brewton-Parker College Campus is a place where we attempt to live our Christian values in a community setting. The enclosed information is designed to provide the information students need to know for all available campus services. As a college campus, there are a number of laws and regulations that we want students to be aware of and to understand our commitment to fully comply with them. These are noted in our handbook for your convenience.

In keeping with our commitment to exemplify Christ in all that we do, we have listed our standards and the resulting consequences for various violations. Our motives are always redemptive, but actions that violate Brewton-Parker College values must be addressed. This handbook cannot account for the uniqueness of every situation. Students often do not have full information about why certain actions receive certain penalties. In other words, there is more to the story than they may know, and privacy requirements prevent administration from commenting on particular cases. It is important for all the Brewton-Parker College family to trust the process and know that there is every attempt to deal with each case according to its own merits. While we can never account for every act and every circumstance, it is hoped this handbook will add clarity to the expectations for students, staff, and faculty as we seek to exemplify Christ in every aspect of the academy.

As always, we exist to enable our students to have a transformational experience at Brewton-Parker College both academically and spiritually for the glory of God. Please know that faculty, staff, and administration are fully committed to this purpose and stand ready to do everything we can to assist our students and prepare them for the vocational and leadership opportunities that await them.

In His Service,

A handwritten signature in black ink that reads 'Steven F. Echols'.

Steven F. Echols, President  
Brewton-Parker College

## **Federal Laws**

### **The Americans with Disabilities Act of 1990**

*The Americans with Disabilities Act (ADA) was adopted by the United States Congress and signed into law on July 26, 1990. The ADA gives civil rights protection to individuals with disabilities similar to those provided to other Protected Classes. It guarantees equal opportunity in public accommodation, employment, transportation, state and local government services, and telecommunications. Under the ADA, a person has a disability if he or she has a physical or mental impairment that substantially limits a major life activity. The ADA also protects individuals who have a record of a substantially limiting impairment and people who are regarded as having a substantially limited impairment.*

*The purpose of accommodation is not to modify academic or other standards for eligible students but rather to place them on a par with non-disabled peers against whom they must compete scholastically and otherwise and to accommodate any disadvantages the student may encounter because of a diagnosed impairment.*

**Disability support services** are provided through the Office of the Provost, located in Gates Hall. Requests for accommodation should be directed to the Provost via email at [rbrian@bpc.edu](mailto:rbrian@bpc.edu) or by arranging an appointment either in person or by phone at (912) 583-3108.

**To qualify for accommodation, students should provide the following:**

- Current diagnostic documentation of their disability or impairment from a licensed professional care provider in the field relevant to a claimed disability or impairment

**Examples of such care providers** include physicians, clinical psychologists, athletic trainers, and others qualified to evaluate and diagnose specific conditions that impair learning, mobility, vision, hearing, and other major life functions. In the case of chronic learning, psychological, or other disorders that may change over time, documentation must be current within three years.

Once required documentation is received, the Office of the Provost will certify the student as a person with a disability entitled to accommodation and will provide a letter or memorandum detailing approved accommodations to course instructors, residence life and athletic staff, and other service providers on campus. Accommodations will be provided on an individual basis upon reevaluation each semester or, in the case of temporary disability, for a shorter period to be determined based on the diagnosis.

***Note:** Individual Education Programs and Section 504 Accommodations from high schools or transfer institutions of higher education are not diagnostic documents and do not suffice as documentation of claimed disabilities.*

### **Service and Emotional Support Animals**

Being mindful of the health and safety concerns of the campus community, Brewton-Parker College **Does Not allow the presence of privately-owned animals on campus**. However, the college will reasonably accommodate persons with disabilities who require the assistance of Service or Support Animals, as appropriate. The Provost, who oversees disability services, is responsible for implementing this policy and for guiding students with disabilities in documenting their request for a necessary accommodation. Each request will be accommodated on a case-by-case basis, considering the needs of the individual and the concerns of the college community. Brewton-Parker College reserves the right to amend this policy as circumstances warrant.

### **Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA governs the release of educational records maintained by an educational institution and affords students certain rights with respect to their educational records as follows:

- The right to inspect and review their educational records within a reasonable amount of time not to exceed 45 days.
- The right to request the amendment of their education records that they believe are inaccurate, misleading, or otherwise in violation of their privacy rights.

- The right to consent to disclosure of personally identifiable information contained in their education records, except to the extent that FERPA authorizes disclosure without consent.
- The right to block release of any or all personally identifiable information as directory information, which is not subject to the above restrictions on disclosure.
- The right to file a complaint with the U.S. Department of Education concerning alleged failure by Brewton-Parker College to comply with the requirements of FERPA.

Generally, Brewton-Parker College must have the student’s or his or her legal representative’s written permission in order to release any information that is a part of the student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and,
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

**The name and address of the office that administers FERPA is:**

Family Policy Compliance Office

**STUDENT’S RESPONSIBILITIES, RIGHTS, AND FREEDOM POLICIES “Standards of Conduct”**

**Students’ Responsibilities, Rights and Freedoms**

*All students assume personal responsibility for the honor of the college as an institution and agree to live in accordance with its standards.*

- That whenever students demonstrate, in the judgment of the administration or faculty or its properly authorized committees, that they are unwilling or unable to demonstrate and maintain the Biblical standards of the College in academics or citizenship, or whenever students are found to be uncooperative members of the student body, or when the college feels it can do no more for the student, their period of residence at the college and privilege of class instruction may be terminated without specific charges by the Administration. Brewton-Parker College, a private educational institution, retains complete judgment as to student’s fitness to continue to share the privileges of registration.
- The College reserves the right to require withdrawal of students whose scholarship is not satisfactory, and those who are not regularly attending classes for which they are registered, or those who for any other reason are regarded as not conducting themselves in accord with biblical behavioral and relationship standards. Students who withdraw in good standing may return the next semester without formal readmission. Those who leave on probation are readmitted on probation.

- Students who are permitted to keep or operate vehicles on the campus are required to register their vehicle with the Security Office, adhere to all speed regulations on campus, and operate and maintain vehicle in accordance with safety regulations.
- Students are responsible for consequences of their behavior and actions and should conform to Standards of Conduct, both on and off campus.
- Students are responsible for the knowledge and observance of all policies, rules and regulations not herein enumerated, which have been established and promulgated by the appropriate college boards, designated college committees, etc. (i.e., social rules, residence standards, traffic regulations, and civil laws)
- Students are responsible for ensuring that the essential Order of the College is preserved. There can be no assembly or gathering that interferes with the order of the College, or violates statutes governing unlawful assembly.
- Students are responsible for supporting (1) free and peaceful discussions consistent with the scholarly nature of an academic community; (2) accountability on the part of speakers and sponsors to campus; and, (3) adherence to civil authority under existing laws and regulations.
- Students are responsible for ensuring that no recognized organization, either in name or fact, has a purpose to advocate or overthrow the government by force or other unlawful means and that no students' organizational constitution other organizational document includes discriminatory clauses pertaining to a Protected Class.

## **GRIEVANCE PROCEDURES**

### **CIVIL RIGHTS COMPLIANCE**

Brewton-Parker College complies with Title VI of the Civil Rights Act of 1964 and does not discriminate on the basis of race, color, national origin, or legally approved disability.

### **NON-DISCRIMINATION**

Brewton-Parker College has filed with the Department of Education assurance of compliance under Title IX of the Education Amendments of 1972. We have an exemption.

Title IX requires, however, that Grievance Procedures be set up and notification made to all students and employees. A list of the procedures with other required information follows:

### **TITLE VI AND IX GRIEVANCE PROCEDURE**

In compliance with the applicable law, Brewton-Parker College has developed the following procedures. The College's Grievance Committee has responsibility for hearing and making decisions on matters that cannot be resolved at a lower level. The President periodically appoints a College Affirmative Action Officer who receives complaints, helps mediate disputes, and facilitates forwarding of the complaints to the Grievance Committee when necessary.

1. All complaints are to be written and filed with the Office of the Affirmative Action Officer of the College.
2. Upon receipt of said complaint the officer will set up a meeting of the Grievance Committee within 30 days to hear the complainant.
3. Complainant will be notified in writing of the date, time, and place of meeting.

4. Complainant will be invited to state the nature of the alleged discrimination before the Grievance Committee.
5. Any party to the proceeding has the right to present direct testimony through witnesses and/or any other relevant evidence in support of the party's allegations or defense.
6. Complainant and/or college officials desiring legal counsel may obtain such representation provided notification is given in advance by both parties.
7. Complainant will be given written notice of the Grievance Committee's decision within seven days following the meeting.

### **Statement of Integrity**

Brewton-Parker College seeks to support and promote qualities of personal integrity. The college believes that all members of the community have the responsibility to participate in learning with honesty and integrity. Fundamentally, this principle asserts that faculty, staff, students, and administrators must fulfill the commitments we make as we enter our academic endeavors, and we must respect the learning process.

This respect includes, but is not limited to the following:

- A commitment to working hard at learning, both in class and out of class;
- A sense of the value that all members of the learning community can bring;
- Brewton-Parker College students have the right to request that the college correct records which they believe to be inaccurate or misleading. If Brewton-Parker College decides not to amend the record, the student has the right to a formal hearing. After the hearing, if the college still decides not to amend the record, the student has the right to place a statement with the record setting forth his or her view about the contested information.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify students annually of their rights under FERPA. The actual means of notification is left to the discretion of each school. The publication of this notice in this Student Handbook serves as the required disclosure to students. In the event students do not wish to have their directory information shared, students must provide written notice to the Office of the Registrar no later than the 1<sup>st</sup> day of classes.

### **College Non-Discriminatory Policy**

Pursuant to Title IX, Part 86, Title VII, and Section 504 of the Rehabilitation Act of 1973, no person in the United States shall, on the basis of race, sex, color, religion, national origin, age, disability, or veteran status, be denied the benefits of, or be otherwise subjected to discrimination under any education program or activity administered by Brewton- Parker College; or in any term, condition, or privilege of employment.

Harassment of any form is not tolerated. Students who think that they have been discriminated against, harassed, or otherwise had their rights violated shall make a formal, written complaint to the Office of Student Development and Success. The complaint should contain at a minimum the date and place of the alleged incident as well as names, addresses, and telephone numbers of all witnesses. The facts and context of the complaint should be documented.

### **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act**

Originally known as the Campus Security Act, the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998, commonly known as the "Clery Act," is a federal law that requires colleges and universities to collect information on campus crime and to publish and distribute such data along with designated institutional policy statements on safety and security to all current students and employees and to any applicant for admissions or employment, to meet the requirements of the legislation. The College publishes an annual report of campus crime statistics as well as periodic crime alert notices and reports. Copies of the report can be obtained from Campus Security located in the Newton Building or by visiting the Brewton-Parker College website at

### **Campus Sexual Violence Elimination Act**

The Campus Sexual Violence Elimination Act, or Campus Save Act (SaVE), is a 2013 amendment to the federal Jeanne Clery Act. SaVE was designed by advocates along with victims/survivors of sexual violence and championed by a bi-partisan coalition in Congress as a companion to Title IX that will help bolster the response to and prevention of sexual violence in higher education.

SaVE requires colleges and universities, both public and private, participating in federal student aid programs (covering virtually every campus in the United States) to increase transparency about the scope of sexual

violence on campus, guarantee victims enhanced rights, provide for standards in institutional conduct proceedings, and provide campus community wide prevention educational programming. Incidents that affect the health, welfare and security of the college will lead to immediate expulsion. Any public display of affection will not be tolerated. The Board of Trustees and the College President have the authority to enforce College regulations. The Associate Vice President for Student Development and Success is responsible for enforcing college regulations as they apply to the student body.

Students, faculty, and staff are responsible for reporting cases of misconduct promptly to the Student Development and Success Office. In all cases, the Associate Vice President for Student Development and Success or designee has the authority to decide on any appropriate disciplinary measures as outlined in the Student Handbook, unless action warrants an administrative decision.

## **Brewton-Parker College Student Financial Responsibility Agreement**

### **Payment of Fees/Promise to Pay**

I understand that when I register for any class at Brewton-Parker College or receive any service from Brewton-Parker College I accept full responsibility to pay all tuition, fees and other associated costs assessed as a result of my registration and/or receipt of services. I further understand and agree that my registration and acceptance of these terms constitutes a promissory note agreement (i.e., a financial obligation in the form of an educational loan as defined by the U.S. Bankruptcy Code at 11 U.S.C. §523(a)(8)) in which Brewton-Parker College is providing me educational services, deferring some or all of my payment obligation for those services, and I promise to pay for all assessed tuition, fees and other associated costs by the published or assigned due date. I understand and agree that if I drop or withdraw from some or all of the classes for which I register, I will be responsible for paying all or a portion of tuition and fees in accordance with the published tuition refund schedule on the Brewton-Parker calendar. I have read the terms and conditions of the published tuition refund schedule and understand those terms are incorporated herein by reference. I further understand that my failure to attend class or receive a bill does not absolve me of my financial responsibility as described above.

All students should be in good standing with the financial aid and business office by the first day of class.

- Your student account is considered in good standing if your room, board, tuition, and fees are paid in full; you have a pre-approved payment arrangement (approved by the Business Office) that has been paid up-to-date; or you have financial aid (already approved) sufficient to cover your account balance.
- Both international students and those whose Satisfactory Academic Progress (SAP) appeal is denied must pay in full by the first day of class or registration will be purged.

For students with an unpaid balance at the end of the second week of classes may result in:

- Cancellation of enrollment
- Denial of registration for future classes
- Denial of occupancy in a residence hall room
- Denial of the use of the college dining room, library, and all other college facilities
- No participation in playing or practicing with athletic teams.

Cancellation of enrollment and denial of college services does not excuse students from paying their remaining balances. Students are charged for damage, breakage, or loss of college property, including library material.

Transcripts nor diplomas will be released to any student owing a balance. In addition, graduates will not be allowed to participate in graduation if a balance is owed.

### **Delinquent Account/Collection**

**Financial Hold:** I understand and agree that if I fail to pay my student account bill or any monies due and owing Brewton-Parker College by the scheduled due date, Brewton-Parker College will place a financial hold on my student account, preventing me from registering for future classes, requesting transcripts, or receiving my diploma.

**Late Payment Charge:** I understand and agree that if I fail to pay my student account bill or any monies due and owing Brewton-Parker College by the scheduled due date, Brewton-Parker College will assess late payment and/or finance charges at the rate of 1.5% compounded monthly, or \$25 fee, whichever is greater, per month on the past due portion of my student account until my past due account is paid in full.

**Collection Agency Fees:** I understand and accept that if I fail to pay my student account bill or any monies due and owing Brewton-Parker College by the scheduled due date, and fail to make acceptable payment arrangements to bring my account current, Brewton-Parker College may refer my delinquent account to a collection agency. I further understand that if Brewton-Parker College refers my student account balance to a third party for collection, a collection fee will be assessed and will be due in full at the time of the referral to the third party. The collection fee will be calculated at the maximum amount permitted by applicable law, but not to exceed 15 percent of the amount outstanding. For purposes of this provision, the third party may be a debt collection company or an attorney. If a lawsuit is filed to recover an outstanding balance, I shall also be responsible for any costs associated with the lawsuit such as court costs or other applicable costs. Finally, I understand that my delinquent account may be reported to one or more of the national credit bureaus.

I authorize Brewton-Parker College and its agents and contractors to use automated telephone dialing equipment, artificial or prerecorded voice or text messages, and personal calls and emails, in their efforts to contact me. Furthermore, I understand

that I may withdraw my consent to call my cellular telephone using automated telephone dialing equipment by submitting my request in writing to the Director of Accounting or in writing to the applicable contractor or agent contacting me on behalf of Brewton-Parker College.

**Updating Contact Information:** I understand and agree that I am responsible for keeping Brewton-Parker College records up to date with my current physical addresses, email addresses, and phone numbers by contacting the Registrar. Upon leaving Brewton-Parker College for any reason, it is my responsibility to provide Brewton-Parker College with updated contact information for purposes of continued communication regarding any amounts that remain due and owing to Brewton-Parker College.

## **Entire Agreement**

This agreement supersedes all prior understandings, representations, negotiations and correspondence between the student and Brewton-Parker College, constitutes the entire agreement between the parties with respect to the matters described, and shall not be modified or affected by any course of dealing or course of performance. This agreement may be modified by Brewton-Parker College if the modification is signed by me. Any modification is specifically limited to those policies and/or terms addressed in the modification.

## **Financial Aid**

I understand that aid described as “estimated” on my Financial Aid Award does not represent actual or guaranteed payment, but is an estimate of the aid I may receive if I meet all requirements stipulated by that aid program.

I understand that my Financial Aid Award is contingent upon my continued enrollment and attendance in each class upon which my financial aid eligibility was calculated. If I drop any class before completion, I understand that my financial aid eligibility may decrease and some or all of the financial aid awarded to me may be revoked.

If some or all of my financial aid is revoked because I dropped or failed to attend class, I agree to repay all revoked aid that was disbursed to my account and resulted in a credit balance that was refunded to me.

I agree to allow financial aid I receive to pay any and all charges assessed to my account at Brewton-Parker College such as tuition, fees, campus housing and meal plans, parking permits, service fees, fines, bookstore charges, or any other amount, in accordance with the terms of the aid.

**Federal Aid:** I understand that any federal Title IV financial aid that I receive, except for Federal Work Study wages, will first be applied to any outstanding balance on my account for tuition, fees, room and board. Title IV financial aid includes aid from the Pell Grant, Supplemental Educational Opportunity Grant (SEOG), Direct Loan, PLUS Loan programs. I authorize Brewton-Parker College to apply my Title IV financial aid to other charges assessed to my student account such as bookstore charges, service fees and fines, and any other education related charges. I further understand that this authorization will remain in effect until I rescind it or the end of enrollment and that I may withdraw it at any time by completing the Brewton-Parker College Loan Change Form found in the Forms section of My Financial Aid in MyWeb.

**Prizes, Awards, Scholarships, Grants:** I understand that all prizes, awards, scholarships, and grants awarded to me by Brewton-Parker College will be credited to my student account and applied toward any outstanding balance. I further understand that my receipt of a prize, award, scholarship, or grant is considered a financial resource according to federal Title IV financial aid regulations, and may therefore reduce my eligibility for other federal and/or state financial aid (i.e., loans, grants, Federal Work Study) which, if already disbursed to my student account, must be reversed and returned to the aid source.

## **Method of Billing**

I understand that Brewton-Parker College uses electronic billing (e-bill) as its official billing method, and therefore I am responsible for viewing and paying my student account e-bill by the scheduled due date. I further understand that failure to review my e-bill does not constitute a valid reason for not paying my bill on time. Student account information is available at [myweb.bpc.edu](http://myweb.bpc.edu).

If you believe your bill is incorrect, or if you would like more information about a transaction on your bill, contact [accountsreceivable@bpc.edu](mailto:accountsreceivable@bpc.edu)

We must hear from you within 60 days of the bill that the item of concern first appeared. Please include in your email:

- Your name, the student's name and student ID #
- The dollar amount of the suspected error
- A description of the error and an explanation, if possible, of why you believe the error occurred.

You do not have to pay the amount in question while we investigate, but you are obligated to pay the portion of your bill that is not in question.

### **Billing Errors**

I understand that administrative, clerical or technical billing errors do not absolve me of my financial responsibility to pay the correct amount of tuition, fees and other associated financial obligations assessed as a result of my registration at Brewton-Parker College.

### **Minimum Balance Policy**

In accordance with the Minimum Balance Policy Statement of the College, no billing statements or account refunds less than \$1 will be issued.

### **Returned Payments/Failed Payment Agreement**

If a payment made to my student account is returned by the bank for any reason, I agree to repay the original amount of the payment plus a returned payment fee of \$35. I understand that multiple returned payments and/or failure to comply with the terms of any payment plan or agreement I sign with Brewton-Parker College may result in cancellation of my classes and/or suspension of my eligibility to register for future classes at Brewton-Parker College.

### **Campus Computer Labs**

Computer labs on the Brewton-Parker College campus are available for general use by students, faculty and staff except during the periods when the rooms have been reserved for teaching purposes. Lab computers are a shared resource. Labs are located in rooms 101 and 109 in the Jordan Building, in the library, and in room 101 in the Math and Science Building. In all computer labs, priority is given to students working on class work. Students playing games or browsing the Internet will be asked to give up their computer if students are waiting to use a computer. Under no circumstances should any software be installed on a Brewton-Parker College owned computer without prior approval from Technology Services. This includes but is not limited to games, chat programs, etc. The only authorized programs on any campus computer are those installed by the Technology Services department. Rights to access information do not include rights to use the college network to store and/or transmit information, visuals, or sound that is offensive, unlawful, or unrelated to education. Any student who violates this policy may be denied access to the network.

It is the responsibility of every user to use these facilities in a responsible manner. Accidental damage or damage caused by other parties should be reported as soon as possible so that corrective action can be taken. Corrective action can include but are not limited to (depending on the gravity of the damage) replacement cost fines.

### **Student Computer Configurations**

Wi-Fi access to the Internet is available in-residence hall rooms (free of charge) for students who bring any device that connects to the internet. By accessing the college networks, students agree to abide by this

usage policy. Students must not change network configurations, including adding any of their own personal networking equipment. Students are responsible for all network traffic originating from their network access. Due to the destructive nature of modern computer viruses, all computers that access the Brewton-Parker College network must have an up-to-date antivirus program installed. Technology Services does not perform any repair work or computer maintenance on student-owned computers. A Technology Services staff member will, however, be glad to take a look at your system if you are having problems and either tell you how to fix the problem or recommend a local computer repair shop.

### **Brewton-Parker College Campus Network**

The college provides network access in classrooms, laboratories, the library, offices and student residence hall rooms. While the college is committed to free speech and open access to information and communication, these must be tempered by the need to respect others' rights to speech, access and communication. Each user is expected to balance their needs with the needs and expectations of the college community as a whole. The college administrators reserve the right to limit bandwidth to users and access to non-academic, resource intensive applications if they threaten to interfere with academic uses of the campus network.

Users on the network must not attempt to conceal, mask or misrepresent their identity or the identity of computers when using the network. Users shall not employ software or hardware that interferes with the operation or security of the network. Users shall not interfere with the administration of the campus network nor shall they attempt to breach any network or resource security system. In administering the network, network activities of users may be monitored as to the type and quantity of usage. Users are responsible for all network activities originating from resources provided to them by the college.

### **Security (technology)**

Under no circumstances will any software, commercial or homemade, designed for the purpose of gaining unauthorized access to a computer system, network or electronically stored information, be introduced to the Brewton-Parker College network. This includes computers in computer labs, library, faculty, and staff computer systems. If software on a student's personal computer violates the security of the college network, the student will be immediately suspended from access to the network until the software in question is removed from that student's personal computer.

Under no circumstances should students use another individual's username and password. If a student's login information is not working, they need to contact Technology Services for assistance by emailing [techsupport@bpc.edu](mailto:techsupport@bpc.edu) using their Brewton-Parker College email.

### **P2P, Bit Torrent, and other file-sharing services/software**

File-sharing services have in recent semesters have caused some significant problems for the Brewton-Parker College network. While some information concerning the topic has already been included within this document, additional details will hopefully eliminate some confusion.

File-sharing services that use P2P, Bit Torrent, etc. technologies are network-based software programs that create several problems:

1. File-sharing software allows you to search the Internet for media files and download them onto your computer. The majority of these downloaded media files are COPYRIGHTED. By downloading them, you

are breaking Federal and International copyright laws and Brewton-Parker College's Copyrighted Material Policy. (Refer to Policy on the Use of Copyrighted Material on Brewton-Parker College's Computer systems and Networks)

2. The software also allows you to share your media files with everyone else on the Internet. This causes a massive amount of traffic on the college network, absorbing valuable bandwidth needed by faculty, staff, and students for legitimate academic needs.
3. If file-sharing software is installed, your computer is open to significant security risks from viruses and hackers by allowing them access to your personal files.

**IMPORTANT:** All file-sharing software must be disabled and not be used when your computer is connected to the Brewton-Parker College network. Assistance in disabling the software on your computer can be done by the Technology Services personnel.

### **Results of Misuse**

A breach of appropriate use, as defined in this policy, will result in immediate termination of that student's network access from the residence hall, both wired and wireless. Once a student's network access is deactivated, no access to any Brewton-Parker College network resources or the Internet will be possible from the student's computer. Access to the network from the labs and the library will still be available for academic purposes. For the first offense, student network access will be terminated in the residence hall for **one month**. If there is a second offense student access will be terminated for the **entire semester** (or the duration of the next semester if the offense takes place at the end of a semester). For the third offense, the case will be sent to the Student Development Department.

### **Campus Life**

#### **Chapel Service and Participation**

Consistent with the mission of the college, Chapel will be held multiple times each semester. All full-time students attending classes at the Mt. Vernon campus are allowed to miss **two chapel services each semester**. Chapel is also a requirement for graduation. Graduation, diplomas and transcripts will be withheld until attendance requirements are met. To monitor your Chapel attendance, students can check their progress in "MyWeb." If a student has missed more than the allotted amount (two per semester), the Student Life Coordinator will assign a make-up assignment through Email. This Makeup assignment will continue to grow with each acquired absence throughout the semester. Students must earn the required "chapel credits" to be able to graduate.

**All offices**, including the Library, food services, bookstore, and Post office will be closed to students during chapel. All residence halls will be closed. Regular times for Chapel are at 10:00 AM each Tuesday unless notified by the Provost/Sr. Vice President, in which in most cases a revised schedule is sent by email to all students, faculty and staff.

#### **Behavior during Chapel Services**

**All students** should be attentive, respectful toward participants and the Chapel speaker. Students who do not comply with Chapel guidelines may lose Chapel credit. If a student repeatedly violates chapel guidelines they may face disciplinary actions.

- *Please do not sleep or appear to be asleep*
- *Please do not do homework in Chapel, this is a time for you to commune with God and fellowship*

### **Dress Code**

In keeping with its commitment to Christian principles and values, morals, and ethical behavior, the college administration expects staff, faculty and students to uphold specific standards both on and off campus. Anyone who deliberately dresses inconsistent with the stated policy will be subject to disciplinary actions. The college staff has a right to turn you away from services if you do not comply with the above dress codes. It is a good practice to bring with you a form of attire for all occasions. The college will not tolerate any display of indecent exposure on the campus.

### **Counseling Center**

Brewton-Parker College has a contractual agreement with Roads to Success, Inc. to provide free counseling services to students who may experience any type of mental health issues or who may need a listening ear due to a life change or may feel anxiety from being away from home. No pets of any kind are allowed in the residence halls or other buildings on campus nor on the premises of any off-campus instructional sites, with the following two exceptions for qualified persons with disabilities as defined by state and federal law.

1. Persons who are partially or totally blind, deaf, or otherwise physiologically disabled may request approval to be accompanied by a guide or service dog, provided that the request is supported by documentation of the dog's special training for such purpose and certification that the training was completed at a school specifically accredited for such guide or service dogs.
2. Persons with mental health disabilities, such as severe depression, acute anxiety, PTSD, or other psychological disorders may request approval to be accompanied by an emotional support animal, provided that the request is supported by a letter from a qualified doctor, clinical psychologist, or other healthcare provider verifying the underlying disorder and the clinical or therapeutic need for an emotional support animal.

Requests for housing or related accommodations based on one or both of the above exceptions must be submitted in writing to the office of disability services at the following address and location: Robert M. Brian, Provost and Senior Vice President, Gates Hall, 1st Floor, 201 David-Eliza Fountain Circle, Mount Vernon, GA 30445 (Email: rbrian@bpc.edu; Phone (W) 912-583-3108; Cell Phone: 504-220-9701).

Any such requests, if approved, are conditioned upon the owner's maintaining reasonable control of the animal so as not to infringe unduly on the rights or peaceful possession of others. Any property damage or personal injury caused by the animal to others or to the college will be the sole responsibility of the owner of the animal.

In the event such accommodation may constitute an undue financial or administrative burden for the college, or if the college determines that the presence of the animal fundamentally alters the nature of the housing or other facility, the college may deny or remove the accommodation.

### **College Values**

We, as the Brewton-Parker College community, affirm the value of a peaceful and purposeful community, founded on biblical morals and ethical integrity of students and faculty. We commit ourselves to the following Christian values on which Brewton-Parker College was founded. We expect that our commitment to mutual responsibility and a spirit of cooperation will create a community that is orderly, caring, and just.

#### **Value 1. Respect for the Worth of the Individual**

We value the intrinsic worth of every individual in the community. Our respect for individuals includes an appreciation of cultural backgrounds different from our own, an understanding of different attitudes and opinions, and an awareness of the consequences of our actions on the broader community. These values can be violated by behaviors such as harassment, hazing, lewd and indecent conduct, or inappropriate sexual conduct or communication.

### **Value 2: Practice of Self-Discipline**

We value personal responsibility and recognize the individual's need for physical, intellectual, spiritual, social and emotional wholeness. We value the full development of every student in terms of a confident and constructive self-image, of a commitment to self-discipline, and of a responsible self-expression. Disorderly conduct, possessing, consuming, or distributing alcohol, or drugs are examples of behavior, which violate the value of self-discipline.

### **Value 3: Practice of Academic integrity**

We value a campus community that encourages personal growth and academic development in an atmosphere of positive Christian influence. We affirm the necessity of academic standards of conduct to allow students and faculty to live and study together. We value the fair and efficient administration of these standards of conduct. These values can be violated by academic dishonesty and fraud.

### **Value 4: Respect for Property and the environment**

We value the rights and privileges of owning and using property, both personal and college property, and the benefits of preservation and maintenance of property, and of our natural resources. In our stewardship of property, we recognize the accountability of our actions to the future of the college community. Stealing and being in possession of stolen or lost property, vandalism, setting a fire and arson, tampering with fire and safety equipment, possessing firearms or weapons on campus, possessing or using fireworks on campus, and unauthorized entry, unauthorized guests, pets, or the possession of any property used to intimidate others are all examples of behavior which violate this value.

### **Value 5: Respect for Community Authority**

We value our privilege and responsibility as members of the college community and as citizens of the community beyond the campus. We value the community standards of conduct expressed in our system of laws and value the fair administration of those laws, including Brewton-Parker College, municipal, state or federal laws. These values are violated by possessing, consuming, or distribution of alcoholic beverages; intoxication; possessing, using or distribution of illegal drugs, sexual misconduct, aiding, abetting or conspiring to engage in value violations; violating residence hall visitation guidelines; reckless behavior; lewd and indecent conduct; insubordination, unauthorized or unruly demonstrations; driving while impaired, habitually offending motor vehicle rules and regulations; creating a nuisance by talking, yelling, singing, playing a musical instrument, electronic device, and so forth, loudly enough to disturb members of the college community; and committing a city, state, or federal crime.

While under expulsion, a student may not reside in College-owned housing facilities, attend College sponsored functions both on and off-campus, participate in student organizations, represent the College in any capacity, or visit any campus facility and cannot attend/take college classes unless approved by college administration.
6. **Fines** – All fines are to be paid. These fines are to be paid to the student accounts office located in the Newton Building. All persons who refuse to pay fines will have fines posted to their student accounts.
7. **Education Sanctions**- A student will be required to attend a session with the College Counselor, attend an educational program/session, participate in a community service project, or engage in other appropriate activities.
8. **Loss of privilege** – Loss of privilege prohibits a student from engaging in or attendance at any public event or in any capacity as a representative of Brewton-Parker College. This includes athletics, pageants, musical or drama performances, student government and student organizations, etc).
9. **Restitution** – A student may need to compensate another for damage to or loss of property or damage to one’s personal well-being resulting from student misconduct.
10. **Disciplinary Probation/ Behavioral contracts** – A student may receive a formal written warning that his/her conduct is in violation of Brewton-Parker College policies and that student status is in jeopardy. Further, continuous enrollment of the student depends on satisfactory citizenship during the period of probation or behavioral contract.
11. **Disciplinary records** – A student found guilty of inappropriate behavior will have the information placed in a disciplinary record for the duration of enrollment at Brewton-Parker College.
12. **Interim suspension** – A student may be placed on Interim suspension if there is evidence to support the belief that a student’s behavior on or off campus is a clear and present threat to the health, safety or welfare of faculty, students, staff or guests. The student may be placed on interim suspension until the Office of Student Development & Success can convene to discuss the situation/incident. If placed on interim suspension, the student may be restricted from campus or from a particular program, activity or building.

### **Disciplinary Process**

Brewton-Parker College is an institution of higher education affiliated with the Georgia Mission Board. Our disciplinary process is based on a redemptive model. As such, the college community provides an accepting, caring Christian atmosphere in which spiritual formation, personal development, vocational preparation, and a sound, academic liberating education enhance the growth of individuals.

Any student, faculty member, or staff member must present a written report of the facts regarding the alleged violation before the disciplinary process can formally begin. Written reports are sent to the office of the Development Department (or designee). A meeting will be arranged with the student and the Student Development Department (or designee). If the student admits to a violation of the value, the student will receive a sanction, guidance, and counseling.

### **Complaint, Appeal, Grievance, and Amnesty**

If a student disagrees with a violation, complaint procedures follow:

### **Fairness Rights**

A student who has been charged with a value violation and thus alleged to be involved in an inappropriate behavior will be granted these rights in order to assure fundamental fairness in the judicial process:

1. Notice – to be informed in writing or by email of the inappropriate behavior in which the student is suspected of involvement.
2. Meeting – to have an opportunity to be heard.
3. Evidence – to know the nature of the evidence.
4. Written Response – to have a written response reporting the results of the meeting.

#### **A. Student Complaint Policy and Procedure**

Complaints Under Title VI & Title IX: Student complaints that pertain to discrimination or harassment based on race, color, national origin, or sex under the Title VI of the Civil Rights Act of 1964 and/or Title IX of the Education Amendments of 1972 should be submitted to the college's Affirmative Action Officer for resolution in accordance with the college's Grievance Policy and, if necessary, by referral to the standing Grievance Committee. For information about submitting a complaint to the Affirmative Action Officer, please inquire in the Office of Academic Services.

Other Student Complaints: Student complaints pertaining to academic, disciplinary, housing, financial, or any other matters outside the jurisdiction of the Grievance Committee should be resolved in accordance with the following procedure:

1. Students first should relate any concerns to a staff member in the office or area from which the complaint arises. Complaints must be submitted in writing and signed and dated by complainant. For example, matters pertaining to residential or student life first should be reported to the appropriate Resident Assistant (RA), to the Student Development Department, the Director of Campus Housing, or other appropriate officer, while matters relating to faculty, classes, grades, or other academic matters first should be presented to the appropriate instructor, academic advisor, or division chair. The officer receiving the initial complaint will arrange to meet with the complainant and any alleged offenders in an effort to mediate an amicable and mutually satisfactory resolution to the complaint.
2. Any matter that cannot be resolved through mediation to the satisfaction of the complainant then will be referred by the officer receiving the complaint to the appropriate Vice President, Provost, or other Cabinet-level officer for further consideration, either through discussion or other informal conflict resolution proceedings or, ultimately, by referral to the standing College Appeals Committee for a formal hearing and final resolution. The College Appeals Committee policy and procedure is set forth both in the Student Handbook and in the Academic Catalog published online at the college's website.

Should any student have a concern, complaint, or other grievance for which the above procedures do not adequately afford a remedy or avenue of expression, then the student may request a conference with the Provost for advice about appropriate redress. If the concern or complaint alleges an offense that involves the Provost or poses a conflict of interest for the Provost, then the student may request review by the President.

#### **B. Procedure for filing an Appeal:**

The College Appeals Committee will hear appeals of academic, disciplinary, financial, and any other matters designated by the President. The Appeals Committee will not deal with appeals of persons who are denied admission to the college. The Admissions Committee will deal with such matters. The decisions of

the Appeals Committee will be given to the President who will take final action in these and all other matters of appeals.

Appeals of those matters, which are dealt with by the Appeals Committee, must be made within seven calendar days of the time the student was notified of the action. The appeals process must be completed within one semester following the original event that is being appealed. The Chairman will schedule a hearing on the appeal within three academic days of receipt of the appeal. The Committee will listen to an appeal only, when in the opinion of the majority of the Committee, the appellant can document in writing a basis for appeal. The basis must be one or more of the following:

1. Evidence that the lower agent (the person who made the original decision) refused to hear all witnesses brought forward by the appellant.
2. Evidence that the lower agent applied regulations not in effect.
3. Evidence that the lower agent did not give fair play in being attentive to the appellant's report.
4. Evidence that the lower agent rendered a decision contrary to the evidence presented.
5. Evidence that the decision rendered was biased.
6. Evidence that the action taken was excessive for the charge made against the student.

In the case of suspension or expulsion of a student due to violation of the student handbook (such as use, possession, distribution of illegal drugs, etc., as outlined in the student handbook) the staff of the Student Development Department (VP of Student Development, VP's, etc.) will consult with the President before the final decision is made. In such cases, the decision of the President and Student Services staff is final.

### **C. Procedure for filing TITLE VI and IX GRIEVANCE:**

In compliance with the applicable law, Brewton-Parker College has developed the following procedures. The College's Grievance Committee has responsibility for hearing and making decisions on matters that cannot be resolved at a lower level. The President annually appoints a College Affirmative Action Officer who receives complaints, helps mediate disputes, and facilitates forwarding of the complaints to the Grievance Committee when necessary. Forrest Rich is the Brewton-Parker College Affirmative Action Officer.

1. All complaints are to be written and filed with the Office of the Affirmative Action Officer of the college.
2. Upon receipt of said complaint the officer will set up a meeting of the Grievance Committee within 30 days to hear the complainant.
3. Complainant will be notified in writing of the date, time, and place of meeting.
4. Complainant will be invited to state the nature of the alleged discrimination before the Grievance Committee.
5. Complainant and/or college officials desiring legal counsel may obtain such representation provided notification is given in advance by both parties.
6. Complainant will be given written notice of the Grievance Committee's decision within seven days following the meeting.
7. Complainant may appeal the Grievance Committee's decision to an *Ad Hoc* Committee composed of the Executive Committee of the Brewton-Parker College Board of Trustees and two peers of the complainant appointed by the President of Brewton-Parker College.

### **D. Requesting Amnesty Policy**

Students who struggle with issues that violate the Student Conduct Code are encouraged to seek support and help. Examples include (but are not limited to) alcohol, drugs, and sexual relationships. Knowing that many students who struggle with these issues may fear asking for help because of the potential consequences, Brewton-Parker College has started an amnesty policy. This policy allows students who want to receive help and support to receive support, encouragement, and counseling without initial disciplinary processes. Students who seek help from the Student Development office will receive appropriate assistance. Students requesting help are asked to abstain from the behavior and may be asked to sign a behavioral contract, receive a referral for counseling, and/or be asked to receive professional help elsewhere. Students must request amnesty from the Student Development staff before any report of the behavior is made or any disciplinary confrontation addressing the specific inappropriate behavior(s) occurs. Resident assistants, campus security, a representative of the Student Development Department, or any other member of the Brewton-Parker College faculty or staff could carry out disciplinary confrontations. Students must be honest, cooperative, and compliant. They must demonstrate a true desire to change. Students may contact the Student Development Department to request amnesty or learn more about the policy. Requests for amnesty that involve illegal activity, or activity that otherwise endangers people or property, may be reported to local authorities as necessary. When students request amnesty, they will not be disciplined for behaviors they have engaged in prior to their confession, as long as those behaviors have not been public and are not determined to have significantly harmed other members of the campus community. However, depending on the extent of the behavior, students may still be removed from campus organizations as deemed by college officials. The behavior in question will have to ultimately change for the student to remain at Brewton-Parker College. There may be circumstances when a student may be required to withdraw for reasons of safety, or in order to get added help before returning to campus as a student. *Students that have requested and granted amnesty, must refrain from any additional Student Conduct violations of category two or higher while on their specialized behavioral contract. If said student violates the Student Code of conduct, with a category two offense or higher while on a Drug Amnesty contract, the student may be subject to a more severe punishment than first time violators.*
